APPLES FOR EXPORTATION. - Mr. Joseph H. Bent writes from London to the Wolfville Star, that much injury is done to fruit sent in barrels, by nails driven through the staves. He says: "The Canadian Baldwins, Hubbardson, and Blue Pearmain, are among the varieties that have come to hand in the best condition so far. Ribston Pippins and some Gravensteins, have also arrived in good condition. I would say in justice to our Kings and Annapolis County packers, excepting one lot of King of Tompkins County, received from New York, their apples have been put up quite as well, and I think I should only be stating the truth to say—rather better—than any I have handled as yet. There have been marked improvements the last year or

If anyone has beaten this, I hope he will let us hear from him.

The Dominion steamer Newfield has Magdalen Islands to Meat Cove, C. B. Next she laid a line across the narrows of the Bras d'Or Lake about a mile. This has all been done with much despatch and success. Not a single accident has occurred. The steamer on leaving here will go to Grand Manan and lay 7 miles and a half from Dark Harbor to Quoddy. In April the Newfield will return to London and take on board the cable to connect Sable Island with Whitehead, and another to be laid from St. Paul's Island to Meat Cove, C.B.

At the recent opening of the Provin-CIAL NORMAL SCHOOL at Truro, there was a large gathering of leading gentlemen and ladies present. The Principal reported seventy-eight pupils enrolled and the probability of having the number considerably enlarged soon. Dr. Allison gave an excellent address on the aim and object of the Normal School. Rev. J. E. Goucher, and Rev. D. W. C. Dimock, also spoke briefly to the students and friends present. shinval

Another ray from the Star. We copy the following paragraph so that if any reader of ours who does not gaze on that "bright particular" and feels like starting an oat-mill he may have an opportunity :-- Complaints are being raised that there are no mills now in operation for grinding oats. In former years there were several oat mills in the country, but now there are none. Some of our enbut now there are none. Some of our enterprising men should erect mills for this purpose, and we feel confident that they would be patronized. Good oatmeal is | highly prized in the household of the farmer, but it is too expensive to pur-chase what is imported; but if there were facilities at home for grinding and drying the meal it would cost comparatively little.

HOLMAN PAD CO. :

DEAR SIRS, -I am happy to bear testimony to the great efficiency of the Pad as a prevention of sea-sickness, as I, who suffered greatly whenever I was on the sea, having worn the Pad during three voyages lately, never felt the least ill, although part of the time the sea was very rough.

I remain, yours truly, (MRS.) MARIA PALLISER.

December 12th. DEAR SIRS, -I am happy to tell you that the special large Padsent to John Plunkett has done wonders for him from having been in a wretched weak state of health for the last two years constantly sick and latterly unable to rest, he is now so recovered that he feels getting quite strong He has worn the pad constantly for one month. His nervous system is strength-ened and he sleeps well. I cannot say too much in praise of the pad as its effects in this cure are almost miraculous.

I remain, yours truly, (Mrs.) MARIA PALLISER. Price of Pads, \$2.50; \$3.50, Absorption Plasters and Salt. Orders payable to J. G. BENNET,

Gents—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with
Hypophosphites during the past year, and regard it as a valuable preparation in
scrofulous and consumptive cases, palatable and efficacious. C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne—Gentlemen.—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites. and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form. Very truly, J. SIMONAUD, M. D., Ne J. SIMONAUD, M. D., New Orleans. La.

Messrs. Scott & Bowne: Gentlemen: In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not speke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Very truly yours.

Ear-ache, Noises in the Head, and Deafness.

HALIFAX, June 1880. DEARSIR, -I caught a severe cold in my bears sir,—I caught a severe cold in my head, which caused me to be quite deaf; my ears seemed shut up, and the pain kept me from sleep. I did not know what to do, until one day a friend advised me to try Auraline; she gave me a little and I put a few drops in my ear which gave me immediate relief. The pain I have not felt since.
