H. R. STEVENS, BOSTON: Dear Sir-The great benefit I have received from the use of Vegetine induces me to give my testimony in its favor. For several years my face has been covered with pimples, which caused me much annoyance, and, knowing it to be a blood disease, I consulted a number of doctors, and also tried many preparations without obtaining any benefit, until I commenced taking Vegetine, and before I had used the first bottle I saw I had the right meland, on the 23rd inst., the wife of Mr. dicine. I have used three bottles and find health much improved, my humor

entirely cured. Yours resp'y,

JOYFUL NEWS

For the Afflicted!

From the Roots and Plants of Nova Scotia. Formerly manufactured by Mrs. Gates of Wilmor, who was pronounced incurable of Liver Complaint and Dropsy by many skillful Liver Complaint and Dropsy by many skillful physicians, when procuring several receipts from an eminent French physician, she was entirely cured and afterwards cured hundreds of cases, for which at first there seemed no hope. We offer these remedies to the public through the persuasion of those who at present consider they are indebted to them for the preservation of their lives. These preperations have been thoroughly tested in Nova Scotia for the last 35 years, in some of the most severe and apparently hopeless cases. most severe and apparently hopeless cases, which a few of the numerous certificates we possess, and which will appear from week to week in this paper loudly testify. These medicines are extracted entirely from the Roots and Plants of the Vogetable Kingdom, such as Life of Man Roots, Sarsaparilla, Consump tion Roots, Male and Female nerve Roots, tion Roots, Male and Female nerve Roots, &c., which make up our compound of different remedies, viz: No's. 1, 2 and 3 Bitters; No's. I and 2 Syrups These being made in a liquid are easily taken even by children, and the Syrups operate as a mild and and gentle physic without griping or pain, and do not, like many other medicines, leave the stemach and bowels in a worse state than it found them, but will impart a healthy tone and vigor peters pulknown. These medicines are medicines and vigor peters pulknown. tone and vigor before unknown. These medicines do not contain any calomel or mineral of any name or nature, but are confidently recommended, and may be taken with perfect safety for all kinds of Humors, Fevers, Biliousness, Jaundice, Sour Stomach, Dizziness, Heartburn, Indigestion, Dyspepsia, Sick Headache, Whooping Cough, Colds, Conghs, Stomach and Pin Worms, Asthma, Heart Disease, Pleurisy, Piles, Running Sores, Stoppage of Menses, Measels, Kidney and Gravel Completer. plaints, Consumption, Spitting of Blood, Bronchitis, Erysipelas, and all impurities of the Blood. Ladies in the turn of life will find in them just what they want. Young ladies in particular just budding into woman-hood above all others should never be without them, they are what they want at this critical period. Mothers should see to this and provide their daughters with them. Children crying their little lives away while worms eat up their vitals, may be cured, their tormentors killed and driven away by the timely | July 2. use of these effectual medicines.

We do not pretend to offer them to the public as a perfect cure for every disease, which every intelligent mind knows is out of the question. We only wish to make known what they will positively do and no more. Therefore we submit this statement to those who are willing at least to make a trial; their judgment we sanguinely await, know it must be the same as thousands have already given. We wish to inform all that our medicines are prepared with great care, especially for family use, and are so admirably calculated to preserve health, remove disease and restore nature to its own state that no family should be without them. These medicines are carefully compounded upon scientific principles by those thoroughly acquainted with the Dear Sir-I will do all I can in regard | medicinal properties of each article used, as others.
