RELIGIOUS INTELLIGENCE.

ECONOMY.—The work of grace is progressing steadily at Lower Economy, April 25th, I baptized three men into the likeness of Christ's death. One an old man of sixty-eight years, lately converted to God. Yesterday, May 2nd, I baptized a young man at Bass River, and on Saturday, our Conference was very interesting, the more so, on account of four persons taking part in it, who had not spoken in public before. Rejoice with us.

Yours in hope of Eternal Life,
GEO. F. MILES.

ANNAPOLIS, May 3rd, 1880.

We are glad to be able to report a little further progress here. The Lord has been better to us than our fears.

Seven more were baptized yesterday morning, received into the Church at the close of the morning service, and united with us in "breaking bread."

This makes, including three by letter, an addition of twenty in the last few weeks. We give God all the glory, and ask the continued prayers of our brethren.

Yours truly,
T. A. HIGGINS.

SAMUEL OSBORNE, Sophiasburg, says: I was afflicted with Dyspepsia for nearly four years, my lungs becoming affected towards the last. I was induced to try the Shoshonees Remedy. After using three or four bottles I felt much better and gained strength rapidly, my health improved steadily and rapidly, and when I had taken three or four bottles more, I was quite restored to health and strength and have experienced better health than for forty years before. I had been under the treatment of a number of physicians before, but never received any material aid until I used your remedy.

A. MCKAY, Truro, N. S., says: He was very bad with Liver Complaint, but used the Shoshonees Remedy, and in a month was as well as I had ever been in my life. I am now in business and wish you to send me three dozen by steamer.

A. WOOD, Consequo, says: That he has tried the Remedy for Liver Complaint and Dyspepsia with great success. I have also used the Shoshonees Pills and find that they are as good as any I ever tried.

HENRY KING, Geneva, N. Y., says: My wife was intensely afflicted with dyspepsia for a long time. We consulted physicians of three different schools, and received no benefit. She has taken three bottles of the great Shoshonees Remedy and is now hearty and well.

As vernal flowers that scent the morn,
But wither in the rising day,

Crandall, and united with the Baptist Church at Goose River, of which she was a consistent and beloved member up to the time of her decease. At Hebron, April 21st, Catherine, wife of the Rev. John Rowe, eldest daughter of Major M. C. and Elizabeth W. Florian, in the 63rd year of her age. She experienced a saving change of heart under the preaching of the Rev. John Chase, at Wolfville, about 30 years ago, when there was a powerful revival in progress in Wolfville Church, at the time. She has manifested through all the changes of her life, a firm trust in God. She cheerfully submitted to the peculiar trials incident to a minister's wife, as all working for the glory of God and her own spiritual advancement. She took a very active part in Hebron, in advancing the interests of the Women's Missionary Aid Society, collecting funds for that purpose, by travelling from house to house. Her disposition was naturally sociable and kind which gave her an easy access to the hearts of the people, and rendered her undertakings generally successful. The last two years of her life her health was gradually declining, although she was enabled to discharge all her domestic duties within eight days of her death. Her end was peace. A few moments before her death, she said, she was going home to be with Jesus. The Rev. A. Cohoon, pastor of the Hebron Church, improved the occasion, by preaching from Rom. v. 17. He was followed by four ministering brethren, Rev. Mr. Clark, Bro. Lavers, Bro. Cogswell, also Bro. McQuillin, took part in the solemn services.

NEW ADVERTISEMENTS.

VEGETINE.

WILL CURE RHEUMATISM.

MR. ALBERT CROOKER, the well-known druggist and apothecary of Springville, Maine, always advises everyone troubled with Rheumatism to try VEGETINE.

Read His Statement:
SPRINGVALE, ME., Oct. 12, 1876.

MR. H. R. STEVENS:—

DEAR SIR,—Fifteen years ago last fall I was taken sick with rheumatism, was unable to move until the next April. From that time until three years ago this fall I suffered everything with rheumatism. Sometimes there would be weeks at a time that I could not step one step; these attacks were quite often one step; I suffered everything that a man could. Over three years ago last Spring I commenced taking VEGETINE and followed it up until I had taken seven bottles; have had no rheumatism since that time. I always advise everyone that is troubled with rheumatism to try VEGETINE and not suffer for years as I have done. This statement is gratuitous as far as Mr. Stevens is concerned.

Yours, etc.,
ALBERT CROOKER,
Firm of A. Crooker & Co., Druggists and Apothecaries.

VEGETINE

HAS ENTIRELY CURED ME.

BOSTON, Oct., 1870.

MR. H. R. STEVENS:—

DEAR SIR.—My daughter, after having a severe attack of Whooping Cough, was left in a feeble state of health. Being advised by a friend she tried the VEGETINE, and after using a few bottles was fully restored to health. I have been a great sufferer from Rheumatism. I have taken several bottles of the VEGETINE for this complaint, and am happy to say it has entirely cured me. I have recommended the VEGETINE to others with the same good results. It is a great cleanser and purifier of the blood; it is pleasant to take and I can cheerfully recommend it.

JAMES MORSE, 364 Athens St.

RHEUMATISM IS A DISEASE OF THE BLOOD

The blood in this disease, is found to contain an excess of FIBRIN. VEGETINE acts by converting the blood from its diseased condition to a healthy circulation. VEGETINE regulates the bowels which is very important in this complaint. One bottle of VEGETINE will give relief but to effect a permanent cure it must be taken regularly, and may take several bottles, especially in cases of long standing. VEGETINE is sold by all druggists. Try it, and your verdict will be the same as that of that of thousands before you, who say, I never found so much relief as from the use of VEGETINE, which is composed exclusively of BARKS, ROOTS and HERBS. 'VEGETINE,' says a Boston physician, 'has no equal as a blood purifier. Hearing of its many wonderful cures, after all other remedies had failed, I visited the laboratory and convinced myself of its genuine merit. It is prepared from barks, roots and herbs, each of which is highly effective, and they are compounded in such a manner as to produce astonishing results.'

VEGETINE

NOTHING EQUAL TO IT.

SOUTH SALEM, MASS., Nov. 14, 1876.

MR. H. R. STEVENS,

DEAR SIR,—I have been troubled with Scrofula, Canker and Liver Complaint for three years nothing ever did me any good until I commenced using the VEGETINE. I am now getting along first rate, and using the VEGETINE. I consider there is nothing equal to it for such complaints. Can heartily recommend it to everybody. Yours truly,

Mrs. LIZZIE M. PACKARD,
No 16 Lagrange street, South Salem, Mass.
