Is a Vegetable compound, possessing a well concentrated combination of soothing and healing virtues for external and internal diseases, Inflammations or Pains seated in any part of the body, Chilblains,

Toothache. To be mixed with the Nerve Ointment for Diphtheria and Sore Throat, Sick Headache, Rheumatism, Pleurisy, Spinal Disease or affection of the Spine, Sprains, Felons, etc.

Also excellent for Beasts. MESSRS. C. GATES AND CO.

Gentlemen, Mr. Daniel Alward, of Butternut Ridge, N. B., appeared before me and made oath that in November, 1876, he was attacked with Diphtheria in its worst form. The Doctor pronounced it a very bad case and gave him some medicine which appeared to ease him, but he took cold and his throat was fast filling up, so he could scarcely breathe. He applied Gates' Acadian Liniment in-ternally and externally with immediate relief. He feels confident that unless he had got relief he could not have lived

# THE MARITIME SCHOOL SERIES

By Wm. Collins, Sons & Co., LONDON, GLASGOW & EDINBURGH.

## THE MARITIME READERS.

THE lessons in them have been com-I piled and written with special reference to the history, topography and com-mercial enterprise of Nova Scotia and the neighboring provinces. Selections from the writings of Haliburton, Howe, Gesner, Forrester, Macgregor and many others, have been inserted. The iliustra-tions include views of the cities and other interesting Maritime scenery, while the books are printed on superfine paper and bound in extra cloth. In their enterprise the publishers have spared no expense to make the new series the best, cheapest and most suitable for the schools in the Maritime Provinces of Canada; and while making arrangements for their introduction in Nova Scotia, they respectfully solicit the co-operation of teachers and all others interested in educational progress.

An Elementary Geography, for use in the Maritime Provinces, has been prepared to supply a want long felt in the schools of this part of the Dominion. It is now an established principle that children should be taught the geo-graphy of their own country minutely, and a special effort has been made to bring such information within the reach | 84 Windsor- Arrive. 9 45 | 1 45 6 30 of each school district at the lowest possible rate.
