An oriental traveller describes this busy scene, witnessed on historic shores: "Our steamer landed on a beach which was the port of Antioch, where the disciples were first called Christians. There was at the water's edge, no people, no wharf. The passengers and the merchandise were put ashoro in lighters, which ran up into the sand. A troop of camels with their drivers, lay on the beach, ready to transfer the goods into the interior. Among the articles landed were boxes marked 'Dr. J. C. AYER & Co., LOWELL, MASS, U. S. A.' showing that they contained medicines and whence they came. These with other goods were hoisted on the backs of camels. for transportation to Antioch. DR. J. WOODBURY'S DINNER

Are not offered to the public as a remedy for all diseases; but for every form of

INDIGESTION and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically The

Remedy.

For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other.

Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks. will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system.

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

Persons who, from Indigestion, have become enfeebled and emaciated have been restored to health, and become fieshy, plump and vigorous, by the use of the Dinner Pi

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired

In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established. While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.

This Dinner Pill is prepared only by DR. J. WOODBURY,

Middleton, Annapolis Co., N. S Price 25 Cents Per Box. ALSO:

Dr. J. Woodbury's EYE WATER. Those afflicted with Weak, Irritable, or any, and every description of SORE EYES, DEBILITY of the EYELIDS, &c., will find in this preparation a most prompt, certain, and efficient remedy.

A single trial will convince the most skeptical of its merits. Apply at bedtime, rubbing it thoroughly to the lids and corners of the eye. In mild cases, two or three applications will be sufficient; but in severe cases, orthose of long standing, its use should be persevered in for several weeks.

Prepared only by Dr. J. WOODBURY, Middleton, Ana. Co., N. S. A liberal discount to the Wholesale Trade. J. WOODBURY, M.D., Proprietor. Middleton, Annapolis Co., N. S. Brown & Webb, Wholesale Agents.

of children are STARVED TO DEATH every year by improper or insufficient food. Remember, RIDGE'S FOOD

Is all and a great deal more than we have claimed for it. It is simply a HIGHLY NUTRITIOUS and easily assimilated FOOD, grateful to the most delicate and irritable stomach, and especially adapted for the INFANT and GROWING CHILD. Invalids, Nursing Mothers,

and those suffering from Indigestion will find on trial that RIDGE'S FOOD FOR INFANTS AND INVALIDS, is all they can desire. It is carefully put up Constant users will find our No. 4 size

(always the most economical size to buy) now much larger than formerly, thus materially lessening the expense.
