RHEUMATISM.—I had for some years been very much troubled with Rheumatism, pain and weakness in my knees so that it was with great difficulty that I could walk about, and from the failure of everything I had tried I had despaired of ever finding anything could cure me, but by the advice of a friend I gave Graham's Pain Eradicator a trial, one bottle of which completely cured me, as I have not felt any return of that complaint since using this medicine more than seventeen years ago. LIGHT BRAHMA FOWLS, EGGS FOR HATCHING.

THE ADVERTISER offers to supply to Farmers and others interested in the improvement of Poultry, Stock Eggs from the "Tees" strain of Light Brahma Fowls imported by him from Pennsylvania this winter, in anticipation of a large demand next winter for large sized fowls for shipment to Europe. Poultry raisers would do well to turn their attention to the breeding of large sized birds. The Light Brahma is the most profitable, costing no more to raise a nine pound Brahma than a four pound Barndoor. They are very hardy, and lay nearly the whole year, and are small eaters. The advertiser received the first prize at the late Halifax Poultry Show for the heaviest Cockerel and variety. Price \$3.00 per 13, and \$5.00 per 26 Eggs, carefully packed and sent to any part of the Dominion. Cash must in every case accompany order. Each order executed in turn. Address J. I can cheerfully recommend it to others afflicted as I was, I can also recommend it highly for hoarseness, I use it constantly for my voice and believe that I derive more benefit from its use than any other medicine that I have taken.
