At Amherst, September 19th, Charlotte Augusta, aged 27 years, wife of Mr. John N. Wells, of Harvey, Albert Co., N. B., third daughter of Rev. George F. Miles. Of a sweet disposition, she added to natural grace of character the charms of an abiding trust in the Saviour, and during a long illness patiently endured as seeing Him who is invisible.

At Amherst, Sept. 21st, Harry D. McCully, eldest son of the late Robt. McCully, Esq., aged 22. Death overtook our young brother in the midst of his enterprises. Full of energy, he planned largely, but the stroke fell relentlessly, cutting down the first born of a widowed mother—Baptized in 1876, he had exactly three years to serve the Master in the church as Clerk—and in one of our Sunday Schools as Teacher, he gave promise of a life of usefulness. But the Lord of the vineyard bade him lay aside his earthly implements, and enter that world where his servants shall still serve Him.

At West Brook, Cumberland Co., Sept. 21st, Abbie, daughter of the late John Scott, aged 25 years. Sister S. was a member of the Amherst Church. In health and during a lengthened illness, she gave good evidence of having been united by personal faith to a loving Redeemer, and dying, calmly and triumphantly went out of the body to God.

Thus three of the young members of our church were summoned on high together.—Com. by Rev. D. A. STEELE.

Aug. 18th, on the Western Shore, Mrs. Ann Keiser, widow of the late Peter Keiser, in the 80th year of her age. Many years ago she professed faith in Christ, and joined the Baptist Church in Chester, of which she continued a consistent member till removed by death to the church above.

At Upper Pexaux, on the 18th inst., Rosalinda, beloved wife of Mr. Samuel Ellis, in the 94th year. Her sudden removal was improved by a sermon on the occasion of her funeral, by Rev. S. March, from 1 Cor. xv. 59: "Thanks be to God who giveth us the victory through our Lord Jesus Christ."

At Stark, Florida, Sept. 13th, Joseph B., fourth son of Jos. and Mary E. Thomas, and grand son of the late Rev. T. C. Delong. He was baptized by the Rev. I. J. Skinner, and united with the Church at Chester. When quite young, not long after he went with his parents to Massachusetts, and united with the First Baptist Church of Lynn, and remained a consistent member until his death. Three years last month he came to Florida, for his health, which improved during the past summer, but in the Fall he was taken down and when wholly recovered again, he died of Consumption, which he bore with Christian fortitude, trusting in Jesus. Was a member of the temperance cause.

[WESLEYAN please copy.]

At Westport, on the 24th of Sept. 1879, A. W. W. wife of Mr. James Peters, aged 75 years. Sister Peters had been for a long time a member of the Baptist Church in this place. She walked consistently with the church, always evincing unwavering faith in God; a faith born of a regenerate heart; supporting her through a painful illness, lasting nearly two years, and in the last trying hour that faith was triumphant.

VEGETINE Gives a Good, Clear Complexion.

PHILA., PA., July 8, 1877. H. R. STEVENS, BOSTON:

Dear Sir—The great benefit I have received from the use of Vegetine induces me to give my testimony in its favor. For several years my face has been covered with pimples, which caused me much annoyance, and, knowing it to be a blood disease, I consulted a number of doctors, and also tried many preparations without obtaining any benefit, until I commenced taking Vegetine, and before I had used the first bottle I saw I had the right medicine. I have used three bottles and find health much improved, my humor entirely cured. Yours respy, MISS N. KEEFE, 1130 Carpenter street.

Vegetine. Reports from Ottawa.

OTTAWA, CANADA, Dec. 31, 1878. MR. H. R. STEVENS, BOSTON, MASS.:

Sir—I have used your Vegetine in my family for several years, and consider it an invaluable medicine. I most cheerfully recommend its use to those desiring a safe and effectual remedy for diseases of the stomach and impurities of the blood. I may add that I have advocated its use to several of my friends and acquaintances with the most gratifying and satisfactory results.

Very respectfully yours, MRS. W. G. PERLEY.

Vegetine Cured Scrofula.

PHILA., PA., July 18, 1878. H. R. STEVENS:

Dear Sir—I can cheerfully recommend your Vegetine as the "Great Blood Purifier." I have been afflicted from Scrofula for years, and was cured by your Vegetine. I keep it constantly on hand to keep my bowels regular, and am constantly recommending it to all whom I hear needing a remedy like yours. Truly yours, JOHN McGETTIGAN.

Being personally acquainted with Mr. McGettigan, I can vouch for him as being reliable in his statement, as I have sold him Vegetine. DR. J. W. ABEL, Druggist, 1024 Beach Street.

JOYFUL NEWS For the Afflicted!

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilmor, who was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope. We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preparations have been thoroughly tested in Nova Scotia for the last 55 years, in some of the most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper, loudly testify. These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female Nerve Roots, and other remedies, viz: No's 1, 2 and 3 Bitters; No's 1 and 2 Syrups. These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and gentle physic without griping or pain, and do not, like many other medicines, leave the stomach and bowels in a worse state than it found them, but will impart a healthy tone and vigor before unknown. These medicines do not contain any calomel or mineral of any name or nature, but are confidently recommended, and may be taken with perfect safety for all kinds of Humors, Fevers, Biliousness, Jaundice, Sour Stomach, Dizziness, Headache, Indigestion, Dyspepsia, Sick Headache, Whooping Cough, Colds, Coughs, Stomach and Pleurisy, Piles, Running Sores, Stoppage of Menses, Measles, Kidney and Gravel Complaints, Consumption, Spitting of Blood, Bronchitis, Erysipelas, and all impurities of the Blood. All admit so effectual a remedy for Dropsy never was known. If your liver is torpid and inactive, if you are troubled with the jaundice only try our medicines, be cured and believe. Ladies in the turn of life will find in them just what they want. Young ladies in particular just budding into womanhood above all others should never be without them. Mothers should see to this and provide their daughters with them. Children crying their little lives away while worms eat up their vitals, may be cured, their tormentors killed and driven away by the timely use of these effectual medicines. We do not pretend to offer them to the public as a perfect cure for every disease, which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and no more. Therefore we submit this statement to those who are willing at least to make a trial; their judgment as to thousands have already given. We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the medicinal properties of each article used, as well as the effect the combination will have on the system, consequently we feel safe in recommending our medicines with the greatest confidence. It has become an undeniable fact that when the system has become infected with malignant diseases seated in either the nervous, muscular or glandular parts of the body, it can only be made healthy by cleansing the blood; and this one the disorder lets go its hold and nature resumes her original standing. No medicine that does not therefore strike at this, the root of all diseases, cannot nor should not have any claim to public attention. The blood is the grand consideration, then it becomes the duty of the strong as well as the weak and unhealthy to guard well this part on which so much of our comfort depends. No one should neglect, especially in the spring of the year, to take a few bottles of the No. 2 Bitters and No. 1 Syrup, which will extract the water and purify the blood, regulate the bowels, increase the appetite, and renovate the system. For sale everywhere at 50 cents per bottle. Manufactured by C. GATES, SON & CO., Middleton, Annapolis Co., N. S. Sept. 17.
