

INVALIDS, do you wish to gather flesh to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep to feel and know that every fibre and tissue of your system is being braced and renovated? If so, commence at once and use the Quinine Wine prepared by Northrop & Lyman of Toronto, and in a short time you will feel the wholesystem invigorated and strengthened. It is a well-known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility, this combination will be found superior to all other preparations. And combined as it is with fine sherry wine and choice aromatics, it is made an agreeable and pleasant invigorator to the whole system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom requires more than one or two bottles to effect a decided benefit, as it contains nothing injurious to the most delicate constitution. Remember to ask for the "Quinine Wine prepared by Northrop and Lyman, Toronto," and we are sure you will be satisfied that you have full value for your money. Sold by all Medicine Dealers. WHITELEY'S TORONTO MOWER.

FOR SIMPLICITY. FOR DURABILITY. FOR LIGHTNESS OF DRAUGHT. FOR CONVENIENCE OF HANDLING. FOR EASE OF ADJUSTMENT. FOR ADAPTABILITY TO ALL CIRCUMSTANCES. FOR NOISELESS ACTION. FOR QUALITY OF MATERIAL, AND FOR EXCELLENCE OF WORKMANSHIP NOW STANDS PRE-EMINENT.

THOUSANDS

of CANADIAN FARMERS who have used all other kinds and thoroughly tested the TORONTO MOWER, testify to its great superiority. The great success of the TORONTO MOWER has excited the jealousy of all rivals, and hence many of those interested in the sale of other machines, do not hesitate to make the grossest misrepresentations concerning it. All we ask of Farmers is to EXAMINE and JUDGE FOR THEMSELVES, which they may do by applying to the nearest agent, whose name will be furnished on application, or by calling personally at our address.

The Toronto Reaper,

is driven by the same NEW MECHANICAL GEAR as the mower, reducing the machinery as in the Mower, to less than one-half of what it is in other harvesting machines, and doing away with the noisy clatter and friction of the old style cumbersome gearing. It is perfectly under control of the driver, marvellous in its ease of adjustment and adaptability to all conditions of the crop. Thoroughly built of the best materials and is in short a fit companion to the TORONTO MOWER. The establishment of our

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skillfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

DR. J. WOODBURY'S DINNER PILLS.

Are not offered to the public as a remedy for all diseases; but for every form of INDIGESTION,

and the innumerable train of sadly distressing diseases arising therefrom, these Pills are decidedly the most infallible remedy ever offered to the public.

For the removal of DYSPEPSIA, in all its forms, CHRONIC DISEASES OF THE LIVER, JAUNDICE, PILES, IRREGULAR ACTION OF THE HEART, &c., these Pills are emphatically The Remedy. For that peculiar Costiveness attendant on Pregnancy, they are the only safe and proper Remedy; indeed, Pregnant Ladies should take no other. Persons afflicted with Indigestion, very frequently suffer from the bowels remaining unmoved for two, three, four, or more days, and are then compelled to resort to a dose of some drastic, irritating purgative, which only gives a temporary relief, and the repetition of which only aggravates the disease. The Dinner Pills directly prevent the necessity for taking such injurious doses of physic, and by being taken with the food, simply act as an auxiliary to nature, slightly stimulating, and directly strengthening the Stomach and Bowels, and by continuing their daily use for a few weeks, will restore and establish the regular and healthy action of the Stomach and Bowels, giving tone to the Stomach and Liver, and consequently health and vigor to the whole system.

These Pills are strictly vegetable, and may be taken with any kind of food. Persons about to partake of rich dinners, may always secure easy, comfortable digestion, by taking a Pill when about half through with their dinner.

Persons who, from indigestion, have become enfeebled and emaciated have been restored to health, and become fleshy, plump and vigorous, by the use of the Dinner Pills.

They should invariably be taken with the food, when about half through with the meal, either at dinner or tea; at dinner is preferable. The dose may vary from half a pill to one, one and a half, or two, just what may be found, after a day or two's experience, to produce a gentle, natural motion of the bowels, once in twenty-four hours, always commencing with the smaller dose, and increasing them until they produce the desired effect.

In obstinate cases, the use of the Dinner Pills should be continued every day, for several weeks, until a regular healthy action of the system be fully established.

While this Pill is, strictly speaking, a Dinner Pill, yet, if a dose of purgative medicine is required at any other time, they will be found all that can be desired, and in doses of from two to six, operating effectually, yet mildly, and without debilitating the Stomach or Bowels.

This Dinner Pill is prepared only by DR. J. WOODBURY,

Middleton, Annapolis Co., N. S. Price 25 Cents Per Box.

Dr. J. Woodbury's EYE WATER.

Those afflicted with Weak, Irritable, or any, and every description of SORE EYES, DEBILITY of the EYELIDS, &c., will find in this preparation a most prompt, certain, and efficient remedy.

A single trial will convince the most skeptical of its merits. Apply at bedtime, rubbing it thoroughly to the lids and corners of the eye. In mild cases, two or three applications will be sufficient; but in severe cases, or those of long standing, its use should be persevered in for several weeks.

Prepared only by DR. J. WOODBURY,
