JOYFUL NEWS For the Afflicted!

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilmor, who was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope.

We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preparations have been thoroughly tested in Nova Scotia for the last 55 years, in some of the most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper loudly testify.

These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female nerve Roots, &c., which make up our compound of different remedies, viz: No. 1, 2 and 3 Bitters; No. 1 and 2 Syrups. These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and gentle physic without griping or pain, and do not, like many other medicines, leave the stomach and bowels in a worse state than it found them, but will impart a healthy tone and vigor before unknown.

These medicines are extracted entirely from the Roots and Plants of the Vegetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consumption Roots, Male and Female nerve Roots, &c., which make up our compound of different remedies, viz: No. 1, 2 and 3 Bitters; No. 1 and 2 Syrups.

We do not pretend to offer them to the public as a perfect cure for every disease, which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and more. Therefore we submit this statement to those who are willing at least to make a trial; their judgment we anxiously await, know it must be the same as thousands have already given.

We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the medicinal properties of each article used, as well as the effect the combination will have on the system, consequently we feel safe in recommending our medicines with the greatest confidence. It has become an undeniable fact that when the system has become infected with malignant diseases seated in, either the nervous, muscular or glandular parts of the body, it can only be made healthy by cleansing the blood; and this done the disorder lets go its hold and nature resumes her original standing.
