

A butcher was taken before the Stipendiary Magistrate on Saturday, at the instance of the S. P. C. A., for having tied the legs of sheep and lambs in his wagon while bringing them from the depot. He was fined \$2 with the understanding that the next offence would cost \$10.

ANOTHER COMMUNICATION from Mr. Geo. Sewell, dated Moncton, N. B., June 22, 1878.

J. H. Robinson, Esq.—Dear Sir—I wrote you in May last informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lactophosphate of Lime" had made in my case, and, at the same time promising to write from time to time to let you know how I was getting along. I am much better in every way; am stronger; can walk a good long distance without getting tired; Sleep well and eat a hearty meal. In fact I am a new man in every respect, and those who saw me three months ago and see me now, can hardly believe that I am the same person.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c., &c.

Price \$1.00 per bottle; six bottles for \$5.00.

From James Cochran Esq., Patentee of Cochran's Patent Spinning Wheel. Church St., Cornwallis, N. S., February, 27th, 1879.

"My brother had for more than eighteen months suffered with distressing cough and debility, one side of his breast had shrunk in, his strength was fast failing and was to all appearance far gone in consumption; when he commenced using Graham's Pain Eradicator under the proprietors directions. The result of its use was most satisfactory and the cure rapid. He has remained in the enjoyment of good health since using that medicine more than fifteen years ago. We have many times since then proven its efficacy in other forms of disease and pain, and have reason to believe that it has no equal.

JOYFUL NEWS

For the Afflicted!

Port George, Annapolis, N. S., June 12, 187

C. GATES SON & Co.,

Gentlemen,—In the Autumn of 1877, my little boy, about two years old, was in very ill health on account of Worms, which destroyed his appetite and made him peevish and poor; the strongest symptoms of the disease being starting out of a sound sleep and crying loudly. I had never previously used your medicine for any complaints to which children are subject, but concluded to try them in this case. I administered your No. 1 Syrup according to directions, with amazing results. One symptom after another disappeared before it; it carried off Worms four or five inches long, and when only two bottles had been taken, "a perfect cure" was effected. In March last, I gave the little fellow two bottles of your No. 2 Bitters as a Spring Medicine to purify his blood, he having been ailing on account of impurities therein. It cleansed his blood, built him up, so that he increased in health and strength in a very short time, and ever since he has been well and hearty. I may also say two swallows (and not large ones either) of your No. 1 Syrup before mentioned cured me in about fifteen minutes of a very bad cramp and pain in the stomach, such as I never experienced before or since. I can state further that I have seen your Acacia Liniment applied to cattle for the cure of claw distemper (so-called) with most astonishing results. A gentleman of my acquaintance had a pair of oxen severely crippled by this terrible complaint, but by the use of five or six bottles of the Liniment a cure was effected in about ten days. I helped apply the medicine myself, and I know this to be a fact. I am quite sure no Liniment or other preparation in this country could have done so much in a similar case as this Liniment did. I have used your Nerve Ointment with complete success for the cure of sore teats in cows; there is nothing I ever tried or heard of that will cure them so quick.

Yours with gratitude.

ISAAC B. SPINNEY.

Sworn to at Wilmot before me, the undersigned, June 13th 1878.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
