A club of American gentlemen, who call themselves the Hay Fever Association, and who belong about New York and Boston, visited this city a short time since. We much regret to learn of the sad accident met with on Monday of last week by the Rev. A. W. Nicholson. It appears by some mis-step of the horse Mr. Nicholson was thrown out of his carriage in the Lent settlement, on the Clement's road, Annapolis. He remained on the road insensible, until some parties came along, and picked him up. His face is severely scarred, and he received such a shock that it will be some time before he will be able to resume his duties.

On the 24th of October, Benjamin Peirce, of Berwick, aged 64 years. Bro. P. professed religion and was baptized by the lamented Father Chipman about 1840. His funeral sermon was preached by the pastor from Rom. viii. 28, having particular reference to the protracted illness and triumphant confidence of the departed. He leaves four children to mourn their loss. This is the second time within two months that we have been called to visit this house of mourning, having buried the dear mother last month. WONDERFUL CURE OF DROPSY AND Liver Complaint!

SACKVILLE, N. B., March 10th, 1880. C. GATES, SON & Co.—Gentlemen—For over two years I have suffered from Dropsy and Liver Complaint, and was reduced very low; could not walk across the room. In the meantime I had consulted all the doctors around, wherever I was, but they did nothing that helped. But still I grew worse until my life was despaired of; my neighbors looked for my death at any moment, when your agent, J. Ford, gave me a pamphlet, in which I saw my complaint described. He gave me the medicine, which I took, the No. 2 and 3 LIFE OF MAN BITTERS and No. 1 Invigorating Syrup, with the Nerve Ointment and Vegetable Plaster, in all six bottles, and in six weeks I was almost well; in ten weeks I am strong and able to work, and to-day weigh more than ever I did in my life. I am a wonder to myself and all that saw me before I commenced taking your medicine and since. I do thank God for your medicine in my case. I can and have freely recommended your medicine to all afflicted as I have been. JONATHAN ATKINSON. Sworn to before me at Sackville, N. B., this 10th day of March, 1880. JOHN FORD, J. P. Sold throughout the Maritime Provinces. Nov. 10.

Ayer's Cherry Pectoral For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health. This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will. Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects. PREPARED BY Dr. J. C.
