

At Torbrook, on the 2nd of May, Mrs. John Parker, aged 35 years, daughter of William and Eliza Love Wheelock. Sister Parker experienced religion when quite young and united with the church. She loved the Saviour and longed for his appearance. Her end was peace.

At River Hebert, May 28th, Mr. Wm. Christie, aged 85 years.

At Nictaux, on the 9th of May, Mary Baxter, aged 80 years. Sister Baxter became a member of the Nictaux Baptist Church many years ago, and remained a faithful and consistent member until the Lord called her home. She was greatly beloved by all who knew her. She patiently waited God's will, and not a murmur or a word of complaint escaped her lips. She died in the Lord and rests from her labors. "Blessed are the dead who die in the Lord." The occasion was improved by the Pastor from 2 Cor. v. 1. "For we know, that if our earthly house of this tabernacle were dissolved, we have a building of God not made with hands, eternal in the heavens."

W. J. BLAKENEY.

On Tuesday, June 8th, Kester Jennings, in the 44th year of his age, leaving a wife and six children.

On Monday, the 7th inst., Catherine, wife of Matthew Roland, in the 25th year of her age.

On the 26th, of May at Billtown, of Consumption, Maggie, wife of A. D. Foster and eldest daughter of Theodore and Harriet Reid, aged 28 years. She died confidentially trusting in the Saviour whom she had loved and served for years.

On April 10th, at Halls Harbor, Maud Helena, youngest daughter of Dea. W. A. and Susan M. Roscoe, aged 13 years.

IS THE GREAT HEALER OF Ear-ache, Noises in the Head, and Deafness.

HALIFAX, May, 1880.

DEAR SIR,—My Sister-in-law to whom I gave a few drops of "AURALINE," one night for "ear-ache" and "noises" in the head, said, "it acted like a charm," for the next morning the pain and noise had ceased, and her head was clearer than it had been for a long time, it is now two months since, and she has not had the EAR-ACHE, and can hear BETTER than she did before.

A few drops in the ear occasionally is all that is required. Sold by all druggists at 50c per bottle.

GATES' ACADIAN LINIMENT

IS a well-known vegetable compound, possessing a well concentrated combination of soothing and healing virtues, and has been extensively used throughout Nova Scotia for a number of years, and has proved itself to be one of the best articles in use for internal and external diseases;

Inflammations or Pains seated in any part of the body; Diarrhoea; Bites and Stings of Insects; Dysentery; Colds and Coughs; Chills; Toothache.

For Diphtheria and Sore Throat it has particularly proved itself to be the best article in use, having saved the lives of numbers of children and adults, especially during the past two years, when it has been so prevalent. It is equally effectual for Quinsy, and for Sick Headache; Sprains; Rheumatism; Felons; Pleurisy; Etc.

Spinal disease or Affection of the Spine it should be used in connection with the Nerve Ointment. It will cure a Horse's Cough; Cuts, and Wounds of every description, on man or beast, like magic; as well as all ailments for which Liniments are used. This preparation is recommended as a perfectly safe remedy, being entirely free from the opening ingredients so commonly found in popular Liniments which render the patient so liable to take cold, which they invariably do. For internal use as a gargle it should be adulterated with water.

Sold everywhere at 25 cts. per bottle. Manufactured only by C. GATES, SON & Co., Middleton, N. S.

A FACT WORTH KNOWING

THE agreeable character of PUTTNER'S EMULSION OF COD LIVER OIL with IRON and HYPOPHOSPHITES is conclusively shown by the fact that delicate Women and Young Children take it with avidity, and in cases of persons who do not thrive upon the food given them the use is most marked. The efficacy of PUTTNER'S EMULSION is NOT CONFINED TO CONSUMPTION alone, but most valuable in the cure and treatment of BRONCHITIS, ASTHMA, CHRONIC COUGH, CATARRH, HOARSENESS, RHEUMATISM SCROFULA DISEASES, &c.

As a Brain and Nerve Food.

There is no substitute, as it contains PHOSPHORUS, which is exceedingly valuable for all diseases of the nerve system, characterized by DEBILITY, LOSS OF NERVE POWER, OVER-WORKED BRAIN AND GENERAL PROSTRATION, caused by physical and mental anxiety, NEURALGIA, LOWNESS OF SPIRITS and other manifestations of nervous exhaustion.

THE BLOOD.

The wonderful effects of IRON as a NUTRITIVE TONIC, and which is so justly valued in the treatment of ANEMIA (due to the insufficiency of IRON in the Blood) Wasting Diseases, Weakness, Palpitation of the Heart, Dyspepsia, &c., are all combined in Puttner's Emulsion, in Scientific and Chemical principles. CAUTION. Each bottle of Puttner's Emulsion bears the signature of the inventor, and do not be put off with any other, as they are imitations, and not genuine Emulsions, which undergo change, after standing for a time. For sale by all Druggists and Dealers throughout the Dominion.

CONSUMPTION

CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form "perfectly palatable," and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, N. Y., Sept. 2, 1876. Gents—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.

Very truly, C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne—Gentlemen.—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

Very truly, J. SIMONARD, M. D., New Orleans, La.

December 10th, 1878.

Messrs. Scott & Bowne—Gentlemen.—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer, Scott's Emulsion of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine. Very truly yours, H. F. STOCUM, Lowell, Mass.

LIGHT BRAHMA FOWLS, EGGS FOR HATCHING.

THE ADVERTISER offers to supply to Farmers and others interested in the improvement of Poultry Stock, Eggs from the "Teas" strain of Light Brahma Fowls imported by him from Pennsylvania this winter. In anticipation of a large demand next winter for large-sized fowls for shipment to Europe, Poultry raisers would do well to turn their attention to the breeding of large sized birds. The Light Brahma is the most profitable, costing no more to raise a nine pound Brahma than a four pound Barndoor. They are very hardy, and lay nearly the whole year, and are small eaters. The advertiser received the first prize at the late Halifax Poultry Show for the heaviest Cockerel any variety. Price \$3.00 per 12 and \$5.00 per 26 Eggs, carefully packed and sent to any part of the Dominion. Cash must in every case accompany order. Each order executed in turn. Address J. PENNINGTON, 32 Bishop Street, Halifax, N. S. April 21.
