

that Great Britain was never an ungenerous foe, but justice must precede generosity.

A telegraph from Lord Lytton, Viceroy of India, says Major Cavagarine confirms the news that the Ameer of Afghanistan fled from Cabul to Turkestan.

The Times correspondent with the Kurum column reports that a predatory tribe attacked on Sunday the rear guard of the convoy, East of Sapier Pass.

A correspondent with Gen. Browne, reports that the British are on the march from Jellalabad. He repeats story of Ameer's flight in a more positive form.

DR. HALL'S ELECTRIC BELTS.

For the cure of all nervous diseases, without the least derangement of the patient's habits or daily occupation. This appliance exerts powerful and beneficial influence throughout the whole frame; is applicable to either sex, and affords instantaneous relief in the following diseases:

- RHEUMATISM, NEURALGIA, DYSPEPSIA, LUMBAGO, GENERAL DEBILITY, HEADACHES, DIZZINESS, IMPOTENCY, SPERMATORRHOEA, SEXUAL EXHAUSTION, SELF ABUSE, PREMATURE DECAY, &c

These Belts are the result of the most profound research and experiment in Electro-Therapeutics, and by their peculiar construction, a continuous "galvanic current" is generated, which permeates the whole frame, and especially envelops the suffering parts with its gentle influence.

Most especially is the application of Electricity in this form beneficial to those disorders arising from youthful indiscretion, sexual excess or dissipations of any kind, whereby the pro-creative powers are lessened and impotency threatened.

These Belts are light, perfectly flexible, and easily adjusted, all of which, together with their cheapness, renders them superior to any other form, for the application of Electricity, medicinally.

50,147 of these belts were sold in Europe in the year 1876.

"Electricity is Life,"

And no remedy can be compared to it for the treatment of IMPOTENCY and loss of nervous vitality.

This Belt is recommended by the most eminent physiologists of this country and Europe.

"Ingenious, wonderful—a death blow to the old system of drugging."—London (Eng.) Lancet.

"You have perfected a great blessing on suffering humanity."—Dr. Richardson, London, Eng.

"Wonderful for the restoration of exhausted vitality."—Dr. Ferriar, London, Eng.

"I cheerfully recommend Dr. Hall's Electric Belt, and consider it one of the greatest blessings to mankind that has been put before the public."—Dr. DeBarr, Paris.

CATARRH!

THE worst and most severe type of Acute, Chronic, or Ulcerative Catarrh successfully treated and permanently cured by

OLD DR. HUXLEY'S GOLDEN CURE FOR CATARRH!

CATARRH NOT INCURABLE.

Our past experience and success has taught us that CATARRH IS NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCERATIVE. The final fatality is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed.

OLD DR. HUXLEY'S

Golden Cure for Catarrh has been the favorite and prized remedy of an eminent physician in his private practice. During the past two years, where the "Golden Cure" has been advertised and brought to the notice of the Catarrh invalid, over Four Thousand cases have been permanently cured by its use.

I Will Pay \$1,000!

For a case of Catarrh that OLD DOCTOR HUXLEY'S GOLDEN CURE FOR CATARRH FAILS TO CURE.

Some of the Symptoms of Catarrh:

Dull or heavy headache, pressure of blood upon the brain, swelling of the membranes that line the nasal cavities, loss of memory, giddiness, discharges from the head into the throat, bloody and putrid mucous, ringing in the ears, deafness, offensive breath, expectoration of offensive matter, impairment of the smell and taste, the voice is changed, the eyes become inflamed, watery and profuse, indigestion ensues, aggravating all symptoms.

The liver, kidneys, &c., are also sensibly and most injuriously affected. It drips into the throat poison, and irritates it, causes impairment or loss of voice, and from this point it gradually extends to the lungs, causing INCURABLE CONSUMPTION.

Under the influence of the mild, soothing and healing properties of the "Golden Cure," the disease soon yields, and perfect health is again enjoyed. The Golden Cure will be sent to any address on receipt of price, \$1.00 per bottle, \$5.00 for six bottles, or \$9.00 for twelve bottles. For further information, send your address and three-cent stamp for my "New Plan and Special Offer" to catarrh sufferers.

JOYFUL NEWS

For the Afflicted!

Granville, N. S., March 27, 1877.

DR. CALSB GATES & Co.:

Gents.—About 15 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good.

I took a trip to New York, but grew worse after my arrival there: felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time; then I applied to a Doctor, who informed me that I had a combination of diseases, viz.: Liver Complaint, Jaundice, Heart Disease, and pains in the back and shoulders. He said he could cure me, and gave me some medicines and plaster to wear on my side.

I thought that I felt somewhat better for a while, but after arriving in Halifax grew worse than ever. I left that place and came home. My friends said I was too far gone to last much longer. The doctors here advised me to discontinue using the medicine I had been taking, my knee joints and other parts of my body feeling very weak; they gave me tincture of iron, but it did me but little good.

At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travel around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives. The cure is an astonishing one, even to myself, therefore after taking a view of the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity. Since then we have used your Bitters, Syrups, Certain Check, Lintment, Plaster and Ointment with perfect success. Your Syrup No. 1 we could not do without in our family, we never think of getting out of it any more than we could of flour. We have four small children and I am happy to say have not been obliged to call a doctor in for several years. Whenever they take a cold, which they do frequently, we give them a small dose of No. 1 Syrup before going to bed. In short, I can only say, for coughs, colds, headache, &c., take the No. 1 Syrup before going to bed, perhaps a little in the morning again, follow it up for a few days and you are well again. I cheerfully recommend your medicines to every family, keep it in your houses, and always in readiness, and it will save many a drive for a doctor, and large bills.

Yours respectfully, JOHN BOHAKER. Personally appeared before me, the subscriber, and testified to the above. ANDREAS BOHAKER, J. P. Dec. 4.
