PATENTS
obtained for Inventors, in the United States, Canada, and Europe, at reduced rates. With our principal Office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ associate attorneys. We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter. We refer to the German-American National Bank, Washington, D. C.; the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Jos. Casey, late Chief Justice, U. S. Court of Claims, to the Officials of the U. S. Patent Office, and to Senators and Members of Congress from every State. HOLMAN PAD CO.
ANNETOWN, TRAMORE, IRELAND, November 12.

DEAR SIRS,—I am happy to bear testimony to the great efficacy of the Pad as a prevention of sea-sickness, as I, who suffered greatly whenever I was on the sea, having worn the Pad during three voyages lately, never felt the least ill, although part of the time the sea was very rough.

I remain, yours truly,
(MRS.) MARIA PALLISER.

DEAR SIRS,—I am happy to testify that the special large Pad sent to John Plunkett has done wonders for him from having been in a wretched weak state of health for the last two years constantly sick and latterly unable to rest, he is now so recovered that he feels getting quite strong. He has worn the pad constantly for one month. His nervous system is strengthened and he sleeps well. I cannot say too much in praise of the pad as its effects in this cure are almost miraculous.

I remain, yours truly,
(MRS.) MARIA PALLISER.

CONSUMPTION CAN BE CURED
IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable," and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophala, Anemia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.
Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sept. 2, 1876.
Gents—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, palatable and efficacious.
C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne—Gentlemen.—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.
Very truly,
J. SIMONAUD, M. D., New Orleans, La.
December 10th, 1878.

Messrs. Scott & Bowne—Gentlemen.—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.
Very truly yours,
H. F. SLOCUM, Lowell, Mass.

GATES' ACADIAN LINIMENT

IS a well-known vegetable compound, possessing a well-concentrated combination of soothing and healing virtues, and has been extensively used throughout Nova Scotia for a number of years, and has proved itself to be one of the best articles in use for internal and external diseases;
Inflammations or Pains seated in any part of the body;
Diarrhoea; Bites and Stings of Insects; Dysentery; Colds and Coughs; Chilblains; Toothache.
For Diphtheria and Sore Throat it has particularly proved itself to be the best article in use, having saved the lives of numbers of children and adults, especially during the past two years, when it has been so prevalent. It is equally effectual for Quinsy, and for
Sick Headache; Sprains; Rheumatism; Felons; Pleurisy; Etc.
Spinal disease or Affection of the Spine it should be used in connection with the Nerve Ointment.
It will cure a Horse's Cough; Cuts, and Wounds of every description, on man or beast, like magic; as well as all ailments for which Liniments are used. This preparation is recommended as a perfectly safe remedy, being entirely free from the opening ingredients so commonly found in popular Liniments which render the patient so liable to take cold, which they invariably do. For internal use as a gargle it should be adulterated with water.
Sold everywhere at 25 cts. per bottle. Manufactured only by
