

THE NEW YEAR will shortly be upon us. We are from time to time receiving additions to our list of subscribers, and not seldom from those who were formerly subscribers, but from having removed their residence, or the force of other circumstances had been under the necessity of discontinuing, but finding that they miss the visits of the *Christian Messenger*, wish for its reappearance and embrace the first opportunity of renewing their subscriptions. The names of such persons we always welcome most cordially. Next to these we are glad to hear from the sons or daughters of our good old subscribers, who, having left the parental roof, and themselves become housekeepers, wish to have our visits continued in their own homes, though, perhaps, now living at a considerable distance away. The names of such new subscribers are specially welcome. Then the young intelligent people who have taken their stand on the side of Christ and his kingdom; the names of these are a joy to us when received either from themselves or their friends. Families, too, having a number of young people in them who hitherto have not enjoyed the benefits of a regular weekly Christian newspaper; to these we particularly wish for an introduction, and to such we always desire to bring our quota of information, instruction and news of passing events, religious and general.

Who will assist us in this our responsible mission? GENTLE READER, may we have your generous and kind co-operation in this work? A word of commendation to any such persons may result in their sending on their names with one dollar for six months, or two dollars for a year. Please try, and you shall have our best thanks.

We have A HIGHLY INTERESTING SERIAL with which to commence the New Year, and in which we doubt not our readers of all ages will be greatly delighted.

New Subscribers for 1879 will receive the *Messenger* from the time they send on their subscription.

To JANUARY 1st, 1880, the remainder of 1878 being given in.

The Editors of the *Visitor* interpret the absence of a reply from Rev. D. D. Currie to their acceptance of his challenge—minus the costs—to mean a backing down on his part. Such conclusion may be just a little premature. They pronounce his challenge "a piece of bumcombe unworthy an honest man, much less a Christian."

READ THIS TWICE.—Five to thirty drops of THOMAS' ELECTRIC OIL, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years' standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For disease of the Spine and Contraction of the Muscles it is unequalled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. It is worth its weight in gold. Why not buy it to-day?—A. B. DESROCHERS, assistant postmaster, Arthabaska-ville, P. Q., writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used 'Thomas' Electric Oil' for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, of Wyoming, N. Y., writes, "Dr. Thomas' Electric Oil cured me of Bronchitis in ONE WEEK."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. THOMAS is on the wrapper, and the name of Northrop and Lyman are blown in the bottle, and TAKE NO OTHER.—Sold by all medicine dealers. Price, 25 cts. St. NICHOLAS, SCRIBNER'S ILLUSTRATED MAGAZINE For Girls and Boys. An Ideal Children's Magazine. Messrs. Scribner & Co., in 1873, began the publication of St. NICHOLAS, an Illustrated Magazine for Girls and Boys, with Mrs. Mary Mapes Dodge as editor. Five years have passed since the first number was issued, and the magazine has won the highest position. It has a monthly circulation of Over 50,000 Copies. It is published simultaneously in London and New York, and the transatlantic recognition is almost as general and hearty as the American. Although the progress of the magazine has been a steady advance, it has not reached its editor's ideal of best, because her ideal continually outruns it, and the magazine as swiftly follows after. To-day St. NICHOLAS stands Alone in the World of Books. The New York 'Tribune' has said of it: "St. NICHOLAS has reached a higher platform, and commands for its service wider resources in art and letters than any of its predecessors, or contemporaries." The London 'Literary World' says: "There is no magazine for the young that can be said to equal this choice production of Scribner's press."

