DR. J. WOODBURY'S DINNER PILLS

Are not offered to the public as a remedy for all diseases; but for every form of

INDIGESTION,

and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically the Remedy.

For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other.

Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmovable for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease.

The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, slightly act as an auxiliary to nature, gently stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system.

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

Persons who, from Indigestion, have become emaciated and enervated, have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pill.

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect.

In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established.

While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.

This Dinner Pill is prepared only by

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skillfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

JOYFUL NEWS For the Afflicted

Granville, N. S., March 27, 1877.

DR. CALSB GATES & Co.: Gents,—About 15 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good. I took a trip to New York, but grew worse after my arrival there: I felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time; then I applied to a Doctor, who informed me that I had a combination of diseases, viz: Liver Complaint, Jaundice, Heart Disease, and pains in the back and shoulders. He said he could cure me, and gave me some medicine and plaster to wear on my side. I thought that I felt somewhat better for a while, but after arriving in Halifax grew worse than ever. I left that place and came home. My friends said I was too far gone to last much longer. The doctors here advised me to discontinue using the medicine I had been taking, my knee joints and other parts of my body feeling very weak; they gave me tincture of iron, but it did me but little good. At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travel around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives. The cure is an astonishing one, even to myself, therefore after taking a view of the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity. Since then we have used your Bitters, Syrups, Certain Cure, Liniment, Plaster and Ointment with perfect success. Your Syrup No. 1 we could not do without in our family, we never think of getting out of it any more than we could of flour. We have four small children and I am happy to say have not been obliged to call a doctor in for several years. Whenever they take a cold, which they do frequently, we give them a small dose of No. 1 Syrup before going to bed. In short, I can only say, for coughs, colds, headache, &c., take the No. 1 Syrup before going to bed, perhaps a little in the morning again, follow it up for a few days and you are well again. I cheerfully recommend your medicines to every family, keep it in your houses, and always in readiness and it will save many a drive for a doctor, and large bills.

Yours respectfully, JOHN BOHAKER. Personally appeared before me, the subscriber, and testified to the above ANDREAS BOHAKER, J. P. Dec. 4.

Valuable Information. BOSTON, MASS. MR. H. R. STEVENS:—

DEAR SIR,—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit until I commenced taking the Vegetine, and before I had completed the first bottle I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man, and my skin is smooth and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of Vegetine. To benefit those afflicted with Rheumatism, I will mention also of the Vegetine's wonderful power of curing me of this acute complaint, of which I have suffered so intensely. C. H. TUCKER, Pas. Agt.
