The Auxiliary Home Missionary Board continues its work with results enough to more than warrant the continuance of its existence. A meeting was held at Scotch Village in May when Rev. E' Whitman preached an able sermon. The last meeting was held at Falmouth when officers were elected for the coming year:

President-Rev. E. Whitman: Vice-Presidents-Charles E. Young, John McLearn, Noah A. Dimock.

Other officers were re-elected. The annual report shews that more money has been raised in the Connty this year than previously.

All the churches in the County at present receive some preaching, though some of them will be vacant soon.

Bro. Dykeman preached a clear and forcible sermon on the inefficiency of law and the power of grace in Christ. The next meeting is to be held at Summerville, Sept. 7th.

FALL RIVER, HALIFAX COUNTY .- On Sunday July 18th., Rev. Dr. Clay preached here in the morning from Luke xii. 8-10. After the sermon, a procession was formed to the lake, and Dr. C., baptized three persens. The day was fine and the very significant rite was observed with great solemnity.

In the evening Dr. Clay preached again from James iii. and subsequently received the newly baptized into the Church by giving them the right hand of fellowship. The day was one of great joy to the members of the Church at Fall River.

The discipline and endurance of the men tried in every possible way all their soldier-like qualities, and I can only say I never met men who behaved better or who showed themselves more worthy of the Queen's uniform than these regiments. I always remember with the greatest satisfaction the way these men went through the trials and difficulties of the march to a successful termination of the duty they had to perform. I am glad to be able to say a few words to the representatives of the many different regiments of the Dominion, and hope they will have a successful stay in camp as elsewhere."

Col. Williams thanked General Wolseley for the honor done to the team. The Toronto Globe has collected accounts of the crops from 318 places in Ontario, and these show that in many places the winter wheat was winter killed; the spring wheat will be fully

EMIGRATION .- There is an enormous increase in the emigration westward, as shown in the returns made by the Government emigration officers at Liverpool. It appears that during April no fewer than 83 ships left the Mersey, having on board 29,491 passengers, as compared with 13,363 passengers in the previous month, and 10.917 in April last year. With the exception of about 200 persons, the whole of the emigrants have proceeded to the United States and Canada. To the United States, 47 ships were dispatched, with 25,189 passengers; British North America, 14 ships, 4,083 passengers; Australia, one ship, 37 passengers; South America, eight ships, 101 passengers; East Indies, six ships, 32 passengers; West Indies, one ship two passengers; China, one ship, one passenger; West Coast of Africa, five ships, 46 passengers. The English emigrants numbered 9,310; Scotch, 151; Irish, 6,027; foreigners (principally Germans and Swedes), 13, 830. Of 173 the nationality could not be obtained.
