ANOTHER COMMUNICATION from Mr. Geo. Sewell, dated Moncton, N. B., June 22, 1878.

J. H. Robinson, Esq.—Dear Sir—I wrote you in May last informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lactophosphate of Lime" had made in my case, and, at the same time promising to write from time to time to let you know how I was getting along.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me.

Price \$1.00 per bottle; six bottles for \$5.00.

MASON & HAMLIN ORGANS.—Have you considered the question of having a cabinet or parlor organ in your home? It would be a good thing for entertainment, recreation and cultivation.

But, if you get an organ, get the best. It is miserably economy to buy one of the poor affairs, having inferior quality of tone to start with and which will soon get out of order.

We are led to these thoughts by an advertisement from the famous Mason & Hamlin Organ Co., where cabinet organs rank highest in the world.

INVALIDS, do you wish to gather flesh to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep to feel and know that every fibre and tissue of your system is being braced and renovated?

JOYFUL NEWS For the Afflicted

Granville, N. S., March 27, 1877.

DR. CALEB GATES & Co. Agents.—About 15 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good.

I took a trip to New York, but grew worse after my arrival there: felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time; then I applied to a Doctor, who informed me that I had a combination of diseases, viz: Liver Complaint, Jaundice, Heart Disease, and pains in the back and shoulders.

At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travel around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives.

The cure is an astonishing one, even to myself, therefore after taking a view of the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity.

Personally appeared before me, the subscriber, and testified to the above. ANDREAS BOHAKER, J. P. Dec. 4.

Our past experience and success has taught us that CATARRH IS NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCERATIVE. The final fatality is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed.

OLD DR. HUXLEY'S

VEGETINE Purifies the Blood, Renovates and Invigorates the Whole System. ITS MEDICINAL PROPERTIES ARE Alterative, Tonic, Solvent and Diuretic.

VEGETINE is made exclusively from the juices of carefully-selected barks, roots and herbs, and so strongly concentrated that it will effectually eradicate from the system every taint of SCROFULA, SCROFULOUS HUMOR, TUMORS, CANCER, CARCEROUS HUMOR, ERYSIPELAS, SALT RHEUM, SYPHILITIC DISEASES, CANCER, FAINTNESS at the STOMACH, and all diseases that arise from impure blood.

For ULCERS and ERUPTIVE DISEASES of the SKIN, PUSTULES, PIMPLES, BLOTCHES, BOILS, TETTER, SCALDHEAD and RINGWORM, Vegetine has never failed to effect a permanent cure.

For PAINS IN THE BACK, KIDNEY COMPLAINTS, DROPSY, FEMALE WEAKNESS, LEUCORRHOEA, arising from internal ulceration, and uterine diseases and GENERAL DEBILITY, Vegetine acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretive organs, allays inflammation, cures ulceration and regulates the bowels.

For CATARRH, DYSPEPSIA, HABITUAL COSTIVENESS, PALPITATION OF THE HEART, HEADACHE, PILES, NERVOUSNESS, and GENERAL PROSTRATION OF THE NERVOUS SYSTEM, no medicine has ever given such perfect satisfaction as the Vegetine. It purifies the blood, cleanses all of the organs, and possesses a controlling power over the nervous system.

The remarkable cures effected by Vegetine have induced many physicians and apothecaries whom we know, to prescribe and use it in their own families.

In fact, Vegetine is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.

WHAT IS VEGETINE? It is a compound extracted from barks, roots and herbs. It is Nature's Remedy. It is perfectly harmless from any bad effect upon the system. It is nourishing and strengthening. It acts directly upon the blood. It quiets the nervous system. It gives you good sweet sleep at night. It is a great panacea for our aged fathers and mothers, for it gives them strength, quiets their nerves and gives them Nature's sweet sleep—as has been proved by many an aged person. It is the great Blood Purifier. It is a soothing remedy for our children. It is very pleasant to take; every child likes it. It relieves and cures all diseases originating from impure blood. Try the Vegetine. Give it a fair trial for your complaints; then you will say to your friend, neighbor and acquaintance, "Try it; it has cured me."

Valuable Information. BOSTON, MASS.

MR. H. R. STEVENS.—DEAR SIR,—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit until I commenced taking the Vegetine, and before I had completed the first bottle I saw that I had got the right medicine.

Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man, and my skin is smooth and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of Vegetine. To benefit those afflicted with Rheumatism, I will make mention also of the Vegetine's wonderful power of curing me of this acute complaint, of which I have suffered so intensely.
