

A STORY OF TWINS.—Two brothers in Groveland, Mich., Samuel and James Wilkins, are twins, and were born in 1799. They married sisters on the same day, and have had a happy married life of it on adjoining farms these many years. They are so much alike they can hardly be told apart. When one has a fever or any sickness the other is sure to be similarly and simultaneously affected.

The Town Council of Edinburgh have resolved, by a majority of 14, to petition in favor of marriage with a deceased wife's sister.

INJECTION OF MILK INTO VEINS.—The Freeman's Journal says that transfusion of milk into the blood of a patient dying from exhaustion was performed at the Provident Infirmary, Dublin, recently, by Drs. Meldon and MacDonnell. Although apparently having only a few moments to live when the operation was undertaken, the patient has since recovered. About a pint of milk was taken from a cow lent for the occasion, and was directly injected into the vein.

READ THIS TWICE.—Five to thirty drops of THOMAS' ELECTRIC OIL, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years' standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For disease of the Spine and Contraction of the Muscles it is unequalled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. It is worth its weight in gold. Why not buy it to-day?—A. B. DESROCHERS, assistant postmaster, Arthabaska-ville, P. Q., writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used 'Thomas' Electric Oil' for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, of Wyoming, N. Y., writes, "Dr. Thomas' Electric Oil cured me of Bronchitis in ONE WEEK."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. THOMAS is on the wrapper, and the name of Northrop and Lyman are blown in the bottle, and TAKE NO OTHER. Sold by all medicine dealers. Price, 25 cts. NORTHROP & LYMAN Toronto, Ont., Proprietors for the Dominion. NOTE—ELECTRIC—Selected and Electro-ized. Oct. 9. 2m. eow.

At Torbrook, Nictaux, Dec. 19th, 1878, J. B. Banks, third daughter of Deacon Rufus Banks, having experienced a change by the grace of God last Spring during a revival of religion at Torbrook. She had no fears. Christ was all in all to her. May God sustain the afflicted family.

At Torbrook, Nictaux, Feb'y 10th, 1879, Sister Elizabeth Felch, aged 77 years, wife of Deacon Clark Felch, of Torbrook. Our sister had long been a member of the church and had adorned her profession. At Newport, on the 12th of Feb'y, Mrs. Ichabod Dimeck passed away in the 97th year of her age. She survived her husband nearly a quarter of a century. She was a beloved and honored member of the Newport Baptist Church for about 50 years. She was a mother in Israel—intelligent and strong in the faith, therefore able to teach others. She was kind, cheerful and trustful to the very last, and drank from the Bible as from a fountain of living waters. Her conflict is over, and her victory is won. "Blessed are dead who die in the Lord."

At Newport, on the 9th of Feb'y, 1879, Thos. Burgess, departed this life, in his 26th year. He endured his trying illness with patience and resignation, and looked to the Lord his Redeemer for remission and eternal life.

At Osborne, Shelburne Co., on the 31st of December, of diphtheria, Grace Estelle, beloved and only daughter of Capt. Wm. and Martha Harding, aged 8 years and 28 days.

Death spreads his with'ring, wintry arms, And beauty smiles no more: Ah! where are now those rising charms Which pleased our eyes before? Hope looks beyond the bounds of time, When what we now deplore Shall rise in full immortal prime, And bloom to fade no more.

At Hartford, Cumberland Co., on the 10th Dec., Amanda, the beloved wife of Deacon John Crawford. Sister Crawford was born at Westchester in the year 1811, moved to Wallace, with her parents, 1817, where she was married in the year 1820. She has been a devoted member of the church at Wallace for 25 years; and when she had finished her course, she met death with calmness and fortitude. Her funeral sermon was preached by Rev. Saml. Thomson, from 2 Cor. v. 1.

At Farmington, Feb. 9th, 1879, Walter Welton, aged 70 years. Our brother had long been a professor of religion and, I learn, a consistent member of the church. W. J. B.

At New Germany, on the 10th inst., Manson, son of Joel and Lettia Spidle. His end was peace.

At Greenfield on the 17th of January, Patience Moore, widow of the late Thos. D. Moore aged 87 years. Mrs. Moore formerly lived near Bridgetown, where she professed faith in Jesus, was baptized by Rev. N. Vidito, and united with the Baptist Church in Wilmot in 1840. She removed to North Brookfield and thence to Labell, Queens county, where with her husband she united with the Baptist Church in Greenfield, of which she remained a member until death. She longed to see Jesus and peacefully fell asleep in Him. Her funeral sermon was preached by the Rev. A. J. Cogswell from Rev. xiv. 13.

