VEGETINE

**Gives a Good, Clear Complexion.**  
PHILA., PA., July 8, 1877.  
**H. R. STEVENS, BOSTON:**  
Dear Sir—The great benefit I have received from the use of Vegetine induces me to give my testimony in its favor. For several years my face has been covered with pimples, which caused me much annoyance, and knowing it to be a blood disease, I consulted a number of doctors, and also tried many preparations without obtaining any benefit, until I commenced taking Vegetine, and before I had used the first bottle I saw I had the right medicine. I have used three bottles and find health much improved, my humor entirely cured.  
Yours resp'y,  
MISS N. KEEFE,  
1130 Carpenter street.

**H. R. STEVENS:**  
Dear Sir—I can cheerfully recommend your Vegetine as the "Great Blood Purifier." I have been ailing from Scrofula for years, and was cured by your Vegetine. I keep it constantly on hand to keep my bowels regular, and am constantly recommending it to all whom I hear needing a remedy like yours.  
Truly yours,  
JOHN McGETTIGAN.  
Being personally acquainted with Mr. McGettigan, I can vouch for him as being reliable in his statement, as I have sold him Vegetine.

JOYFUL NEWS For the Afflicted!

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilmor, who was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope. We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preparations have been thoroughly tested in Nova Scotia for the last 35 years, in some of the most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper, loudly testify. These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female nerve Roots, &c., which make up our compound of different remedies, viz: No. 1, 2 and 3 Bitters; No. 1 and 2 Syrups. These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and gentle physic without gripping or pain, and do not, like many other medicines, leave the stomach and bowels in a worse state than it found them, but will impart a healthy tone and vigor before unknown. These medicines do not contain any calomel or mineral of any name or nature, but are confidently recommended, and may be taken with perfect safety for all kinds of Humors, Fevers, Biliousness, Jaundice, Sour Stomach, Dizziness, Heartburn, Indigestion, Dyspepsia, Sick Headache, Whooping Cough, Colds, Conghs, Stomach and Pin Worms, Asthma, Heart Disease, Pleurisy, Piles, Running Sores, Stoppage of Menses, Measels, Kidney and Gravel Complaints, Consumption, Spitting of Blood, Bronchitis, Erysipelas, and all impurities of the Blood. All admit so effectual a remedy for Dropsy never was known. If your liver is torpid and inactive, if you are troubled with the jaundice only try our medicines, be cured and believe. Ladies in the turn of life will find in them just what they want. Young ladies in particular just budding into womanhood above all others should never be without them, they are what they want at this critical period. Mothers should see to this and provide their daughters with them. Children crying their little lives away while worms eat up their vitals, may be cured, their tormentors killed and driven away by the timely use of these effectual medicines.

We do not pretend to offer them to the public as a perfect cure for every disease, which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and no more. Therefore we submit this statement to those who are willing at least to make a trial; if their judgment we sagaciously await, know it must be the same as thousands have already given. We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the medicinal properties of each article used, as well as the effect the combination will have on the system, consequently we feel safe in recommending our medicines with the greatest confidence. It has become an undeniable fact that when the system has become infected with malignant diseases seated in either the nervous, muscular or glandular parts of the body, it can only be made healthy by cleansing the blood; and this done the disorder lets go its hold and nature resumes her original standing. No medicine that does not therefore strike at this, the root of all diseases, cannot nor should not have any claim to public attention. This blood is the grand consideration, then it becomes the duty of the strong as well as the weak and unhealthy, to guard well this part on which so much of our comfort depends. No one should neglect, especially in the spring of the year, to take a few bottles of the No. 2 Bitters and No. 1 Syrup, which will extract the water and purify the blood, regulate the bowels, increase the appetite, and renovate the system.  
For sale everywhere at 50 cents per bottle. Manufactured by  
C. GATES, SON & CO.,

DR. J. WOODBURY'S DINNER PILLS.

Are not offered to the public as a remedy for all diseases; but for every form of INDIGESTION,

and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically The Remedy.

For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take one or two.

Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system.

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

Persons who, from Indigestion, have become enfeebled and emaciated have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pill.

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect.

In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established.

While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.

This Dinner Pill is prepared only by

Dr. J. Woodbury's EYE WATER.

Those afflicted with Weak, Irritable, or any, and every description of SORE EYES, DEBILITY OF THE EYELIDS, &c., will find in this preparation a most prompt, certain, and efficient remedy. A single trial will convince the most skeptical of its merits.

Apply at bedtime, rubbing it thoroughly to the lids and corners of the eye. In mild cases, two or three applications will be sufficient; but in severe cases, or those of long standing, its use should be persevered in for several weeks.
