FOR THE CURE OF

Consumption, Paralysis, Bronchitis, Asthma, Dyspepsia, Scroiula, Salt Rheum, and other Skin and Blood Diseases, Richets, Anœmia, Loss of Flesh, Wasting both in Adults and Child; Nervous Prostration.

Invaluable as a Tonic to brace up the system when it is in that state known as BELOW PAR, brought on by Mental Anxiety, Over Brain Work, Overnursing of Mothers, and other Excesses which, if not relieved, end In DIPH-THERIA, LOW FORM OF FEVER, CONSUMPTION, &c.

PERFECT PLEASANT PURE

COMBINATION,

TO THE TASTE,

INGREDIENTS.

Many persons who have not used Eagar's Cream confound it with the many Emulsions which are so freely offered for sale. To such Mr. Eagar begs to say that EAGARS' CREAM is ENTIRELY DIFFERENT FROM ANY PREPARATION on the market, and unlike the ordinary combinations of Cod Liver Oil, it produces NO ERUCTATION nor sense of nausea after taking; in fact, Patients find it so pleasant and effective that they like the taste and look for it even after they are well.

As a proof of its being different from other preparations, it has EFFECTED CURES AFTER OTHERS HAVE FAILED. For one of the many such cures see certificate of Mr. Archibald below.

In order to avoid having this Cream classed with Emulsions, Mr. Eagar will in future call this Cream PHOSPHOLEINE.

Below are the names of LEADING MEN IN THE PROFESSION who have tried Eagar's Cream; and if you are not satisfied that it is the BEST MEDICINE IN USE for Wasting Diseases go and ask any one of them. Hon. W. S. ALMON, M. D., Senator.

The following certificates are from gentlemen who have learned the exact state of their cases from the physicians who attended them during their illness, and know beyond a doubt that they were cured by the joint efforts of a carefully directed dietary treatment, and Eagar's Cream as medicine—their certificates are therefore valuable.

Attention is particularly called to the case of Mr. Harrington. His physician says that the case was an UNMISTAKEABLE CASE OF TUBERCULOUS DEGENERATION OF THE LUNG or INCIPIENT CONSUMPTION, and that his is one of the FEW CASES THAT HAS EVER BEEN CURED.

In Mr. Dimock's case the physician who attended says the patient was very delicate the certificate is bona fide.

Read the certificates and letters of Dr. E. A. Teffts, of the Medical Therapeutic Insti tute, of Toronto, and both the statements contained therein and the quantity used will prove conclusively the value of Eagar's Cream, or Phospholeine.

Read the certificate of Dr. O'Reilly, of that celebrated and extensive institution the TORONTO GENERAL HOSPITAL, where EAGAR'S CREAM was tested in wasting and other diseases during a period extending over five months, and after such evidence in its favor the most sceptical will be satisfied that EAGAR'S CREAM is superior to all others in the cases for which it is recommended.

ASHDALE, HANTS Co., Nov. 12th, 1880.

MR. M. F. EAGAR, Halifax, N. S. DEAR SIR,-Last winter my son, aged six years, caught the whooping cough. The disease settled on his lungs, and for sometime we almost despaired of his life. Our doctor advised me to give him your Cod Liver Oil Cream with Hypophosphites, and lege of attending an institution calculated to render such valuable aid to both old

LEWIS DIMOCK. Yours truly,

DEAR SIR,-Last summer I was troubled with a Cough, and my physician says, unmistakeable symptoms of Consumption, including debility and loss of ficsh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Cod Liver Oil Cream with Hypophosphites, and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least.

I am, dear sir, yours faithfully, E. R. HARRINGTON.

HALIFAX, May 10th, 1880. MRS. CHIPMAN, Willow Park, Halifax, begs to add her testimony in favor of Eagar's Cod Liver Oil Cream. Having suffered from an affection of the lungs for several years past, together with most distressing attacks of Phthisis, and having tried almost every known remedy, many of which more or less relieved the cough and depression, was last autumn recommended to try Eagar's Cod Liver Oil Cream, which she did, with immediate and singular and beneficial results.

It reduced the cough, relieved the distress and depression, improved the appetite, and

Mrs. Chipman considers Eagar's Cod Liver Oil Cream an invaluable medicine, and would recommend all Persons suffering from weak lungs or Phthisis to try its use, for if it has the same effect upon others as it is having upon her, there is no estimate to its advantages upon the health and spirits of the patient.

M. F. EAGAR, Esq., Halifax. Cow BAY, Nov. 28th, 1880. DEAR SIR,-During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lung. For the next two years I used many different preparations, including --- 's Emulsion, --- 's Emulsion, and also Churchill's Compound Syrup, from neither of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream, to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly afflicted, being convinced that the ingredients contained in your Cream are what is necessary for rebuilding of either weak or diseased lungs.

ISAAC ARCHIBALD. Yours, gratefully,

Toronto, Ontario, October 7th, 1880. MR. M. F. EARAR, Halifax, N. S.

DEAR SIR,-It is with pleasure that I can recommend your Cod Liver Oil Cream with Hypophosphites. In every case it has met my expectations, and is the best preparation of the kind that I have ever used; some of my patients come to like the taste, and none call it unpleasant, which is very greatly in its lavor. STAMMERING CERTIFICATE.

WE THE UNDERSIGNED, residents of North Sydney and vicinity in Cape Breton, having known Miss Lawlor when afflicted with, and often times pained to witness her struggling with the impediment of stammering, have now much pleasure in testifying through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas with a freedom of speech at once free, deliberate, and apparently without effort. We learn from her that she attended, last December, the Stammering Institute at Halifax, in charge of MR. R. B. MAC-KINTOSH, - he having been empowered to use the method first known to, and practiced by Professor Sutherland of London, Ontario. We heartily recommend those similarly affected as Miss Lawlor, to avail themselves of the priviand young.