At Brooklyn St., Cornwallis, on Saturday, Dec. 19th, 1878, Mrs. Ann Skinner, widow of the late David Skinner, aged 84. She was beloved by all who knew her. For many years she had been a member of the Biltown Baptist Church. Her walk and conversation indicated deep and fervent piety. At the funeral a discourse was preached by the Rev. JOYFUL NEWS

For the Afflicted!

Granville, N. S., March 27, 1877. DR. CALER GATES & Co.:

Gents.—About 16 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good. I took a trip to New York, but grew worse after my arrival there: felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time; then I applied to a Doctor, who informed me that I had a combination of diseases, viz: Liver Complaint, Jaundice, Heart Disease, and pains in the back and shoulders. He said he could cure me, and gave me some medicine and plaster to wear on my side. I thought that I felt somewhat better for a while, but after arriving in Halifax grew worse than ever. I left that place and came home. My friends said I was too far gone to last much longer. The doctors here advised me to discontinue using the medicine I had been taking, my knee joints and other parts of my body feeling very weak; they gave me tincture of iron, but it did me but little good. At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travel around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives. The cure is an astonishing one, even to myself, therefore after taking a view of the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity. Since then we have used your Bitters, Syrups, Certain Check, Liniment, Plaster and Ointment with perfect success. Your Syrup No. 1 we could not do without in our family, we never think of getting out of it any more than we could of flour. We have four small children and I am happy to say have not been obliged to call a doctor in for several years. Whenever they take a cold, which they do frequently, we give them a small dose of No. 1 Syrup before going to bed. In short, I can only say, for coughs, colds, headache, &c., take the No. 1 Syrup before going to bed, perhaps a little in the morning again, follow it up for a few days and you are well again. I cheerfully recommend your medicines to every family, keep it in your houses, and always in readiness, and it will save many a drive for a doctor, and large bills.

Yours respectfully, JOHN BOHAKER.

Personally appeared before me, the subscriber, and testified to the above. ANDREAS BOHAKER, J. P. Dec. 4.

DR. HALL'S ELECTRIC BELTS.

For the cure of all nervous diseases, without the least derangement of the patient's habits or daily occupation. This appliance exerts powerful and beneficial influence throughout the whole frame; is applicable to either sex, and affords instantaneous relief in the following diseases:

RHEUMATISM, NEURALGIA, DYSPEPSIA, LUMBAGO, GENERAL DEBILITY, HEADACHES, DIZZINESS, IMPOTENCY, SPERMATORRHOEA, SEXUAL EXHAUSTION, SELF ABUSE, PREMATURE DECAY, &c.

These Belts are the result of the most profound research and experiment in Electro-Therapeutics, and by their peculiar construction, a continuous "galvanic current" is generated, which permeates the whole frame, and especially envelopes the suffering parts with its gentle influence. This current assimilates closer to the NERVOUS FLUID than any thing known to Medical Science—hence its potency as a curative agent.

Most especially is the application of Electricity in this form beneficial to those disorders arising from youthful indiscretion, sexual excess or dissipation of any kind, whereby the pro-creative powers are lessened and impotency threatened. No false delicacy or sense of shame should prevent the sufferer, subject to restless nights, night-mare, dreams, palpitation of the heart, neuralgia, dimness of sight and other symptoms of nervous and physical debility, applying to the undersigned for relief.

These Belts are light, perfectly flexible, and easily adjusted, all of which, together with their cheapness, renders them superior to any other form, for the application of Electricity, medicinally.

50,147 of these belts were sold in Europe in the year 1876.

"Electricity is Life,"

And no remedy can be compared to it for the treatment of IMPOTENCY and loss of nervous vitality.

This Belt is recommended by the most eminent physiologists of this country and Europe.

"Ingenious, wonderful—a death blow to the old system of drugging."—London (Eng.) Lancet.

"You have perfected a great blessing on suffering humanity."—Dr. Richardson, London, Eng.

"Wonderful for the restoration of exhausted vitality."—Dr. Ferriar, London, Eng.

"I cheerfully recommend Dr. Hall's Electric Belt, and consider it one of the greatest blessings to mankind that has been put before the public."—Dr. DeBarr, Paris.
