REMARKABLE RESULTS FOLLOW.—Pain ceases, swelling subsides, fever abates, and a healthy state exists after using this great and wonderful preparation known as Thomas' Electric Oil.

Thomas Robinson, Farnham Centre, writes: "I have been afflicted with Rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. THOMAS' ELECTRIC OIL, for two years, and have had no attack. I would recommend it to all."

See what the medical faculty say: Dr. Beaudoin, Hull, P. Q., says: "I have sold Thomas' Electric Oil for two years, and I never sold a medicine which has given more thorough satisfaction. I have used it in my own case on a broken leg and dislocated ankle, with the best results."

A. H. Gregg, Manufacturer of Mowing Machinery, Truemanburg, N. Y., says: "My thumb was caught in a machine and badly injured, being away from home for two days, was obliged to apply such remedies as I could get, but without relieving the pain. Immediately upon reaching home I applied the Electric Oil, with almost instant relief. LIGHT BRAHMA FOWLS, EGGS FOR HATCHING.

THE ADVERTISER offers to supply to Farmers and others interested in the improvement of Poultry Stock, Eggs from the "Teas" strain of Light Brahma Fowls imported by him from Pennsylvania this winter. In anticipation of a large demand next winter for large sized fowls for shipment to Europe, Poultry raisers would do well to turn their attention to the breeding of large sized birds. The Light Brahma is the most profitable, costing no more to raise a nine pound Brahma than a four pound Barndoor. They are very hardy, and lay nearly the whole year, and are small eaters. The advertiser received the first prize at the late Halifax Poultry Show for the heaviest Cockerel any variety. Price \$3.00 per 13, and \$5.00 per 26 Eggs, carefully packed and sent to any part of the Dominion. Cash must be in every case accompany order. Each order executed in turn. Address

The Marriage Bill was lost by one vote in the Senate. Churchmen are looking about to make the most of the opportunity given by this postponement of the measure so as to secure its defeat again next year. The large majority in the House of Commons who voted in its favor shews that the voice of the people is for the bill. The Senators will doubtless get more light on the subject before next year, and, despite the efforts of Churchmen to control the people in this matter, the prohibition is doomed to go with the things of the past.

The Presbyterian Foreign Missionary Board has for several years past been heavily in debt. We are glad to find in the last Witness a reference to the United States Board being out of debt, the following statement:—"We are happy to add that our own Foreign Missionary Board is this year in a much better position than for several past years."
