

PRINCE EDWARD ISLAND ASSOCIATION.

We were sorry to find that we could not accept the kind invitations given, to meet with our Prince-Edward Island brethren in their recent Associational gathering at Tryon.

We are pleased to learn that the Session was largely attended and harmonious. The ministers present, were, Revs. E. N. Archibald, J. B. Woodland, D. G. McDonald, C. C. Burgess, J. A. Gordon, and E. B. Corey; Rev. J. E. Fillmore from the E. N. B. Association; Rev. Dr. Sawyer and Prof. Jones from the N. S. Central Association.

The officers were: Moderator, Rev. D. G. McDonald. Clerks, Bro. H. D. Martin, Bro. G. N. Macleod. Treasurer, Bro. Jas. Desbrisay. Asst. Treasurer, Bro. J. S. Brown.

The reception of three new churches: Emeyvale, Fairview and Clyde River, was a fact of much interest. We were pleased to receive the account of the formation of two of these, as given on another page. The increase of membership in this Association was a matter of much encouragement to the Island brethren, there being an addition of 193 members, an average of nearly eleven to each church—near 13 per cent. The Island Baptists have always been deeply interested in the Missionary and Educational matters of the denomination. The presence of Rev. Dr. Sawyer was highly appreciated. It is likely that the amount raised for the Benevolent objects of the body will be equal to the average of the other Associations.

Summerside formerly a flourishing church and people, is suffering from having been so long without pastoral oversight.

MISSIONARY INTELLIGENCE.

A letter just received from Mrs. Churchill by Mrs. Selden, dated Bobbili, June 1st, 1880, gives a pleasing account of the embarkment of Mr. and Mrs. Armstrong at Bimlipitam. Mrs. Churchill accompanied Miss Hammond to Chieacole to take charge of the School and other work during the absence of Mr. and Mrs. A. Mrs. C. says "We returned to Bimli two days before the Armstrongs. They came in on Friday morning and took the steamer on Sunday morning, May 23rd. There were just seven of us older ones—the original number that left home together,—and six little ones. We were talking over the Lord's mercies to our little band of missionaries. Seven of us came out together, and Miss Norris in the country, and of these eight this is the first break, except Mrs. Boggs having to return home. Whilst of the eight American missionaries who came out in the same steamer with us only two are now in the East, and we could count more than a dozen others who came out at the same time, or since we did, to the East, who have either gone back to America or crossed over the river to their Heavenly Home.

Most of us accompanied them to the shore and saw them aboard the boat which was to take them to the steamer. Then on the sandy beach our farewells and last loving messages to the dear ones at home were said. Mr. Churchill went out and saw them safe aboard the steamer." We are now almost daily looking for the arrival of Mr. and Mrs. Armstrong and shall hope to find that the voyage has had the effect of greatly invigorating the health of Mrs. A. and her little girl.

LATEST FROM LONDON.

Since the above was in type, we yesterday morning, received a telegram from London, England, as follows: "We leave August third, ARMSTRONG."

This will make it about the 12th of August, before our friends arrive in Halifax.

Dr. Tanner of New York, who proposes to live without food for forty days, is becoming quite notorious, and perhaps seeks for this specially. We doubt not he will find that his notoriety is purchased at too great a cost, perhaps at the sacrifice of his life. On Sunday last he had continued fasting for twenty days. In the afternoon he took a long walk and afterwards a carriage ride. He drinks considerable quantities of water. Some parties are unwilling to believe that he totally abstains but think that he takes some nourishment in a private way.

The case of "recognition" of Rev. Mr. Brookman, as pastor of the Baptist Church at Yorkville, Ontario, whilst expressing his divergence from what are regarded as the orthodox views of Baptists by the minister recognized, Rev. Mr. Brookman, late of the Episcopal Church, has caused much concern in many of the brethren. At the late session of the East Ontario Baptist Association, the following resolution was, after a lengthy discussion, passed unanimously:—"Inasmuch as the statement (of what Mr. B. does not believe) has caused us anxiety for what we believe to be the integrity of the faith once delivered to the saints, Therefore Resolved, That we respectfully request the Council to give such an explanation of their action as will relieve our fears."

Dr. Castle of Toronto, however, writes a long letter to the Canadian Baptist defending Mr. Brookman, and thinks the church at Yorkville, "in many respects fortunate in having lighted, in God's providence, upon such a man for the pastorate." Various other remonstrances have appeared.

The death of BENIAH MORSE, Esq., of Berwick, will be a surprise and cause of sorrow to many of our readers. We were not before at liberty to give his name, but may now do so, that he it was who sent \$50 for Missions to the Central Association at Windsor, per Rev. J. C. Bleakney.