Good Things for 1878-9. The arrangements for literary and art contributions for the new volume—the sixth—are complete, drawing from already favorite sources, as well as from promising new ones. Mr. Frank R. Stockton's new serial story for boys, "A Jolly Fellowship," will run through the twelve monthly parts,—beginning with the number for November, 1878, the first of the volume, and will be illustrated by James E. Kelly. The scene of this story, like that of the very successful one, "What Might Have Been Expected," published in St. NICHOLAS, is laid in the South. For the girls, a continued tale, "Half a Dozen Housekeepers," by Katharine D. Smith, with illustrations by Frederick Dielman, begins in the same number; and a fresh serial by Susan Coolidge, entitled "Eye-bright," with plenty of pictures, will be commenced early in the volume. There will also be a continued fairy-tale called "Rumpty Dudget's Tower," written by Julian Hawthorne, and illustrated by Alfred Fredericks. About the other familiar features of St. NICHOLAS, the editor preserves a good-humored silence, content, perhaps, to let her five volumes already issued, prophesy concerning the sixth, in respect to short stories, pictures, poems, humor, instructive sketches, and the lure and lore of "Jack-in-the-Pulpit," the "Very Little Folks" department, and the "Letter-box," and "Riddle-box."

The November Number. Attention is especially invited to the November number, which in many respects approaches nearer to our ideal than any number we have issued. It contains 72 pages, and its illustrations throughout are fine and varied. It begins two splendid serials. Its shorter papers represent a wide range of subject.—History, Travel, Fun, Poetry, Adventure, Science, Natural History, Home-life, Sport, and lively narrative,—the whole crowned by an appropriate Thanksgiving story. Throughout are seen evidences and fruit of the editor's recent travel across the continent, and Mrs. Dodge's inimitable touches everywhere show the heartiness and zeal with which she resumes active editorial management. One long article and two poems in this number bear her signature, and in the Letter-Box she talks pleasantly with the young folks about her delightful journey to California. There is a fine portrait of FRANK R. STOCKTON, accompanied by a sketch of his life. Terms \$3.00 a year; 25 cents a Number. Subscriptions received by the publishers of this paper, and by all booksellers and postmasters.

DR. J. WOODBURY'S DINNER PILLS Are not offered to the public as a remedy for all diseases; but for every form of INDIGESTION, and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public. For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, BILIOUS, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically the Remedy. For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other. Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unremoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system. These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner. Persons who, from Indigestion, have become enfeebled and emaciated have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pill. They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect. In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established. While the Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels. This Dinner Pill is prepared only by DR. J. WOODBURY, Middleton, Annapolis Co., N. S. Price 25 Cents Per Box. ALSO: Dr. J. Woodbury's EYE WATER. Those afflicted with Weak, Irritable, or any, and every description of SORE EYES, DEBILITY of the EYELIDS, &c., will find in this preparation a most prompt, certain, and efficient remedy. A single trial will convince the most skeptical of its merits. Apply at bedtime, rubbing it thoroughly to the lids and corners of the eye. In mild cases, two or three applications will be sufficient; but in severe cases, or those of long standing, its use should be persevered in for several weeks. Prepared only by DR. J. WOODBURY, Middleton, Annapolis Co., N. S. PRICE 25 CENTS A BOTTLE. A liberal discount to the Wholesale Trade. J. WOODBURY, M.D., Proprietor, Middleton, Annapolis Co., N. S. BROWN & WEBB, Wholesale Agents. On sale at BROWN BROS., Halifax, and by Druggists and Grocers generally throughout the province. Nov. 6. 6m. eow.

