

**GRAHAM'S PAIN ERADICATOR.**—SAFE AND SURE.—The best Family medicine in use.—Farmersville, Leeds Co., Ont, June 30, 1870.—It has been considered by all who have known me, that I have been one of the greatest sufferers from the effect of ASTHMA, having had it in its most severe form for twenty-six years; for the last six years of that time I had not lain six nights in bed, for seven years I had such severe pain in my left side, that I could not rest on it, my appetite was gone and I had swelling in the region of my stomach, and general weakness. This condition was constantly becoming worse until last December, when I tried Graham's Pain Eradicator, although I had no hope of it benefiting me, I yielded to the persuasion of others.

The first dose of this medicine I took raised a great deal of wind from my stomach, reduced the swelling of my body and relieved the difficulty of my breathing, and before I had two bottles used I was completely cured, and have since enjoyed good health as ever I did. Few could believe it possible that I could be cured, and hundreds have come to see for themselves, and many thought it a miracle, had they not seen similar results in other cases, not only of Asthma, but in other forms of Disease and Pain. Aug. 21. 2ins. MARK MOORE.

**IN THE HARD DRY COUGH OF CHRONIC BRONCHITIS,** with its difficult expectoration and labored breathing, the demulcent properties of *Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime* manifests itself in its healing and soothing effect upon the irritated mucous membranes of the Bronchial passages; the cough quickly yields, the breathing is eased, while Nature, thus aided reasserts herself, and where once gaunt Consumption stared the victim in the face, now Hope beckons on to life and health.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00. Aug. 21. 3ins.

**THE MOST VALUABLE GIFT—RESTORATION OF THE HEALTH.**—During the past ten years the Great Shoshonee Remedy has faithfully redeemed every promise and guarantee made to the public. Alarming and apparently hopeless cases of Lung Disease, Dyspepsia, Liver Complaint, Afflictions of the Kidney and Chronic Complaints of every description including Scrofula and Skin Diseases of life-long duration, have been permanently removed and eradicated. Those who volunteered their testimony to the efficacy of the Remedy are not bogus people in unheard-of localities of foreign states, but respectable citizens of this Dominion, easy of access and open to question, upon whose verbal recommendations we are willing to rest the reputation of the Great Shoshonee Remedy. If you are afflicted do not delay until medicine may be powerless to aid you. No injurious effects can possibly follow the use of these Indian Remedies, as they contain no minerals by which the fate of the invalid is so often sealed under the form of some temporary sedative or stimulant. These Indian Remedies are widely known and still possess the public confidence after the lapse of sufficient time to test their efficacy.

The Shoshonee Vegetable Sugar Coated Pills have won for themselves the most favorable reputation of any pill before the public. Their efficacy has been fully proved as a remedy for Biliousness Sick Headache, and inactivity of the stomach. Price of the Remedy in pint bottles \$1; Pills 25 cts a box. June 19, 2 mo. cow.

**To the Electors of the County of Colchester.**

GENTLEMEN,—Having been chosen by a full convention of the Reform Party, held in Truro on the 16th of April last, as a candidate for the representation of Colchester in the House of Commons, I now respectfully solicit your support.

Should I be honored with your confidence I will give my best efforts to the promotion of the welfare of the people of this Dominion, and of the County of Colchester in particular.

The leading organs of the two political parties unite in saying that the great question of the day is that of Free trade (or a revenue tariff) vs. Protection. On that question I deem it my duty to give no uncertain sound. I believe that a revenue tariff affords reasonable encouragement to manufacturers, and that the policy of a high protective tariff, propounded by Sir John Macdonald, would if adopted, be injurious to the interests of the whole country, and especially of the Maritime Provinces. Our people are already taxed heavily enough, but under the system proposed by the Conservative leaders their taxes would I believe, be very largely increased, and they would receive no adequate benefit in return for the burdens thus imposed.

Believing that the Government of Honorable Alexander Mackenzie has honestly, energetically and, on the whole, wisely conducted the public affairs of the country, and that the Conservative leaders are both from their past record and their present policy, unworthy of the confidence of the people, I shall if elected consider it my duty to give an independent support to the Mackenzie administration.

I will gladly assist any practical legislation having in view the prohibiting, restricting or controlling of the traffic in intoxicating liquors.

I will endeavour before the election to personally discuss the issues of the contest with as many of you as is possible. Meanwhile, I venture to hope that the views I have here expressed are such as will commend themselves to your judgment, and justify me in expecting your confidence and support.

I have the honor to be, Gentlemen,  
Your obedient Servant,  
A. C. PAGE.

**PARKS' COTTON YARNS!**

**Awarded the Only Medal Given at the Centennial Exhibition For Cotton Yarns of Canadian Manufacture.**

*Nos. 5's to 10's.*

WHITE, BLUE, RED, ORANGE AND GREEN. Made of Good American Cotton with great care Correctly numbered and Warranted Full Length and Weight.

**WE** would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger yarn than the Ring Frames, used in making American yarn. It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

**COTTON CARPET WARP,**

MADE OF NO. 10 YARN, 4-PLY TWISTED. White, Red, Brown, Slate, &c. All fast colors.

Each 5 lb. bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width.

We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None other are genuine.
