2. At Chicacole, the stations occupied by Rev. W. F. Armstrong and wife, a great deal of missionary and school work has been undertaken and performed.

Mrs. Armstrong forwarded to the Board an admirable and interesting report of her school work, which she has carried on without any material aid from her husband.

But in the providence of God, our brother and sister Armstrong were compelled on the 22nd of May last to leave their interesting field of labour and to embark for their native land.

Before the departure of brother Armstrong, and after consultation with the other missionaries, it was deemed advisable that Miss Hammond should take charge of the station vacated by the removal of the missionary.

The Board has approved of this action and sent forward their expressions of appreciation and sympathy.

3. Bobbilly has been occupied by Rev. Geo. Churchill and wife, both of whom have performed what evangelistic services they were able to do during the year.

We hope that we may be able to submit to this report the formal reports of our missionaries, and present them to the denomination in the next Year Book.

W. M. A. SOCIETIES. We have had more than ever, this year, reason to be thankful for the timely aid rendered to the Board by our ever faithful and generous auxiliaries.

Without providing for any emergency which may arise, we judge that we shall need about \$5,500 during the current year to meet the expenses connected with the payment of salaries of missionaries, native preachers, teachers, colporteurs, &c., so that we must appeal to the Convention to use such endeavours as shall elicit the practice of wide spread and large benevolence among the churches.

The Convention are requested to authorize the Foreign Mission Board to pay our missionaries at the rate of \$1200 per annum which is the sum paid by the Foreign Missionary Boards of Ontario and Quebec, and of the United States, and

which the Missionaries from the beginning of their missionary services was understood by them should be paid to them after four years service in the field.

In Memoriam. REV. HENRY SAUNDERS. MRS. SARAH SAUNDERS.

Died at Hillsburgh, Digby Co., August 15th, the Rev. Henry Saunders, in the 90th year of his age; and on the 20th August, Sarah, his beloved wife, in the 82nd year of her age.

These aged servants of God had lived together for nearly 63 years, and were only divided a few days in their death. Their strength was spent in the service of God. On His bounties they fed. By His grace they were sustained when in active service; and "when heart and flesh failed, Jehovah was the strength of their heart and their portion forever."

Their children, when laying them in their last resting place could each say with Cowper, "My boast is not that I deduce my birth From loins enthroned, and rulers of the earth; But higher far my proud pretensions rise The son of parents passed in to the skies."

In the death of these aged ones another link which binds this generation to the past is severed. They were originally members of the Nictaux Church then under the pastorate of the late Thomas H. Chipman, to whom they were ever devotedly attached.

General Grant has promised to be present in Boston on October 6th, when the Middlesex Club will give a banquet and reception in his honor.
