CHRISTIAN MESSENGER. THE

Such a publication will meet with a of things, in regard to these matters. cordial welcome from Pastors, Choris-Mr. Timpany says :

"It is now more than four and a half months since I had a cent from home to pay the other two missionaries, myself, or the mission workers. I used the chapel money, Girl's school money, and other funds, and now need those moneys to meet bills. I have promised to pay, expecting of course, that I could get money from home before this. - Could I have dreamed that after getting only \$235 to divide among three missionaries and their general work, (could I work a miracle like feeding the multitude with five loaves and two fishes, this would have sufficed,) I would have to wait and long and look in vain, for the home mail came in to day and there was nothing. How long I am to wait yet I know not. There is more than Rs. 500 due to Bro. Currie, Rs 250 to Bro. Craig-Rs. 650 to me, and this, after all, I have borrowed and scraped and misappropriated to pay as far as I have.

Brethren, I have been hardly wrought since the day I put my foot in India, nearly a year ago. You could have saved me this additional work; anxiety and shame. I ask for mercy and some compassion at your hands. We are your servants for Jesus' sake, This work is not only the work of the missionaries -indeed it is said to be the "Canadian Baptist Telugu Mission," the property here is so deeded.

It is a pleasure to give my testimony for your valuable medicine. I was sick for a long time with Dropsy, under the doctor's care. He said it was Water between the Heart and Liver. I received ing, Gents' and Ladies' Fur Coats, and no benefit until I commenced taking the Vegetine; in fact, I was growing worse. I have tried many remedles; they did not help me. Vegetine is the medicine for Dropsy: I began to feel better after taking a few bottles. I have taken thirty bottles in all. I am perfectly well, never felt better. No one can feel more thankful than I do.

I am, dear sir, gratefully yours, A. D. WHEELER.

VEGETINE.-When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, the Vegetine will renew the blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

egetine For Kidney Complaint and Nervous Debility. ISLESBORO, ME., Dec. 28, 1877.

MR. STEVENS :---

Dear Sir.-I had a cough for cighteen years, when I commenced taking the Vegetine. I was very low; my system was debilitated by disease. I had the Kidney Complaint, and was very nervous-cough bad, lungs sore. When I had taken one bottle I found it was helping me; it has helped my cough, and it strengthens me. I am now able to do my work. Never have found any thing like the Vegetine. I know it is every thing it is recommended to be.

MRS. A. J. PENDLETON.

Then there is a growing interest all over the field. Calls come from different directions, and instead of its being a joy to us, our joy is turned to grief. Again brethren I beseech you, by the mercies of God do not forget your work and workers in India."

Instead of trifling with the Board of management by any such suggestions as those referred to in the Helper, and diverting the thought of the people from the stern demands upon them to support their missions, we think our worthy contemporary should be using all his powers to operate on his readers to supply the funds so much needed.

We have noticed this letter from our brother Timpany not only for the sake of the Helper, so called, but the helpers of the mission cause amongst ourselves. We believe that it will require all the effort our brethren can put forth to keep our brethren of the Board in St. John in funds for our own missionaries. What if such a letter were to come from one of our missionaries ! Would it not mantle the cheeks of hundreds, yes, thousands of our brethren in Nova Scotia, New Brunswick, and P. E. Island? Let the pastors, brethren and sisters bestir themselves and push on the Convention Scheme, a sum-NOT LESS THAN A DOLLAR A MEMBER from each church, in the three Provinces for the support of the Convention Objects-of which MISSIONS and EDUCATION are the principal.

#### ERRATUM.

MIDDLETON, Jan. 10th, 1880 .- Dear Editor,-you made a mistake in my article in the Messenger this week by putting a full stop after "Methodist Meeting House "-14th line from the bottom of the first column, page 2. J. H. ROBBINS.

We hope no one was misled by the redundancy our brother mentions. No one would suppose he baptized converts in the Methodist meeting house. It should read "Standing in the Methodist meeting house I gave them the right hand of fellowship &c."
