DR. J. WOODBURY'S DINNER PILLS

Are not offered to the public as a remeay for all diseases; but for every form of

INDIGESTION, and the innumerable train of sadly dis-tressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IR-REGULAR ACTION OF THE HEART, &c., these Pills are emphatically The Remedy.

For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other.

Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temperary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

to the whole system.

Persons who, from Indigestion, have become enfeebled and emaciated have been restored to health, and become fieshy, plump and vigorous, by the use of the Dinner Pill.

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary | These Belts are the result of the most from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired

In obstinate cases, the use of the Dinner Pills should be continued every day for several weeks, until a regular healthy action of the system be fully established. While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels. This Dinner Pill is prepared only by

Cherry Pectoral

For Diseases of the

Throat and Lungs,

Whooping Cough,

Bronchitis, Asthma,

and Consumption.

The reputation it has attained, in consequence of the maryellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords in-

the more formidable diseases of the lungs. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

Granville, N. S., March 27, 1877.

DR. CALEB GATES & Co. : Gents,-About 15 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good. I took a trip to New York, but grew worse after my arrival there: felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time: then I applied to a Doctor, who informed me sicians and Medical Societies throughout that I had a combination of diseases, viz.: the country, sold in bottles at two dollars Liver Complaint, Jaundice, Heart Disease, each or three bottles which is enough to and pains in the back and shoulders. He cure the most aggravated case, sent to said he could cure me, and gave me some medicines and plaster to wear on my side. I thought that I felt somewhat better for a while, but after arriving in Halifax grew. worse than ever. I left that place and came home. My friends said I was too far gone to last much longer. The doctors here advised me to discontinue using the medicine I had been taking, my knee joints and other parts of my body feeling very weak; they gave me tincture or iron, but it did me but little good. At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travei around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives. The cure is an astonishing one, even to myself, therefore after taking a view of

the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity. Since then we have used your Bitters, Syrups, Certain Check, Liniment, Plaster and Ointment with perfect success. Your Syrup No. 1 we could not do without in our family, we never think of getting out of it any more than we could of flour. We have four small children and I am happy to say have not been obliged to call a doctor in for several years. Whenever they take a cold, which they do frequently, we give them a small dose of No. 1 Syrup before going to bed. In short, I can only say, for coughs, colds, headache, &c., take the No. 1 Syrup before going to bed. perhaps a little in the morning again, follow it up for a few days and you are well again. I cheerfully recommend your medicines to every family, keep it in your houses, and always in readiness, and it will save many a drive for a doctor,

and it will say and large bills.
Yours respectfully,
JOHN BOHAKER. Personally appeared before me, the sub-scriber, and testified to the above. ANDREAS BOHAKER, J. P.
