obtained for Inventors, in the United States, Canada, and Europe, at reduced rates. With our principal Office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys." We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter. We refer to the German-American National Bank, Washington, D. C.; the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Jos. Casey, late Chief Justice, U. S. Court of Claims; and the Officials of the U. S. Patent Office, and to Senators and Members of Congress from every State. CATARRH!

THE worst and most severe type of Acute, Chronic, or Ulcerative Catarrh successfully treated and permanently cured by

OLD DR. HUXLEY'S GOLDEN CURE FOR CATARRH!

CATARRH NOT INCURABLE. Our past experience and success has taught us that CATARRH is NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCEERATIVE. The final facility is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed. Also, a disease that is WHOLLY INCURABLE by one remedy, IS EASILY AND PERFECTLY CURABLE BY ANOTHER.

OLD DR. HUXLEY'S Golden Cure for Catarrh has been the favorite and prized remedy of an eminent physician in his private practice. During the past two years, where the "Golden Cure" has been advertised and brought to the notice of the Catarrh invalid, over Four thousand cases have been permanently cured by its use. Hundreds of unsolicited testimonials on file at the Huxley Medical Dispensary bear testimony that Golden Cure for Catarrh is without a parallel in the cure of all Catarrhial affections.

I Will Pay \$1,000! For a case of Catarrh that OLD DOCTOR HUXLEY'S GOLDEN CURE FOR CATARRH FAILS TO CURE.

Some of the Symptoms of Catarrh: Dull or heavy headache, pressure of blood upon the brain, swelling of the membranes that line the nasal cavities, loss of memory, giddiness, discharges from the head into the throat, bloody and purid mucous, ringing in the ears, deafness, offensive breath, expectation of offensive matter, impairment of the smell and taste, the voice is changed, the eyes become inflamed, watery and profuse, indigestion ensues, aggravating all symptoms. The liver, kidneys, &c., are also sensibly and most injuriously affected. It drips into the throat poison, and irritates it, causes impairment or loss of voice, and from this point it gradually extends to the lungs, causing INCURABLE CONSUMPTION.

SAVE THE NATION! For it is sadly too true that thousands of children are STARVED TO DEATH every year by improper or insufficient food. Remember, RIDGE'S FOOD FOR INFANTS AND INVALIDS, is all they can desire. It is carefully put up in four sizes. Constant users will find our No. 4 size (always the most economical size to buy) now much larger than formerly, thus materially lessening the expense.

ELEVEN YEARS A DRUNKARD.

An unassuming narrative of the terrible and thrilling experience of THOMAS DONER, who lost both arms through drink, and has written this book with his teeth. (See cut.)

THOMAS DONER. This book is neatly illustrated, and is worthy of the consideration of all temperance workers--IS JUST THE BOOK FOR THE TIMES. It delineates the First Stage the Second Stage, the illness and remorse produced by them; the drunken ravelling at houses of debauchery; fights, stabbings, suicides of drunken comrades, and thrilling incidents in army and hospital life; the degradation and woe produced by drunkenness vividly set forth as a living picture.

WORD TO AGENTS--One agent assures us that he can clear \$500 per month. He sold two hundred books in four days. Another agent tried six weeks, and then refused a school at \$45 per month, board and washing included, and is now selling. A lady in Battle Creek, Michigan, sold fifty-seven books in one afternoon, and sold three hundred in a short time.

THIRTY THOUSAND copies have already been sold, and we have a new edition of Ten Thousand in the bindery, fully illustrated. They sell like hot cakes. Prices are as follows: Single copy, 25 cents. Twelve copies, \$2.00, sent post-paid. Twenty-five copies, \$3.38. Fifty copies, \$4.76, and One Hundred copies, \$6.64, express added. We are willing to send books O. D. by express, but 35 to 40 cents will be saved by sending money order or registered letter. Now friends, most agents will average \$100 to \$400 per day, by giving their time to it. We make the above statements from practical experience, and feel assured that those who may engage in selling these books will not be disappointed or deceived.

To canvass, and then deliver, is not the most successful way to make sales. Take in books along with you, and sell as you go. Most people prefer to buy a book, and then deliver. Write your name, POST OFFICE, COUNTY and STATE, plainly, and remember WHERE to send, and WHO to send to. Be sure to make no mistake. Send 25 cents for sample copy. Address ARTHUR LEVY'S, Spencer, N. H. April 17. 4 ins.