PROFESSOR J. E. WELLS of the Woodstock Baptist College is making his wedding tour by a visit to his friends at Harvey, N. B. The announcement of his marriage appears in our list under that heading. We can now understand how it is that we have not heard from our Ontario Correspondent for some time past. He will accept our hearty congratulations.

VISITORS TO HALIFAX.—We invite attention to the card of Mr. Jas. A. Halliday in another column. Permanent and Transient Boarders will find his house a pleasant and central home whilst staying in the city.

REV. S. MCC. BLACK, is supplying the Wolfville Baptist Church in the absence of the pastor, Rev. S. W. DeBlois now on a vacation. Our informant adds, respecting Mr. B., "and proves a very acceptable preacher."

THE LAST TASK.—A fragment concerning the authorship of the Book of Deuteronomy, by the late Judge Marshall.

Mrs. Black daughter of the late Judge Marshall, has kindly favored us with a copy of this closing fragment of her venerated father. In a prefatory note Mrs. B. says:—"This 'Fragment' was passing through the press when its author was called 'to cease at once to work and live.' Its preparation had been a labor of love to him. Sleep, so necessary to the comfort, and even life, of one who had seen his ninety-fourth year was forgotten, and the aged man was found bending over his desk at early morning hours with all the ardor of a youthful student. It was believed by him that the intended pamphlet would be productive of greater satisfaction to himself than any of the numerous publications of previous years. His Master, however, saw fit to deny him this brief pleasure calling him, meanwhile, to pleasures, which are 'forevermore.'"

It is evident from the contents of the small pamphlet that the mind of the Judge had scarcely declined in vigor and grasp of thought, and that he enjoyed writing in defence of truth as much as in his best days.

SAMUEL OSBORNE, Sophiasburg, says: I was afflicted with Dyspepsia for nearly four years, my lungs becoming affected towards the last. I was induced to try the Shoshonees Remedy. After using three or four bottles I felt much better and gained strength rapidly, my weight improved steadily and rapidly, and when I had taken three or four bottles more, I was quite restored to health and strength and have experienced better health than for forty years before. I had been under the treatment of a number of physicians before, but never received any material aid until I used your remedy.

Our dear Brother Harding was a faithful and consistent member of the Falmouth Baptist Church. He was an exceedingly holy minded man; he like Abraham, looked for a city which hath foundation whose builder and maker is God. During his illness he selected the hymns, chapter and text to be used at his funeral, and wished the writer to preach on the occasion. 2 Cor. v. 1. He leaves a sorrowing widow and four children, a loving mother, three brothers and a sister, and a large circle of relatives and friends to mourn their loss. A FACT WORTH KNOWING

THE agreeable character of PUTNER'S EMULSION OF COD LIVER OIL WITH IRON and HYPOPHOSPHITES is conclusively shown by the fact that Delicate Women and Young Children take it with avidity, and in cases of persons who do not thrive upon the food given them the use is most marked.

The efficacy of PUTNER'S EMULSION is NOT CONFINED to CONSUMPTION alone, but most valuable in the cure and treatment of BRONCHITIS, ASTHMA, CHRONIC COUGH, CATARRH, HOARSENESS, RHEUMATISM, SCROFULA DISEASES, &c.

As a Brain and Nerve Food.

There is no substance, as it contains PHOSPHORUS, which is exceedingly valuable for all diseases of the nerve system, characterized by DEBILITY, LOSS OF NERVE POWER, OVER-WORKED BRAIN AND GENERAL PROSTRATION, caused by physical and mental anxiety, NEURALGIA, LOWNESS OF SPIRITS and other manifestations of nervous exhaustion.

THE BLOOD.

The wonderful effects of IRON as a NUTRITIVE TONIC, and which is so justly valued in the treatment of ANEMIA (due to the insufficiency of IRON in the Blood) Wasting Diseases, Weakness, Palpitation of the Heart, Dyspepsia, &c., are all combined in Putner's Emulsion, on Scientific and Chemical principles. CAUTION. Each bottle of Putner's Emulsion bears the signature of the inventor, and do not be put off with any other, as they are imitations, and not genuine Emulsion, which undergo change, after standing for a time.

A TESTIMONIAL

"AURALINE!"

IS THE GREAT HEALER OF

Ear-ache, Noises in the Head, and Deafness.

HALIFAX, June 1880.

DEAR SIR,—I caught a severe cold in my head, which caused me to be quite deaf; my ears seemed shut up, and the pain kept me from sleep. I did not know what to do, until one day a friend advised me to try Auraline; she gave me a little and I put a few drops in my ear which gave me immediate relief. The pain I have not felt since. I take pleasure in offering you this testimonial, and you can publish it if you wish. Send for Circulars. J. F. AVERY, P. O. Drawer 46 Halifax, N. S. BROWN & WEBB, Wholesale Agents, Halifax.
