Sister G. was awakened from a sleep of death and sin under the earnest exhortation of Deacon Alexander Elms, the first deacon of the Baptist Church at Tracadie, in her 18th year, and was baptized by the late Rev. Joseph Dimock. Sister G. was a consistent member of the Church until her death during the 54 years of her christian life.

Her last illness was borne with christian fortitude and resignation. Her husband told her to use the means she always had, for pain, no, was the reply, this is my last sickness, I am going home to be with my Saviour. After giving some brief charges concerning her house, she exclaimed, "I am going home to die no more." Jesus has been my chief support for 54 years, but I never found him such a prop, his rod and staff are my support and comfort at this hour. Sister G. always had a word of comfort to say to any one whom she met with. If it was a christian she would cheer Him on his way; if a sinner she was ready to point Him to the Lamb of God which taketh away the sin of the world. She left behind a sorrowing hus-

band, five children, one brother and two sisters to mourn their loss. E. H. JORDAN.

## CAN BE CURED IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's EMULSION OF COD LIVER OIL with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable," and acceptable to the most delicate stomach, and we make the unqualified statement that Scorr's EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption-and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anæmia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT. Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sempt. 2, 1876. Gents-I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.

C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne-Gentlemen.-Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites. and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form. Very truly, J. SIMONAUD, M. D., New Orleans. La.

Messrs. Scott & Bowne :--Gentlemen :-- In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine. Very truly yours, H. F. SLOCUM, Lowell, Mass. January 29th, 1879. For Sale by all Druggists at \$1.00 per bottle.
