CHRISTIAN MESSENGER. THE

The Drummond colliery strike is ended amicably, and work is resumed at the mines.

At Newport Hants Co. A small vein of salt has been discovered embedded in the plaster rock in the Allison quarry.

COUNTLESS sufferers find the balm of relief, and the fountain of their health and strength, in AVER'S SARSAPARILLA. It is the most potent of all the alteratives to purify the system and cleanse the blood. It possesses invigorating qualities, so that it stimulates the faded vitalities and purges out the corruptions which mingle with the blood, promoting derangement and decay. We are assured by many intelligent physicians that this medicine cures beyond all others of its kind, and we can fortify this statement by our own experience.-Punxsatawney (Pa.) Argus.

Auraline is a great healer.

PAUSE, PONDER AND PERUSE ! !- The invention of that Superior and Complete Sewing Machine (The Family Sewing Machine), marks one of the most important eras in the history of machinery, and when we consider its great usefulness and extremely low price (\$25), it is very difficult to conceive of any invention for domestic use of more or even equal importance to families. It has great capacity for work; beautiful, smooth, and quiet movement, rapid execution, certainty and delightful ease of operation, that at once commends it above all others. The working parts are all steel, strong and durable and will last a life time; the bobbins hold 100 yards of thread; the stitch is the finest of all the stitches made, neat and regular, and can be regulated in a moment to sew stitches from an inch in length on coarse material down to the finest, so infinitesimal as to be hardly discernable with the naked eye, and with a rapidity rendering it impossible to count them as fast as made; it has more attachments than any other, and it does to perfection all kinds of heavy,

MESSRS. T. GRAHAM & SON,-

DEAR SIRS,-It gives me great pleasure to inform you of my perfect cure of CATARRH, from which I have suffered in its most severe form for 12 years without being able to find a remedy for it, and I had long thought that nothing could cure me, but thanks to Providence and the use of your valuable preparation, CATARRHINE, I have been completely cured of that distressing and, I might say, disgusting complaint, and I only used one box. I can confidently recommend it to any suffering from that complaint. Price 25 cents a box.

Yours truly, C. F. F. SCHOPPE.

## IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent USE OF SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable," and acceptable to the most delicate stomach, and we make the unqualified statement that Scorr's EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption-and the diseases leading to it, such as Chronic Coughs, Bron chitis, Scrofula, Anæmia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

## SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sempt. 2, 1876. Gents-I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.

C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne-Gentlemen.-Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites. and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form. Very truly,

J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:-Gentlemen:-In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bettles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned. pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I fre-
