

THE BEST RESULTS are pleasantly accomplished by that benign invigorant, antiperiodic and promoter of digestion, appetite and sleep—Northrop & Lyman's Quinine Wine. The laboratory of the chemist never yielded a more salutary preparation, or one in which the ingredients are more completely harmonized. The feeble and nervous derive from it new strength; sufferers from dyspepsia and loss of appetite find that it not only enables them to digest and assimilate properly, but imparts an unwonted relish for food. Invalids usually suffer from depression of mind. There is no better remedy for despondency, originated by ill-health, than this genial tonic. Pure Sherry and aromatic constituents of a choice description, enhance its remedial value, and give it an agreeable flavor. It promotes convalescence following exhausting maladies, stimulates and fertilizes the circulation, and increases the muscular power. Sleeplessness, twitching of the muscles, trembling of the limbs and other manifestations of nervous weakness, are speedily remedied by it. When taken during the absence of the fever, it is a remedy of sterling merit for bilious, intermittent fever. A wine-glassful three or four times a day, will usually be found an effectual preventive of the return of the paroxysms. Intelligent observation and long experience determine the efficacy of the medicine, which has met with wide recognition, and won an unrivalled reputation. No absurd pretensions are put forth in regard to it: the statements in its behalf are plain, straightforward facts, susceptible of convincing proof. Though an advertised remedy, it is in no respect akin to the many cheap nostrums with which the market is flooded. Ask for "Quinine Wine, prepared by Northrop & Lyman, Toronto." All druggists sell it. Dec. & Jan. eow.

At Port Medway, Queens Co., Deacon Charles Atkins, in the 86th year of his age. In early manhood Bro. Atkins united with the Baptist Church. He was afterwards made deacon of the Port Medway Baptist Church, which office he filled until his death. His life was an evidence of what the grace of God in the heart can do. During the ten or twelve weeks of his sickness, he was trusting alone in Christ his Saviour. He longed for the hour to come when he should be set free from pain and sorrow. That hour came on Sabbath morning, Nov. 23rd, when he left a large circle of mourning relatives and friends to join the host of the redeemed. A. N. R.

CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION OF COD LIVER OIL, with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable" and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sept. 2, 1876. Gents—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.

C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne—Gentlemen:—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

Very truly, J. SIMONAUD, M. D., New Orleans, La.

December 10th, 1878.

Messrs. Scott & Bowne: Gentlemen:—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Very truly yours, H. F. SLOCUM, Lowell, Mass.
