

MONTREAL, March 1, 1877.
 MESSRS. T. GRAHAM & SON.
 I had for several years been subject to severe attacks of *Inflammatory Rheumatism*, from which I would suffer the most intense pain from four to eight weeks, although under the best treatment I could procure. About six weeks ago I had another attack coming on with its usual severity, when a customer recommended the use of your Pain Eradicator, which he had proven himself and found in a great many cases to be an effectual cure. I gave it a trial and its results exceeded my expectation, it soon relieved the pain, reduced the swelling, and I was able to attend to my business as usual in three days, and have been completely cured by less than two 25 cent bottles.

For some years I had suffered with pain and swelling around the instep and ankle of one foot, the result of a *bad sprain*, this was also in a short time cured by it. It has been used in my family for Neuralgia and other forms of pain with similar success.

The result of its use in my case has induced many others to try it, and all that use it are well pleased with it, and like myself are determined to keep it always in our houses.

 Five Years' Suffering Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in the Urine Disappeared.
 St. Armand, P. Q., Sept. 12, 1876.
 Mr. T. J. B. HARDING GENT:
 Dear Sir—Being desirous that others may know something of the merits of your Constitutional Catarrh Remedy, I wish to inform you what it has done for me. I am 52 years old, had been out of health for about five years. I had employed three or four different doctors, and tried various medicines without receiving any permanent benefit. I had become so weak as to be unable to do an hour's work at a time. Had severe secretions and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right leg as though there was a weight down upon the leg, with continual dropping in the throat and down upon the chest. Such was my condition when I received my first and only bottle of your Constitutional Catarrh Remedy, and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continual labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely with God's blessing, to the use of your Catarrh Remedy. Yours truly,
 HENRY SENDER.

JOYFUL NEWS
For the Afflicted.
 HAMPTON, GRANVILLE,
 Feb. 2nd, 1877.
 MESSRS. CALEB GATES & Co.:
 This is to certify that my wife was taken sick in February, 1875, with Liver Complaint, and what the Doctors called General Debility. Her stomach had become so weak that she could not retain any food on it, but would be in awful distress, and would throw it all up. I had three Doctors to see her; she was under the treatment of them for about six months and did not seem to be much better, and one of them told me not to flatter myself for she could not stand it long and they had done all they could for her. We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicines, and he told me by all means to get it for her, for, he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering.
 Yours most respectfully,
 HARRIS M. FOSTER, J. P.

We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicines, and he told me by all means to get it for her, for, he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering.
 Yours most respectfully,
 HARRIS M. FOSTER, J. P.
