Wild geese have been driven by hunger to some of the barn yards in Kings County. One man is reported to have shot fifteen.

The Oil operations at Lake Ainslie C. B. seem to have met with success, prov-"ing that petroleum exists there in great abundance. There are also good prospects of silver and copper mining at Cape Mabou and Cheticamp.

REMARKABLE RESULTS FOLLOW .- Pain ceases, swelling subsides, fever abates, and a healthy state exists after using, this great and wonderful preparation known as Thomas' Eclectric Oil. Thousands testify to the happiness resulting from the use of this preparation. Why not procure a bottle at once. The cost is triffing, and effect sure. One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many let-ters received from different parts, which, we think, should be sufficient to satisfy the most skeptical :

Thomas Robinson; Farnham Centre, writes:

"I have been afflicted with Rheumatism for the last ten years, and have tried many remedies without any relief, until I tried "Dr. THOMAS' ECLECTRIC OIL, for two years, and have had no attack. I would recommend it to alk."

See what the medical faculty say : Dr. Beaudoin, Hull, P. Q., says:

"I have sold Thomas' Electric Oil for two years, and I never sold a medicine which has given more thorough satisfaction. I have used it in my own case on a broken leg and dislocated ankle, with the best results?

A. H, Gregg, Manufacturer of Mowing Machiner, Truemansburg, N. Y., says:

"My thumb was caught in a machine and badly injured, being away from home for two days, wes obliged to apply such remedies as I could get, but without relieving the pain. Immediately upon reaching home Irapplied the Eelectric Oil, with almost instant relief. I have a large number of men employed, and your Oil
