BEWARE! There are 20,000 FRAUDULENT PADS IN HOLMAN'S name.

Four times the effect of medicine.

TESTIMONIAL. ACADIAN MINES, December 16, 1880.

TO HOLMAN PAD CO., 119 Hollis St., Halifax.

GENTLEMEN, I suffered for many years from an impaired digestion, an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack, the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; my last estate would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better, a fact I realized in being able to lie upon my left side for quite a long time without inconvenience. I continued wearing the Pad, night and day, for nearly three months. I then felt so much better that I procured a second Pad, and wore it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would hasten this desirable end. Without troubling you with further details of my complaints and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I cannot overstate their value to those similarly afflicted as I have been.

Yours faithfully, C. C. PRESTON. Price of Pads, \$2.50; \$3.50, Absorption Plasters and Salt. Orders payable to J. G. BENNET, Dec. 29.

THE BEST REMEDY FOR

Diseases of the Throat and Lungs.

AYER'S CHERRY PECTORAL. In diseases of the pulmonary organs a safe and reliable remedy is invaluable. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, of such power as to insure the greatest possible efficiency and uniformity of results. It strikes at the foundation of all pulmonary diseases, affording prompt relief and rapid cures, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it readily. In ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

Low prices are inducements to try some of the many mixtures, or syrups, made of cheap and ineffective ingredients, now offered, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
