

INVALIDS, do you wish to gather flesh to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep to feel and know that every fibre and tissue of your system is being braced and renovated? If so, commence at once and use the Quinine Wine prepared by Northrop & Lyman of Toronto, and in a short time you will feel the wholesystem invigorated and strengthened. It is a well-known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility, this combination will be found superior to all other preparations. And combined as it is with fine sherry wine and choice aromatics, it is made an agreeable and pleasant invigorator to the whole system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom requires more than one or two bottles to effect a decided benefit, as it contains nothing injurious to the most delicate constitution. Remember to ask for the "Quinine Wine prepared by Northrop and Lyman, Toronto," and we are sure you will be satisfied that you have full value for your money. Sold by all Medicine Dealers.

**Marriages.**

At Granville Street Baptist Chapel, Halifax, Nova Scotia, on Thursday, 29th May, 1879, by the Pastor, Rev. E. M. Saunders, M. A., Flora Eliza St. Clair, eldest daughter of Henry N. Paint, to S. Theodore Mander, eldest son of Samuel S. Mander, Esq., of Glenbank, Tetten Hall, Wolverhampton, England.  
At Wallace, on 24th ult., by Rev. H. Bool, Mr. Asa Wood, to Christiana, daughter of Mr. John O'Brien.  
At Freeport, May 23rd, 1879, by Rev. L. M. Weeks, Mr. Gilbert Bates, to Miss Cynthia Thurber, both of Freeport.  
At Advocate Harbor, Cumberland Co., May 11th, by Rev. J. F. Kempton, Mr. Frank Slater, to Miss Eunice Morris, both of Eatonville.  
At Three Sisters, Cumberland Co., on the 26th of May, by the same, Mr. John F. Matthews, of Cape Wolfe, N. B., to Miss Etta V. Green, of Three Sisters.  
At Afton, on the 24th May, by the Rev. A. C. Macdonald, James Warren, Esq., of Goldenville, Guysboro Co., to Mrs. Sabina Hulbert, of the former place.  
On Monday, May 26th, by Rev. J. W. Manning, Robert J. McLeod, to Frederica S. McDonald, both of Halifax.

**Deaths.**

At Chester Basin, on the 22nd May, Rhoda E. Zwicker, aged 5 years.  
On Western Shore, the 24th May, Mr. Peter Kiser, in the 83rd year of his age.  
Fell asleep in Jesus on Sabbath, May 18th, at Isaac's Harbor, Mr. Allen McMillan, Senr., aged 72 years. He was the last of the four pioneers, who with their wives came to this place from Lewis Head, Shelburne Co., some forty-three years ago. Our brother experienced the renewing influences of the Holy Spirit in early life, but was prevented by a sense of his unworthiness, from uniting with the people of God until some twenty-four years ago, when he was baptized by Rev. H. Eagles. Bro. M's. life was that of a consistent Christian, and although during the ten months of intense suffering which he endured he would sometimes fear the approach of death, yet when the messenger came he found our brother ready, calmly and peacefully resting on the finished work of Christ, and he was enabled to realize that  
"Jesus can make a dying bed,  
Feel soft as downy pillows are;  
While on his breast I lean my head,  
And breathe my life out sweetly there."  
The event was improved by a sermon from Job xix. 25-27. Our brother leaves a widow and several children to mourn their loss, the most of whom have the religion of Jesus Christ to sustain them in their bereavement.—A. E. INGRAM.  
Suddenly at New Annan, May 2nd, Janie, daughter of Robert Wilson, aged 14 years. The departed obtained a good hope through grace and intended to have been baptized and join the church, but it has pleased our Father to take her to the Church triumphant. May the Lord bless the stricken family. Also Nettie Hynds, aged 19 years, with a prospect of a better home beyond the flood. Her loss is deeply felt, but we trust the bereavement will prove a blessing to her numerous friends.—D. W. CRANDAL.  
At Publico, on the 5th of May, after a lingering and distressing sickness, Manson, son of Reuben and Catherine Larkin, aged 22 years. His amiability and intelligence endeared him to all who made his acquaintance. He had not made a profession of religion and during the greater part of his illness he seemed to be seeking the Lord, but did come fully into the light until a few hours preceding his death. Then the Sun of righteousness shone into his soul with healing beams, dispelling all the darkness and enabling him to rejoice with joy unspeakable and full of glory.  
At Wood's Harbor, on the 8th of May, after 6 months gradual decline, Edmund, son of Israel and Reliance Chute, of Brookville, Digby Co., aged 19 years. About three weeks previous to his death he was baptized and united with the Wood's Harbor Baptist Church. Throughout his sickness he was not heard to utter a complaint. He seemed to be completely resigned to the will of God and careful for nothing. The grief of his parents though heavy indeed is perhaps not greater than that of his uncle and aunt, H. Chute, Esq., and wife with whom he spent the last two years of his life, and from whom he received such kindness and attention as even a mother could not exceed.  
At the Poores' Asylum, on the 24th May, Joanna Conway, aged 53 years.  
On Sunday, June 1st, Elizabeth Walsh, aged 17 years.

