heart, Edward Albro, aged 8 years, eldest sen of James and Jane Frizzle.

Samuel Ryder, Sr., departed this life at the residence of his son, Lower Granville, April 8th, aged 77 years. He professed faith in Christ some years ago, was bap-tized by Rev. Isa. Wallace, and united with the church of which he remained a consistent member until his death. His absence is mourned in the church and community, as well as in his family, but all have the consolation of knowing that his end was peace. A large congregation gathered at the house of God, where the occasion was improved from Matt. xxiv. 44. After which the remains were consigned to their resting place, in hope of a happy resurrection at the coming of the Son of Man in His glery.— Com. by Rev. J. D. Skinner.

At Hammond's Plains, May 1st, Susie Porter, adopted daughter of John and Mary Thomas, aged 14 years. Leaving a large circle of friends to mourn their loss.

A little while she lingered here, Beside the household hearth; But ah, too beautiful was she, Too fair and frail for earth.

And so her Father caught her up, To yonder blissful sphere, Where sighs of sorrow never come,

Nor falls the burning tear. Mrs. Elizabeth Nowlan, widow of the late Thomas Nowlan, of Hollands Harbor, departed this life April 29th, in the 81st year of her age. She was born at LaHave, and united with the Methodists of that place. Her first husband's name was Andrew Fleck. In 1841, they moved with their family to Holland's Harbour. Mr. Fleck lived but a few years after he came to the above named place, after which she became the wife of Thomas Nowlan. In 1846 she was baptized by the late Rev. William Hobbs, at Indian Harbour, now Port Hillford, and united with the Baptist Church of that place, of which she was a worthy member until death. Our sister was a patient sufferer for some years. She was firm in the hope of eternal life through grace, giving glory to God; thus our sister has left the church on earth to join the church in Heaven. "Precious in the sight of the Lord is the death of his saints." She the Lord is the death of his saints." She was the mother of three daughters and six sons, all by her first husband, three of whom are fallen asleep. May our heavenly Father bless this bereavement to all the relatives and friends of the deceased. Com. by Rev. H. Eagles.

At Hampton, April 10th, Catherine, widow of the late Samuel Foster, in the who knew her. Her life was remark- schooner bound for Boston, I fell down into consistent, she was a good woman, and full of faith, and "she is not for the Lord took her." She prayed that she might have an easy and speedy departure, and last Sabbath as the sun was rising in all his splendor, our sisters spirit rose into the glorious sunlight of heaven. We will miss her in the meetings. Her funeral was attended by a large number of relatives and friends, who all mourn the loss of a loving be brought once more to perform its propmother and kind friend.-S. E. M.

Mrs. Lucy Foster, widow of Edward Foster, in the 90th year of her age, died on Tuesday, April 19th, after an illness of three years. She never was heard to complain. During the latter part of her illness, her voice failed her, yet she could always signify her willingness to depart and be with Christ and the loved ones gone before. Many years ago she was baptized by the Rev. Mr. Bancroft into the fellowship of the Port Medway Baptist Church. In the faith and love then experienced, our sister continued unto the end of life. Not being able to attend Church much for some years past, she would not on that account be debarred from meeting with God's people, so her house was frequently opened for prayer, that she might unite with her

brethren in praise of Him who had been her stay and staff during so many years. Here God's servants always found a wel-come and a home; she was kind and courteous to all and every body loved and respected her. Though sister Foster had been called to part with her husband some 23 years ago, yet she was highly SOUTH AFRICA.—The news from the Transvaal is disquieting. Gen. Wood has everything ready for an emergency. A large meeting of Boers has been held at Pretoria, whereat the speakers expressed most extreme views relative to the by N. T. Baker.

PRACTICING MEDICAL DOCTOR

CURED OF A-

LOWER GRANVILLE, APRIL., 1873.

MY DEAR FRIEND :- I have always, until of late, been a bitter enemy to all patent occult preparations in the shape of mediwidow of the late Samuel Foster, in the 70th year of her age, esteemed by all of an unlucky fall from the deck of a the cabin, by which, displacing two of the short ribs on the right side, the liver was so seriously injured than for twentyfour hours death was expected every moment. In a few days a bloat was discovered in the ankles, pervading in a short time all the body. I used every medicine that medical art could devise, not excepting a thorough course of mercury, in order that the liver might er functions, but did not succeed until I had taken a jug full of your LIFE OF MAN BITTERS which you kindly sent me. After I had taken a few draughts I began to improve. I was always fond of Bitters, when scientifically prepared, and this induced me, although an unbeliever, to partake of liberal draughts in the morning at 11 o'clock, and 4 p. m., of your Bitters, and before I thought, was

cheated into a cure so far as was possible. I am truly surprised that such a valuable and at the same time safe compound, should not meet with the liberal patronage that it, in my opinion, so justly merits.

I am yours respectfully, WILLIAM KENNEDY, M. D. SOLD BY ALL DRUGGISTS.

STAMMERING CERTIFICATE.

WE THE UNDERSIGNED, residents of North Sydney and vicinity in Cape Breton, having known Miss Lawlor when afflicted with, and often times pained to witness her struggling with the impediment of stammering, have now much pleasure in testifying through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas with a freedom of speech at once free, deliberate, and apparently without effort. We learn from her that she attended, last December, the Stammering Institute at Halifax, in charge of Mr. R. B. Mac-Kintosh,—he having been empowered to use the method first known to and use the method first known to, and practiced by Professor Sutherland of London, Ontario. We heartly recommend those similarly affected as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young. Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical ex-periment, and are the most effectual rem-edy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

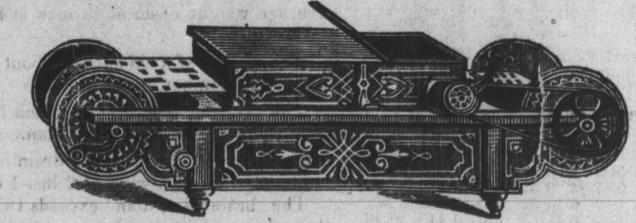

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
