

### WHITELEY'S TORONTO MOWER.

FOR SIMPLICITY. FOR DURABILITY. FOR LIGHTNESS OF DRAUGHT. FOR CONVENIENCE OF HANDLING. FOR EASE OF ADJUSTMENT. FOR ADAPTABILITY TO ALL CIRCUMSTANCES. FOR NOISELESS ACTION. FOR QUALITY OF MATERIAL, AND FOR EXCELLENCE OF WORKMANSHIP NOW STANDS PRE-EMINENT.

#### THOUSANDS

of CANADIAN FARMERS who have used all other kinds and thoroughly tested the TORONTO MOWER, testify to its great superiority. The great success of the TORONTO MOWER has excited the jealousy of all rivals, and hence many of those interested in the sale of other machines, do not hesitate to make the grossest misrepresentations concerning it. All we ask of Farmers is to EXAMINE and JUDGE FOR THEMSELVES, which they may do by applying to the nearest agent, whose name will be furnished on application, or by calling personally at our address.

### The Toronto Reaper,

is driven by the same NEW MECHANICAL GEAR as the mower, reducing the machinery as in the Mower, to less than one-half of what it is in other harvesting machines, and doing away with the noisy clatter and friction of the old style cumbersome gearing.

It is perfectly under control of the driver, marvellous in its ease of adjustment and adaptability to all conditions of the crop. Thoroughly built of the best materials and is in short a fit companion to the TORONTO MOWER.

FROM PROFESSOR LAWSON, Secretary Central Board of Agriculture of Nova Scotia, Dalhousie College, Halifax, May 6th, 1879.

DEAR SIR, I am glad to hear that you are about to resume the agency for the North British Co.'s "Nutritious Condiment," originally introduced by you in 1872. It was then well appreciated by horsemen, cattle feeders and dairymen in this Province, and the animals shown at the Provincial Exhibition in October 1874, for the special prizes offered by you, were very creditable and attracted much attention.

I am, dear sir, Yours truly, GEORGE LAWSON. George Fraser, Esq.

Halifax, 7th May, 1879. This is to certify that for many years past I have known the North British Cattle Food Co.'s Nutritious Condiment to be used extensively in London, Liverpool, Manchester, Edinburgh, and Glasgow, and in every instance it has proved itself to be a most useful article, in fact "the only one that I know of that can be relied upon." It was used largely amongst the horses of my own regiment during the late epizootic. It is an invaluable preventative in both horses and cattle of colic and febrile diseases, so common in spring and autumn.

At the Exhibition of the Royal Agricultural Society of England, held at Swansea in 1872, numbers of the owners of cattle who obtained prizes, acknowledged "that it was due to the effects of this Condiment." ### JOYFUL NEWS For the Afflicted!

Port George, Annapolis, N. S., June 12, 1877

C. GATES SON & Co.—Gentlemen.—In the Autumn of 1877, my little boy, about two years old, was in very ill health on account of Worms, which destroyed his appetite and made him perish and poor; the strongest symptoms of the disease being starting out of a sound sleep and crying loudly. I had never previously used your medicines for any complaints to which children are subject, but concluded to try them in this case. I administered your No. 1 Syrup according to directions, with amazing results. One symptom after another disappeared before it; it carried off Worms four or five inches long, and when only two bottles had been taken, "a perfect cure" was effected. In March last, I gave the little fellow two bottles of your No. 2 Bitters as a Spring Medicine to purify his blood, he having been alling on account of impurities therein. It cleansed his blood, built him up, so that he increased in health and strength in a very short time, and ever since he has been well and hearty. I may also say two swallows (and not large ones either) of your No. 1 Syrup before mentioned cured me in about fifteen minutes of a very bad cramp and pain in the stomach, such as I never experienced before or since. I can state further that I have seen your Acadia Liniment applied to cattle for the cure of claw distemper (so-called) with most astonishing results. A gentleman of my acquaintance had a pair of oxen severely crippled by this terrible complaint, but by the use of five or six bottles of the Liniment a cure was effected in about ten days. I helped apply the medicine myself, and do not know it to be a fact. I am quite sure no Liniment or other preparation in this country could have done so much in a similar case as this Liniment did. I have used your Nerve Ointment with complete success for the cure of sore teats in cows; there is nothing I ever tried or heard tell of that will cure them so quick. Yours with gratitude, ISAAC B. SPINNEY. Sworn to at Wilton before me, the undersigned, June 13th, 1878. WALLACE PHINNEY, J. P. Mar. 5.

### Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, LOWELL, MASS. BROWN & WEBB, Halifax, Dec. 11. 1y. Wholesale Agents,
