The belt for the championship of Halifax Harbor was presented to the winner, Mr. Warren Smith, at the City Council meeting on Friday afternoon. Ald. M. and appropriate speech presented the belt. Mrs. Richey buckled the belt around the champion's waist. The second and third prizes were also presented by Mrs. Richey.

Another fatal Railway accident occurred at the Halifax Depot on Monday last. A man named Richard Gorman, occupied as overseer of some blasting work, was moving across the track, and not hearing the engine, was knocked down on the rails and cut in two by the wheels of the engine, killing him instantly. An inquest was held and the following verdict rendered. "That the de- orated and strengthened. It is a wellceased came to his death through accident by a shunting engine running over his body."

DIPHTHERIA has for a long time been very prevalent and very fatal. Its fatality seems to be greatly owing to neglecting what is supposed to be an ordinary cold or sore throat until it has progressed to its last stages, and then when medical aid is procured it has often been found to be too late. From the fatality attending this disease every family should keep a suitable remedy on hand and use it on the first appearance of sore throat. A preparation called DIPHTHERINE has been placed before the public. It is the discovery of J. Power introduced Mr. Smith to His | an English Physician and has been re-Worship the Mayor, who, with a short | garded where it is used to be an infallible remedy for that disease. To place it within the reach of all it is put up in bottles with full directions, and sold by Druggists and Dealers in medicines at the low price of 25 cents a bottle. Sept. 4.
