MESSES. T. GRAHAM & SON,
 DEAR SIRS,—It gives me great pleasure to inform you of my perfect cure of CATARRH, from which I have suffered in its most severe form for 12 years without being able to find a remedy for it, and I had long thought that nothing could cure me, but thanks to Providence and the use of your valuable preparation, CATARRHINE, I have been completely cured of that distressing and, I might say disgusting complaint, and I only used one box. I can confidently recommend it to any suffering from that complaint. Price 25 cents a box.
 Yours truly,
 C. F. F. SCHOPPE.

VEGETINE

A Home in the Celestial City.
 MINNEAPOLIS, MINN., Dec. 18, 1878.

H. R. Stevens, Boston:
 About nine and a half years ago I had a fever; the doctor gave me some poisonous medicine, drove the disease into my leg, and it broke out, and has been from two to ten running sores ever since. I could not sleep a fourth of a night once in six months, and a great many nights was compelled to get up and take opium—apiece as large as a pea—to deaden the pain. I have tried everything I could hear of, in fact, I have paid out hundreds of dollars and found no relief until I commenced taking Vegetine, and now I can go to bed at eight o'clock at night and sleep until seven o'clock in the morning, and no occasion to waken from pain. I was used up, perfectly dead inwardly, and frequently when I would get up, would be dizzy, and have to put my hand on something to keep from falling; but since I commenced taking Vegetine it has all disappeared, and I feel like a new man. My honest conviction is that it will cure my leg entirely, from the present looks and feelings. I shall continue taking Vegetine, and recommend it to all whom I come across; and I hope the man who introduced Vegetine into the United States will have a home in the Celestial City.
 Yours most sincerely,
 W. S. LEACH.

Mr. Leach is a gentleman well known here and is the owner of the CELEBRATED TURBINE WATER WHEEL.

Scrofula, Liver Complaint, Dyspepsia, Rheumatism, Weakness.

H. R. Stevens, Boston:
 I have been practising medicine for 25 years, and as a remedy for Scrofula, Liver Complaint, Dyspepsia, Rheumatism, Weakness, and all diseases of the blood, I have never found its equal. I have sold Vegetine for 7 years and have never had one bottle returned. I would heartily recommend it to those in need of a blood purifier.

CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable," and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anæmia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sempt. 2, 1876.
 Gents—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.
 C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne—Gentlemen.—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.
 Very truly,
 J. SIMONAUD, M. D., New Orleans, La.
 December 10th, 1878.

Messrs. Scott & Bowne—Gentlemen.—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.
 Very truly yours,
 H. F. SLOCUM, Lowell, Mass.

JOYFUL NEWS For the Afflicted!

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilton, who was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope. We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preparations have been thoroughly tested in Nova Scotia for the last 50 years, in some of the most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper, loudly testify. These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female nerve Roots, &c., which make up our compound of different remedies, viz: No. 1, 2 and 3 Bitters; No. 1 and 2 Syrups. These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and gentle physic without griping or pain, and do not, like many other medicines, leave the stomach and bowels in a worse state than it found them, but will impart a healthy tone and vigor before unknown. These medicines do not contain any calomel or mineral of any name or nature, but are confidently recommended, and may be taken with perfect safety for all kinds of Humors, Fevers, Biliousness, Jaundice, Sour Stomach, Dizziness, Heartburn, Indigestion, Dyspepsia, Sick Headache, Whooping Cough, Colds, Coughs, Stomach and Pin Worms, Asthma, Heart Disease, Pleurisy, Piles, Running Sores, Stoppage of Menes, Measles, Kidney and Gravel Complaints, Consumption, Spitting of Blood, Bronchitis, Erysipelas, and all impurities of the Blood. All admit so effectual a remedy for Dropsy never was known. If your liver is torpid and inactive, if you are troubled with the jaundice only try our medicines, be cured and believe. Ladies in the turn of life will find in them just what they want. Young ladies in particular just budding into womanhood above all others should never be without them, they are what they want at this critical period. Mothers should see to this and provide their daughters with them. Children crying their little lives away while worms eat up their vitality, may be cured, their tortures killed and driven away by the timely use of these effectual medicines.

We do not pretend to offer them to the public as a perfect cure for every disease, which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and no more. Therefore we submit this statement to those who are willing at least to make a trial; their judgment we sanguinely await, know it must be the same as thousands have already given. We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the medicinal properties of each article used, as well as the effect the combination will have on the system, consequently we feel safe in recommending our medicines with the greatest confidence. It has become an undeniable fact that when the system has become infected with malignant diseases seated in either the nervous, muscular or glandular parts of the body, it can only be made healthy by cleansing the blood; and this done the disorder lets go its hold and nature resumes her original standing. No medicine that does not therefore strike at this, the root of all diseases, cannot nor should not have any claim to public attention. The blood is the grand consideration, then it becomes the duty of the strong as well as the weak and unhealthy, to guard well this part on which so much of our comfort depends. No one should neglect, especially in the spring of the year, to take a few bottles of the No. 2 Bitters and No. 1 Syrups, which will extract the water and purify the blood, regulate the bowels, increase the appetite, and renovate the system.
