READ THIS TWICE.—Five to thirty drops of THOMAS' ELECTRIC OIL, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years' standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. Or Crick in the Back. For disease of the Spine and Contraction of the Muscles it is unequalled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. Is worth its weight in gold. Why not buy it to-day?—A. B. DESROCHERS, assistant postmaster, Arthabaska, P. Q., writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used 'Thomas' Electric Oil' for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, of Wyoming, N. Y., writes, "Dr. Thomas' Electric Oil cured me of Bronchitis in ONE WEEK." BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. THOMAS is on the wrapper, and the name of Northrop and Lyman are blown in the bottle, and TAKE NO OTHER. Sold by all medicine dealers. Price, 25 cts. WHITELEY'S TORONTO MOWER.

FOR SIMPLICITY. FOR DURABILITY. FOR LIGHTNESS OF DRAUGHT. FOR CONVENIENCE OF HANDLING. FOR EASE OF ADJUSTMENT. FOR ADAPTABILITY TO ALL CIRCUMSTANCES. FOR NOISELESS ACTION. FOR QUALITY OF MATERIAL, AND FOR EXCELLENCE OF WORKMANSHIP NOW STANDS PRE-EMINENT.

THOUSANDS

of CANADIAN FARMERS who have used all other kinds and thoroughly tested the TORONTO MOWER, testify to its great superiority. The great success of the TORONTO MOWER has excited the jealousy of all rivals, and hence many of those interested in the sale of other machines, do not hesitate to make the grossest misrepresentations concerning it.

All we ask of Farmers is to EXAMINE and JUDGE FOR THEMSELVES, which they may do by applying to the nearest agent, whose name will be furnished on application, or by calling personally at our address.

The Toronto Reaper,

is driven by the same NEW MECHANICAL GEAR as the mower, reducing the machinery as in the Mower, to less than one-half of what it is in other harvesting machines, and doing away with the noisy clatter and friction of the old style cumbersome gearing.

It is perfectly under control of the driver, marvellous in its ease of adjustment and adaptability to all conditions of the crop. Thoroughly built of the best materials and is in short a fit companion to the TORONTO MOWER.

The establishment of our MARITIME BRANCH, Nos. 5 & 6 North Wharf, St. John, N. B.,

where we have always on hand a full stock of Machines and Extra Parts, enables us to offer all these special advantages claimed by local manufacturers. Descriptive Pamphlet, containing over one thousand testimonials, and other information will be furnished free on application to

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health. This medicine rains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

PRESERVE AND RESTORE YOUR HORSES, BY THE USE OF DR. WOODBURY'S Horse Liniment

It is a desideratum, the want of which has long been seriously felt by proprietors of horses. All persons who are so situated as to be compelled to keep their horses stabled, know how difficult it is to prevent their feet from becoming feverish, dry, and contracted, with all the innumerable evils attendant on stabling, high feeding, and driving over hard roads.

To all owners of horses so situated, the Proprietor of this Liniment confidently offers it as THE REMEDY, both as a preventive and cure.

Its action is to remove fever and dryness, thereby causing the hoofs which have become hard and brittle, to be softened and elastic; and promotes the rapid growth and full development of soft new hoof in such a manner, as can be best appreciated by being witnessed.

Its beneficial effects are so prompt and decided, as frequently to very far exceed the anticipations of the most sanguine—to excite their admiration—and secure their highest confidence. All horses that are stabled, should have an application of this Liniment to the hoofs of the fore feet, once in every two or three weeks, to prevent their becoming feverish, dry, brittle, hard, contracted, or otherwise injured.

Horses that are foundered, or whose hoofs are contracted, or in any way diseased, should have this Liniment applied to every part of the hoof, every third or fourth day. The more inveterate the case, the more frequent should be the application; and in cases of long standing, should be continued for a sufficient length of time for the old or diseased hoof to become softened, and the growth of the new fully developed.

The Liniment should be applied to every part of the hoof, and rubbed gently into the hair around the upper part of the hoof. It can be best applied with a small brush. While this Liniment is

COUGH, ENLARGEMENT OF THE GLANDS, AFFECTIONS OF THE KIDNEYS, &c.

And in our prevailing Horse Distempers, given in doses of a table spoonful, two or three times a day; it is, infallibly,

THE REMEDY!

A Cough which cannot be removed by this Liniment, may be considered incurable. For Coughs, Enlargements of the Glands, or Affections of the Kidneys, give a table spoonful night and morning in their feed.

For Splints, Curbs, Bog Spavins, or Enlargements of any kind, apply it freely to the part, night and morning, until it blisters, which will be readily known by sweating or weeping of the part, which will soon dry, and form a thick scurf or band; allow this to remain until it falls off or rubs off quite easily, which will be in from six to ten days; and then if the enlargement be not entirely removed, repeat the application as before.

As the Proprietor of this Liniment is quite aware of the many worthless nostrums offered to the public at the present time, he would beg to say, that all articles manufactured by him are strictly WARRANTED to effect that for which they are recommended, when used according to directions. Use this preparation thoroughly, for all and every disease of the Horse for which it is recommended. Criticize it closely. Carefully watch, mark, and note its effects; and honestly judging it on its merits, you will be compelled to endorse the sentiment, that NO STABLE SHOULD BE WITHOUT IT.

It is put up in Four Ounce Bottles, at 45 cents per Bottle.