CATARRH! THE worst and most severe form of Acute, Chronic, or Ulcerative Catarrh successfully treated and permanently cured by OLD DR. HUXLEY'S GOLDEN CURE FOR CATARRH! FOR CATARRH NOT INCURABLE. Our past experience and success has taught us that CATARRH is NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCERATIVE. The final fatality is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed. Also, a disease that is WHOLLY INCURABLE by one remedy, IS EASILY AND PERFECTLY CURABLE BY ANOTHER. OLD DR. HUXLEY'S Golden Cure for Catarrh has been the favorite and prized remedy of an eminent physician in his private practice. During the past two years, where the "Golden Cure" has been advertised and brought to the notice of the Catarrh invalid, over Four Thousand cases have been permanently cured by its use. Hundreds of unsolicited testimonials on file at the Huxley Medical Dispensary bear testimony that Golden Cure for Catarrh is without a parallel in the cure of all Catarrhal affections. I Will Pay \$1,000! For a case of Catarrh that OLD DOCTOR HUXLEY'S GOLDEN CURE FOR CATARRH FAILS TO CURE. Some of the Symptoms of Catarrh: Dull or heavy headache, pressure of blood upon the brain, swelling of the membranes that line the nasal cavities, loss of memory, giddiness, discharges from the head into the throat, bloody and putrid mucus, ringing in the ears, deafness, offensive breath, expectoration of offensive matter, impairment of the smell and taste, the voice is changed, the eyes become inflamed, watery and profuse, indigestion ensues, aggravating all symptoms. The liver, kidneys, &c., are also sensibly and most injuriously affected. It drips into the throat, poisons, and irritates it, causes impairment or loss of voice, and from this point it gradually extends to the lungs, causing INCURABLE CONSUMPTION. Under the influence of the mild, soothing and healing properties of the "Golden Cure," the disease soon yields, and perfect health is again enjoyed. The Golden Cure will be sent to any address on receipt of price, \$1.00 per bottle, \$5.00 for six bottles, or \$9.00 for twelve bottles. For further information, send your address and three-cent stamp for my "New Plan and Special Offer" to catarrh sufferers. DR. CHAS. C. HUXLEY, Huxley Medical Dispensary, June 5. 6m. Palmyra, N. Y.

DEATHS. At Salem, Annapolis Co., Oct 13th, Willard Parker, only son of Edwin G. Dodge, Esq., in the 21st year of his age. During a series of meetings held in that place by the Rev. J. A. McLean, pastor of the Pine Grove Church at that time, our young brother became deeply concerned about the salvation of his soul. He, with others asked for the prayers of the people of God, and was led by the Holy Spirit to cherish a hope in the Lamb of God which taketh away the sin of the world, but did not unite with the church—waiting for a clearer evidence of his acceptance with God. Consumption had marked him for its victim, but being partially deprived of hearing and in a poor state of health could not attend the House of God as he wished to do. As his bodily strength failed his faith took a firmer hold on Christ his Saviour. He was enabled to tell what great things the Lord had done for him. This was a great comfort to his parents and friends. The Bible was his delight and the promises gave him great comfort and joy. When the hour of his departure came he was ready and willing to go and be with Christ which is far better. Our young brother has left parents and a sister to mourn the loss of a son and brother, but with the assurance that their loss is his eternal gain.—Communicated by Rev. W. G. Parker, Middleton, Nov. 1st, 1878.

Isaac Chipman Ross, son of the Rev. Hugh Ross, died on the 9th of October, 1878, at Betts Cove, Newfoundland, aged 24 years. He was the picture of health when he left home in June last, six months ago. "In the midst of life we are in death." His sorrowing parents have the consolation that, he, like the prodigal son, came to himself, saw his folly, and regretted very much having left home. His father received a letter from the minister who attended him in his sickness in the hospital for two months. He expressed his willingness to die and felt no fear of death. He said he firmly believed and trusted in Christ, he had cast his sins on Him and experienced a sense of His forgiving love and looked forward to a happy future.—Com.

At Conquerall, Aylesford, of diphtheria, June 18th, Anna Bell, aged 10 years and 8 months. On June 24th, Zilpha E., aged 4 years, and on July 27th, Seleda May, aged 1 year and 11 months, children of Simeon and Rosanna Gates.

At the same place, July 25th, Mary Emma, aged 5 years and 4 months, and on Aug. 8th, John Melbourne, aged 10 years and 8 months, children of Charles and Lucy Gates.

"Dear as thou wert, and justly dear, We will not weep for thee; One thought shall check the starting tear; It is, that thou art free."
