**JOYFUL NEWS**  
For the Afflicted!

NICTAUX MOUNTAIN, ANNAPOLIS CO., }  
November, 1877.  
MESSRS. C. GATES, SON & Co.—Gentlemen:

I had a child that was troubled very much with worms, and by taking one half bottle of your No. 1 Syrup she was entirely cured of them. About six months afterward I was taken with the Pleurisy, and was about despatching a man for a doctor when it came to my mind to take your Syrup, which I did, and soon came round all right without taking any further medicine.

I have formerly been afflicted with sore throat and Quinsy in its severest forms, and could not get any relief or cure from any quarter or any medicine man until I obtained your Acadian Linctment, which always cured me at once. I have also known it to cure a number of friends in this neighborhood, and for my own part would not think of being without it in the house. My wife has also used your medicines for Heartburn, with the very best success. You may publish this if you wish to do so.

With great respect,  
W. H. MILLAR.

**WHITELEY'S TORONTO MOWER.**

FOR SIMPLICITY. FOR DURABILITY. FOR LIGHTNESS OF DRAUGHT. FOR CONVENIENCE OF HANDLING. FOR EASE OF ADJUSTMENT. FOR ADAPTABILITY TO ALL CIRCUMSTANCES. FOR NOISELESS ACTION. FOR QUALITY OF MATERIAL, AND FOR EXCELLENCE OF WORKMANSHIP NOW STANDS PRE-EMINENT.

**THOUSANDS**

OF CANADIAN FARMERS who have used all other kinds and thoroughly tested the TORONTO MOWER, testify to its great superiority.

The great success of the TORONTO MOWER has excited the jealousy of all rivals, and hence many of those interested in the sale of other machines, do not hesitate to make the grossest misrepresentations concerning it.

All we ask of Farmers is to EXAMINE and JUDGE FOR THEMSELVES, which they may do by applying to the nearest agent, whose name will be furnished on application, or by calling personally at our address.

**The Toronto Reaper,**

is driven by the same NEW MECHANICAL GEAR as the mower, reducing the machinery as in the Mower, to less than one-half of what it is in other harvesting machines, and doing away with the noisy clatter and friction of the old style cumbersome gearing.

It is perfectly under control of the driver, marvellous in its ease of adjustment and adaptability to all conditions of the crop. Thoroughly built of the best materials and is in short a fit companion to the TORONTO MOWER.

The establishment of our

**Ayer's Cathartic Pills,**

For all the purposes of a Family Physic, and for curing Constiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
