In her youth she sought and found peace with God, through Jesus Christ, and through all the changes of life, and in the hour of death, the presence and promises of her Lord sustained her. S. B. K.

At Dover, on the 23rd Oct., Mrs. Chas. Fader, leaving a disconsolate husband and nine children—one an infant of days—to mourn the loss of an affectionate wife and kind mother. Her mortal remains were brought to St. Margaret's Bay and interred in the family burying ground of Mr. Henry Fader, the father of the bereaved husband, followed by the members of the family and others, who sympathized with them in their deep sadness and sorrow. My God sustain the grief-stricken husband, and take care of the motherless children.

At Lynn, Mass., Oct. 20th, aged 48 years, Capt. James Roy, of Fort George, Annapolis Co. Some years ago Capt. Roy, professed to have been converted, but like too many others he wandered from God. Doubting his own conversion he was led on to doubt the reality of religion. Naturally argumentative he was ever ready to debate the question of christian evidences, always taking the side of unbelief. He read much and having a good memory he was well posted in the works of infidel writers. Still he was a generous noble hearted man—very upright in his worldly business, and his many virtues endeared him to a large circle of friends. This made his skeptical notions the more alarming, especially as it was evident his health was failing. A few looked forward with hope that God would bring him to the light, but more feared. Some 3 months ago he went to the States to seek medical aid, but without avail. His case for either world was beyond human help. But in answer to prayer the Great Physician undertook for him. He "annointed the eyes with eye-salve," and led his wandering child into the light. The infidelity all fled before a God revealed and the heart was melted by the cross, and he died trusting in Jesus. As Capt. Roy was extensively known, these facts will be gladly learned by many. His happy death is a triumph for Christianity, and shatters the ranks of infidelity. A christian wife and devoted daughter with a large circle of friends mourn the loss of one so dear. The remains were brought to Margaretville, and interred with Masonic honors. Rev. Mr. Stevens, (Methodist), preached on the occasion.—Com. by Rev. W. E. Hall. (Wesleyan please copy.)

At Bloomington, Nictaux, on Oct. 12th, Burton Sprowl, aged twenty-four years. During his sickness he was very much troubled about his sins and we trust, God for Christ's sake has forgiven them.

At Torbrook, Nictaux, on the 15th instant, Brother William Wheelock aged 25 years fourth son of William Wheelock of Torbrook. Our Brother experienced religion over two years ago, and was baptized and united with the church of which he was a consistent member. I visited him frequently during his sickness and found him trusting alone in the righteousness of his Saviour. His friends mourn for him, but not as those without hope. All who knew him believed him to be a child of God. His funeral sermon was preached by his Pastor, from "What I do, thou knowest not now, but thou shalt know hereafter."—Com. by Rev. W. J. Blakeney.

At St. Mary's Bay on the 23rd inst., Allen R. McDonald, aged 85 years, last surviving son of the late Neil McDonald of Inverness, Scotland, G. B. He united with the first Baptist Church of that place upwards of 50 years ago. A worthy consistent member. Canada and California papers please copy.

JOYFUL NEWS For the Afflicted

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilmot, who was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope. We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preparations have been thoroughly tested in Nova Scotia for the last 35 years, in some of the most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper, loudly testify. These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female Roots, &c., which make up our compound of different remedies, viz: No's. 1, 2 and 3 Bitters; No's. 1 and 2 Syrups. These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and gentle physic without griping or pain, and do not, like many other medicines, leave the stomach and bowels in a worse state than it found them, but will impart a healthy tone and vigor before unknown. These medicines do not contain any calomel or mineral of any name or nature, but are confidently recommended, and may be taken with perfect safety for all kinds of Humors, Fevers, Biliousness, Jaundice, Sour Stomach, Dizziness, Heartburn, Indigestion, Dyspepsia, Sick Headache, Whooping Cough, Colds, Coughs, Stomach and Pin Worms, Asthma, Heart Disease, Pleurisy, Piles, Running Sores, Stoppage of Menes, Menes, Kidney and Gravel Complaints, Consumption, Spitting of Blood, Bronchitis, Erysipelas, and all impurities of the Blood. All admit so effectual a remedy for Dropsy never was known. If your liver is torpid and inactive, if you are troubled with the jaundice only try our medicines, be cured and believe. Ladies in the turn of life will find in them just what they want. Young ladies in particular just budding into womanhood above all others should never be without them, they are what they want at this critical period. Mothers should see to this and provide their daughters with them. Children crying their little lives away while worms eat up their vitals, may be cured, their tormentors killed and driven away by the timely use of these effectual medicines.

We do not pretend to offer them to the public as a perfect cure for every disease which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and no more. Therefore we submit this statement to those who are willing at least to make a trial; their judgment we sanguinely await, know it must be the same as thousands have already given. We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the medicinal properties of each article used, as well as the effect the combination will have on the system, consequently we feel safe in recommending our medicines with the greatest confidence. It has become an undeniable fact that when the system has become infected with malignant diseases seated in either the nervous, muscular or glandular parts of the body, it can only be made healthy by cleansing the blood; and this done the disorder lets go its hold and nature resumes her original standing. No medicine that does not therefore strike at this, the root of all diseases, cannot nor should not have any claim to public attention. The blood is the grand consideration, then it becomes the duty of the strong as well as the weak and unhealthy, to guard well this part on which so much of our comfort depends. No one should neglect, especially in the spring of the year, to take a few bottles of the No. 2 Bitters and No. 1 Syrup, which will extract the water and purify the blood, regulate the bowels, increase the appetite, and renovate the system.

For sale everywhere at 50 cents per bottle. Manufactured by G. GATES, SON & CO., Middleton, Annapolis Co., N. S. Sept. 17.
