

Money saved and pain relieved by the leading household remedy, Dr. Thomas' Electric Oil—a small quantity of which usually suffices to cure a cough, heal a sore, cut, bruise or sprain, relieve lumbago, rheumatism, neuralgia, excoriated nipples or inflamed breast.

It is said ease of mind assists longevity. A man who carries a policy of life insurance in such a Company as the UNION MUTUAL certainly should have ease of mind, and therefore this must help to prolong his life.

THE HIGHEST AWARD.—That Puttner's Emulsion stands to-day higher and far ahead of any other compound of the kind, and is acknowledged by the profession to be the most reliable in the treatment of Wasting, Scrophulous, and Children's Diseases, and diseases of the Nervous System, where the brain is overworked, and the general system run down for the want of Phosphorus, which is the only Nerve Tonic.

THE BLOOD AND NERVE TISSUES owe their healthy existence to Phosphorus and become disorganized when it is lessened in quantity. It is as necessary to the proper preservation of the functions of life as Electricity is to the Telegraph.

The latest returns to the Illinois Department of Agriculture show that the results of threshing have reduced the average prospective yield in some countries, and increased it in others. Sixty-two countries are named, which produced in 1880, 32,632,056 bushels of fall wheat, against 13,448, 565 bushels this season, a reduction of 59 per cent, when compared with the yield of the previous year.

AN IMPOSSIBLE CHOICE. A teacher had been relating to his class the story of the rich man and Lazarus; when he asked: "Now, which would you rather be, boys, the rich man or Lazarus?" One boy replied: "I will be the rich man while I live, and Lazarus when I die." And is not that what multitudes are trying to do? All want to die the death of the righteous, after having lived the life of Dives.

MECHANICAL ORGUINETTE,

AN AUTOMATIC REED ORGAN.

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music. TORONTO GLOBE."

"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ with as strong and melodious a tone as a Cabinet Size. It surpasses the Cabinet Organ for the reason that the mechanism in music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism and consequently not liable to get out of order."—MONTREAL GAZETTE.

"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."—MONTREAL STAR.

From the Rev. Ralph Brecken, Pastor Brunswick Wesleyan Church, Halifax— C. E. PUTTNER, Ph. M.

DEAR SIR,—Having been induced to try your Emulsion Cod Liver Oil, as a remedy for Influenza, with Cough, Cold, &c., I have much pleasure in testifying to its beneficial results as compared with any remedy ever previously used. Unlike most Cough remedies, it neither nauseates nor weakens, but pleasantly invigorates the general health.

AS A TONIC FOR CONVALESCENTS, recovering from Diphtheria, Fever, and all exhausting diseases, where the whole system is run down and requires building up, great benefit will be found by the use of

PUTTNER'S EMULSION AS A FAMILY MEDICINE.

Mr. Theakston, Secretary Y. M. C. A. MR. C. E. PUTTNER, Ph. M.

DEAR SIR,—I have used your Emulsion in my family for the simple cough, as well as for the more obstinate kind, also for general debility. In every case it has given the utmost satisfaction. I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER It will be found to exceed the many medicines now offered, as it supplies the BLOOD WITH IRON,

which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of PALE, WEAK AND ANEMIC WOMEN AND CHILDREN.

The Trade says: H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says:

Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use. I consider it the best CREAM or EMULSION offered to the public, it being scientifically prepared, it remains permanent and unchanged.
