JOYFUL NEWS

For the Afflicted

WOODVILLE, CORNWALLIS, } May 3rd, 1877. } MESSRS. C. GATES & Co.,

Gentlemen,—This is to certify that three years ago I was troubled with a bad cough, accompanied with pain and soreness of the lungs for some time. I took one bottle of your No. 1 Bitters, and am happy to say have had good health ever since. My wife was afflicted with biliousness and sick headache for two years and six bottles of your valuable Medicine effected a complete cure and she has better health now than ever she has had for some years. I believe your Medicines are the best ever sold in the Province of Nova Scotia.

Respectfully, CALEB WHEATON WEVERY GOLD MINES, Halifax Co., } Aug. 22, 1877. }

C. GATES & Co.,—Gentlemen,—This is to certify that after suffering for four years of Dyspepsia and Liver Complaint, coughing and spitting of blood, daily anticipating death, that one bottle of Dr. Gates' Life of Man Bitters cured me effectually.

I sincerely recommend it to any one that is suffering from the same disease. JOHN MCKENZIE. (Aged 73 years.) July 3.

PRESERVE AND RESTORE YOUR HORSES,

BY THE USE OF DR. WOODBURY'S Horse Liniment.

It is a desideratum, the want of which has long been seriously felt by proprietors of horses.

All persons who are so situated as to be compelled to keep their horses stabled, know how difficult it is to prevent their feet from becoming feverish, dry, and contracted, with all the innumerable evils attendant on stabling, high feeding, and driving over hard roads.

To all owners of horses so situated, the Proprietor of this Liniment confidently offers it as THE REMEDY, both as a preventive and cure.

Its action is to remove fever and dryness, thereby causing the hoofs which have become hard and brittle, to be softened and elastic, and promotes the rapid growth and full development of soft new hoof in such a manner, as can be best appreciated by being witnessed.

Its beneficial effects are so prompt and decided, as frequently to very far exceed the anticipations of the most sanguine—to excite their admiration—and secure their highest confidence. All horses that are stabled, should have an application of this Liniment to the hoofs of the fore feet, once in every two or three weeks, to prevent their becoming feverish, dry, brittle, hard, contracted, or otherwise injured.

Horses that are foundered, or whose hoofs are contracted, or in any way diseased, should have this Liniment applied to every part of the hoof, every third or fourth day. The more inveterate the case, the more frequent should be the application; and in cases of long standing, should be continued for a sufficient length of time for the old or diseased hoof to become softened, and the growth of the new fully developed.

The Liniment should be applied to every part of the hoof, and rubbed gently into the hair around the upper part of the hoof. It can be best applied with a small brush. While this Liniment is

The only Decidedly Reliable Remedy Known

For all affections of the Horse's Hoof, it is equally efficacious in the removal of Splints, Curbs, Bog Spavins, and in all cases of Bruise or Strain in the Joints or Tendons, and enlargements of any and every description, and given internally, will promptly relieve and remove any and every character of COUGH, ENLARGEMENT OF THE GLANDS, AFFECTIONS OF THE KIDNEYS, &c.

And in our prevailing Horse Distempers, given in doses of a table spoonful, two or three times a day; it is, infallibly,

THE REMEDY!

A Cough which cannot be removed by this Liniment, may be considered incurable. For Coughs, Enlargements of the Glands, or Affections of the Kidneys, give a table spoonful night and morning in their feed.

For Splints, Curbs, Bog Spavins, or Enlargements of any kind, apply it freely to the part, night and morning, until it blisters, which will be readily known by sweating or weeping of the part, which will soon dry, and form a thick scurf or band; allow this to remain until it falls off or rubs off quite easily, which will be in from six to ten days; and then if the enlargement be not entirely removed, repeat the application as before.

As the Proprietor of this Liniment is quite aware of the many worthless nostrums offered to the public at the present time, he would beg to say, that all articles manufactured by him are strictly WARRANTED to effect that for which they are recommended, when used according to directions. Use this preparation thoroughly, for all and every disease of the Horse for which it is recommended. Criticise it closely. Carefully watch, mark, and note its effects; and honestly judging it on its merits, you will be compelled to endorse the sentiment, that NO STABLE SHOULD BE WITHOUT IT.

It is put up in Four Ounce Bottles, at 45 cents per Bottle. A liberal discount to the Wholesale Trade. J. WOODBURY, M.D., Proprietor. Middleton, Annapolis Co., N. S. BROWN & WEBB, Wholesale Agents. On sale at BROWN BROS., Halifax, and by Druggists and Grocers generally throughout the province. Oct. 16. 6m., e o w
