THE NUTRITIOUS CONDIMENT is pronounced "the best thing" in existence for Horses and Cattle on or off grass.

We have word of a fire in New Glasgow which threatened to be quite serious on Tuesday last week. It was only by the active efforts of the fire department that several houses were saved. The John Knox Church caught several times but was saved. The fire is supposed to have been caused by boys playing with matches. The losses are four barns, a carpenter's shop and barn combined, several small buildings, and the wreck of household effects in several cases.

A two year old shark was caught at Little Glace Bay on Monday of last week.

MINERAL DISCOVERY.—A rich vein of quartz, containing galena and silver, has been discovered a few miles from Mill Village in this county. A right of search has been taken out and parties are now prospecting. We understand the surface specimens have been examined by an experienced miner and pronounced very rich.—Liverpool Times.

A large barn at Monk's Head, Antigonish Co., owned by Mr. Peter Beaton, was destroyed by fire on Saturday.

A remarkably rich lead of Gold has been recently discovered at Montague six or seven miles from Halifax. When discovered two months ago it was six inches thick. The first crushing of twenty tons of quartz yielded 24 ounces to the ton. At a depth of 30 feet, the lead has increased to a thickness of 19 inches, and it is believed that the last quartz taken out of the bottom of the shaft will yield 15 ounces to the ton. Mr. Stuart brought to town on Friday last a bar of gold weighing 238 1/2 ounces worth nearly \$4,600, the result of the labor of ten men for one month, the quartz yielding an average of five ounces to the ton. It is said that there will be a profit of about \$4,000 on the month's work. The "brick" will be on exhibition in Messrs. M. S. Brown & Co.'s window, Granville Street.

Cramps and pains in the stomach and bowels, dysentery, diarrhoea are very common just now and should be checked at once. Johnson's Anodyne Liniment will positively cure all such cases and should be kept in every family.

The most distressing case of scrofula or blood poison that we ever heard of was cured by Parsons' Purgative Pills. These pills make new rich blood, and taken one a night for three months will change the blood in the entire system.

HERRING COVE, Halifax, Co., N. S., May 24, 1879.—I had for nearly two years suffered severely with pain in my breast and side, resulting from a severe cough that was supposed to be consumption. For a long time I had a swelling or lump in the lower part of my side which increased in size and painfulness until one night my sufferings were so great that it was feared I would not live until the morning, when Graham's Pain Eradicator was tried both internally and externally; the result was astonishing, it gave immediate relief and completely reduced the swelling or lump and drove it all away. For the pain in the breast and side as well as other forms of pain I have never found its equal.

ANOTHER COMMUNICATION from Mr. Geo. Sewell, dated Moncton, N. B., June 22, 1878.

J. H. Robinson, Esq.—Dear Sir—I wrote you in May last informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lactophosphate of Lime" had made in my case, and, at the same time promising to write from time to time to let you know how I was getting along. I am much better in every way; am stronger; can walk a good long distance without getting tired. Sleep well and eat a hearty meal. In fact I am a new man in every respect, and those who saw me three months ago and see me now, can hardly believe that I am the same person.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c., &c. Price \$1.00 per bottle; six bottles for \$5.00. Brown & Webb; and Forsyth, Sutcliffe & Co., Halifax, Wholesale Agents. Nov. 6. 2 ins.

DR. J. WOODBURY'S DINNER PILLS.

Are not offered to the public as a remedy for all diseases; but for every form of

INDIGESTION,

and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, LAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically The Remedy.

For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other.

Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unremoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system.

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

Persons who, from indigestion, have become enfeebled and emaciated have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pills.

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect.

In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established.

While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.

This Dinner Pill is prepared only by DR. J. WOODBURY, Middleton, Annapolis Co., N. S. Price 25 Cents Per Box.

Dr. J. Woodbury's EYE WATER.

Those afflicted with Weak, Irritable, or any, and every description of SORE EYES, DEBILITY of the EYELIDS, &c., will find in this preparation a most prompt, certain, and efficient remedy.

A single trial will convince the most skeptical of its merits.

Apply at bedtime, rubbing it thoroughly to the lids and corners of the eye. In mild cases, two or three applications will be sufficient; but in severe cases, or those of long standing, its use should be persevered in for several weeks.

Prepared only by DR. J. WOODBURY, Middleton, Ana. Co., N. S. A liberal discount to the Wholesale Trade. J. WOODBURY, M.D., Proprietor. Middleton, Annapolis Co., N. S. BROWN & WEBB, Wholesale Agents. Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