On the 29th May, Sophia Augusta Head, widow of the late Samuel Head, Esq., M. D., aged 94.  
On Wednesday, May 28th, John M. Davidson, aged 72 years.  
At Dalhousie West, on Monday, May 10th, Elizabeth, relict of the late Stephen Hannan, aged 100 years.  
On the 30th of May, Catherine Glen, widow of the late John R. Wilson, aged 62 years.  
On the 29th of May, Miss Sophia S. Deal, aged 63 years, second daughter of John and Susan Deal.—(New York papers please copy).  
At the Kempt Road, Richmond Co., on the 28th May, Christy McDonald, aged 89 years, relict of the late Angus McDonald.  
On May 20th, at the house of Mr. Jas. Sandford, Pero, Elizabeth, aged 89 years, relict of the late Nathan Loomer, of Pereaux. Baptized many years ago, by Mr. Manning, until the time of her death she remained a consistent and respected member of the 1st Cornwallis Baptist Church. Her death was full of glad triumphing in Christ.

**DR. J. WOODBURY'S DINNER PILLS.**

Are not offered to the public as a remedy for all diseases; but for every form of **INDIGESTION,** and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.  
For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically the Remedy.  
For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other.  
Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Liver, and consequently health and vigor to the whole system.  
These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.  
Persons who, from Indigestion, have become enfeebled and emaciated have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pills.  
They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect.  
In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established.  
While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.  
This Dinner Pill is prepared only by

**JOYFUL NEWS For the Afflicted!**

Port George, Annapolis, N. S., June 12, 187 C. GATES SON & CO.,—  
Gentlemen.—In the Autumn of 1877, my little boy, about two years old, was in very ill health on account of Worms, which destroyed his appetite and made him peevish and poor; the strongest symptoms of the disease being starting out of a sound sleep and crying loudly. I had never previously used your medicines for any complaints to which children are subject, but concluded to try them in this case. I administered your No. 1 Syrup according to directions, with amazing results. One symptom of another disappeared before it; it carried off Worms four or five inches long, and when only two bottles had been taken, "a perfect cure" was effected. In March last, I gave the little fellow two bottles of your No. 2 Bitters as a Spring Medicine to purify his blood, he having been ailing on account of impurities therein. It cleansed his blood, built him up, so that he increased in health and strength in a very short time, and ever since he has been well and hearty. I may also say two small worms (and not large ones either) of your No. 1 Syrup were mentioned, cured me; about fifteen minutes of a very bad cramp and pain in the stomach, such as I never experienced before or since. I can state further that I have seen your Acadia Liniment applied to cattle for the cure of claw distemper (so-called) with most astonishing results. A gentleman of my acquaintance had a pair of oxen severely crippled by this terrible complaint, but by the use of five or six bottles of the Liniment aforesaid, a cure was effected in about ten days. I helped apply the medicine myself and know this to be a fact. I am quite sure no Liniment or other preparation in this country could have done so much in a similar case as this Liniment did. I have used your Nerve Ointment with complete success for the cure of sore teats in cows; there is nothing I ever tried or heard of that will cure them so quick.  
Yours with gratitude,  
ISAAC B. SPINNEY.  
Sworn to at Wilmot before me, the undersigned, June 13th 1878.

**Ayer's Cherry Pectoral**

**For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.**

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. **CHERRY PECTORAL** always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.  
As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health. This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.  
Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
