

At Barrington, on the 9th inst. in the 33rd year of her age, Amelia, wife of Deacon George Wilson and daughter of Mrs. Irene Kendrick. Sister Wilson was baptized in early life by Rev. Aaron Cogswell, and united with the Barrington Baptist Church, of which she continued a worthy member until death. During seven years she battled with consumption, and at the same time with doubts and fears with regard to her acceptance with God. She always manifested a deep interest in the welfare of Zion, and cheerfully did what she could to advance the cause of God; and yet she entertained a very lowly opinion of her own merits. Long she prayed for deliverance from the fear of death, which often during her illness seemed very near. A few days before her decease her prayer was abundantly answered, and she was enabled to sing with joy as follows:—

"The hour of my departure's come; I hear the voice that calls me home; At last, O Lord I let trouble cease, And let thy servant die in peace. Not in mine innocence I trust; I bow before thee in the dust; And through my Saviour's blood alone I look for mercy at thy throne. I leave the world without a tear, Save for the friends I held so dear; To heal their sorrows, Lord, descend, And to the friendless prove a friend."

A large congregation attended the funeral and were addressed from the words, "Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same that through death he might destroy him that had the power of death, that is the devil; and deliver them who through fear of death were all their lifetime subject to bondage." (Heb. xi. 14, 15.)

On Nov. 14th, at Paradise, Annapolis Co., Mrs. Elizabeth Freeman, aged 47 years. The deceased was one of our most devoted and faithful members. She died most peacefully and in full assurance of her inheritance above; leaving three children to prove the faithfulness of the God of the orphan.

Mrs. Sarah Hewitt, beloved wife of Zebah H. Hewitt and daughter of the late William Rood, died at St. Mary's, Nov. 9th, in the 54th year of her age. Our dear lamented sister's sickness was borne with great patience and resignation. Of a very amiable disposition she was highly esteemed. The writer baptized her in 1853, and received her into the fellowship of the First Baptist Church of St. Mary's, and she so continued till death. She was with us in our temperance meeting and communion only a few weeks previous to her death. Brother Hewitt has lost in her death an affectionate wife; the children a loving mother; the church a worthy member and a good neighbor. We were all sorry to lose her, but the Master called for her and we must part with her. Our hope is that we shall meet her in that happy, happy land beyond the river. Our sister in her death has left a husband and nine children to mourn their loss. May the good Lord comfort them in their great affliction. We hope that they will all seek and obtain the necessary preparation to meet again in the better land.—  
Com. by Rev. H. Eagles.

On Friday, Ellen Garvin, the beloved wife of Laurence Morrissey, in the 66th year of her age.

On the 21st inst., in the 69th year of her age, Elizabeth, relict of the late Patrick Kenny.

At Victoria Bridge, Annapolis Co., Nov. 14, John M. Carr; in the 57th year of his age.

**PRESERVE AND RESTORE YOUR HORSES,**  
BY THE USE OF **DR. WOODBURY'S Horse Liniment.**

It is a desideratum, the want of which has long been seriously felt by proprietors of horses. All persons who are so situated as to be compelled to keep their horses stabled, know how difficult it is to prevent their feet from becoming feverish, dry, and contracted, with all the innumerable evils attendant on stabling, high feeding, and driving over hard roads.

To all owners of horses so situated, the Proprietor of this Liniment confidently offers it as THE REMEDY, both as a preventive and cure.

Its action is to remove fever and dryness, thereby causing the hoofs which have become hard and brittle, to be softened and elastic, and promotes the rapid growth and full development of soft new hoof in such a manner, as can be best appreciated by being witnessed.

Its beneficial effects are so prompt and decided, as frequently to very far exceed the anticipations of the most sanguine—to excite their admiration—and secure their highest confidence. All horses that are stabled, should have an application of this Liniment to the hoofs of the fore feet, once in every two or three weeks, to prevent their becoming feverish, dry, brittle, hard, contracted, or otherwise injured.

Horses that are foundered, or whose hoofs are contracted, or in any way diseased, should have this Liniment applied to every part of the hoof, every third or fourth day. The more inveterate the case, the more frequent should be the application; and in cases of long standing, should be continued for a sufficient length of time for the old or diseased hoof to become softened, and the growth of the new fully developed.

The Liniment should be applied to every part of the hoof, and rubbed gently into the hair around the upper part of the hoof. It can be best applied with a small brush. While this Liniment is

**The only Decidedly Reliable Remedy Known**

For all affections of the Horse's Hoof, it is equally efficacious in the removal of

**Splints, Curbs, Bog Spavins,** and in all cases of Bruise or Strain in the Joints or Tendons, and enlargements of any and every description, and given internally, will promptly relieve and remove any and every character of

**COUGH, ENLARGEMENT OF THE GLANDS, AFFECTIONS OF THE KIDNEYS, &c.**

And in our prevailing Horse Distempers, given in doses of a table spoonful, two or three times a day; it is, infallibly,

**THE REMEDY!**

A Cough which cannot be removed by this Liniment, may be considered incurable. For Coughs, Enlargements of the Glands, or Affections of the Kidneys, give a table spoonful night and morning in their feed.

For Splints, Curbs, Bog Spavins, or Enlargements of any kind, apply it freely to the part, night and morning, until it blisters, which will be readily known by sweating or weeping of the part, which will soon dry, and form a thick scurf or band; allow this to remain until it falls off or rubs off quite easily, which will be in from six to ten days; and then if the enlargement be not entirely removed, repeat the application as before.

As the Proprietor of this Liniment is quite aware of the many worthless nostrums offered to the public at the present time, he would beg to say, that all articles manufactured by him are strictly WARRANTED to effect that for which they are recommended, when used according to directions. Use this preparation thoroughly, for all and every disease of the Horse for which it is recommended. Criticise it closely. Carefully watch, mark, and note its effects; and honestly judging it on its merits, you will be compelled to endorse the sentiment, that **NO STABLE SHOULD BE WITHOUT IT.**

It is put up in Four Ounce Bottles, at 45 cents per Bottle.

Gentlemen,—This is to certify that three years ago I was troubled with a bad cough, accompanied with pain and soreness of the lungs for some time. I took one bottle of your No. 1 Bitters, and am happy to say have had good health ever since. My wife was afflicted with biliousness and sick headache for two years and six bottles of your valuable Medicine effected a complete cure and she has better health now than ever she has had for some years. I believe your Medicines are the best ever sold in the Province of Nova Scotia.
