

The Presbyterian Synod at New Glasgow, last week, rejoices in "the cessation of the Grants to the denominational Colleges;" but "feels unabated interest" in Dalhousie College, and "trusts that the ideal so long cherished by our church of one general Teaching University may at no distant day be realized."

This is the way our Presbyterian friends have of trying to get their own interests served at the expense of the other denominations.

GATES' VEGETABLE PLASTER

Is a Pure Vegetable Preparation from some of our most valuable Roots, &c., possessing Medical Properties. An excellent remedy for Strengthening the Back and Sides. For Pulmonary Diseases it would be advisable to put it between the shoulders. It cures: Lame Back, Lame Sides, Boils, Cuts, Cuts on Horses and Cattle, Cracked Hands, Spinal Disease, Erysipelas, Burns, etc. This Plaster is put in one ounce tin boxes, and is much cheaper to use than those ready spread, a box being sufficient to spread a plaster and renew it many times. Fishermen whose hands get sore working in the salt will find this preparation just what they want. Lumbermen should not fail to take a supply in the woods with them in case of accident. In fact all who are in need of such an article should not fail to try a box and be convinced, as many have, that it is the cheapest and best Plaster in use. Price 25 Cents. SOLD BY ALL DRUGGISTS. May 25.

STAMMERING CERTIFICATE.

WE THE UNDERSIGNED, residents of North Sydney and vicinity in Cape Breton, having known Miss Lawlor when afflicted with, and often times pained to witness her struggling with the impediment of stammering, have now much pleasure in testifying through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas with a freedom of speech at once free, deliberate, and apparently without effort. We learn from her that she attended, last December, the Stammering Institute at Halifax, in charge of Mr. R. B. MACKINTOSH, - he having been empowered to use the method first known to, and practiced by Professor Sutherland of London, Ontario. We heartily recommend those similarly affected as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young. MATTHEW WILSON, Presbyterian Minister. D. McMILLAN, do. JOHN VOOGHT, of Vooght Bros., Merchants. W. H. MOORE, of W. H. Moore & Co., Merchants. J. A. RINDRESS, Teacher, North Sydney Academy. do. DR. MACLARY, M. D. T. J. LAWLOR, North Sydney, March 1st, 1881. Apply to R. B. MACKINTOSH, 83 Upper Water St. Halifax, N. S. March 23.

MECHANICAL ORGUINETTE.

AN AUTOMATIC REED ORGAN.

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music. TORONTO GLOBE."

"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ, with as strong and melodious a tone as a Cabinet Size. It surpasses the Cabinet Organ for the reason that the ignorant in music can play it as well as the most accomplished professor. The ORGUINETTE is strong and accurate in its mechanism and consequently not liable to get out of order."—MONTREAL GAZETTE.

"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."—MONTREAL STAR.

PIANOS, ORGANS. VICTORIOUS RESULTS

Are daily recorded in favor of PUTTNER'S EMULSION.

IT VIGORATES THE GENERAL HEALTH.

From the Rev. Ralph Brecken, Pastor Brunswick Wesleyan Church, Halifax—C. E. PUTTNER, Ph. M., DEAR SIR,—Having been induced to try your Emulsion Cod Liver Oil, as a remedy for Influenza, with Cough, Cold, &c., I have much pleasure in testifying to its beneficial results as compared with any remedy ever previously used. Unlike most Cough remedies, it neither nauseates nor weakens, but pleasantly invigorates the general health. AS A TONIC FOR CONVALESCENTS, recovering from Diphtheria, Fever, and all exhausting diseases where the whole system is run down and requires building up, great benefit will be found by the use of

PUTTNER'S EMULSION AS A FAMILY MEDICINE. Mr. Theakston, Secretary Y. M. C. A., says: MR. C. E. PUTTNER, Ph. M., DEAR SIR,—I have used your Emulsion in my family for the simple cough, as well as for the more obstinate kind, also for general debility. In every case it has given the utmost satisfaction. I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER It will be found to exceed the many medicines now offered, as it supplies the BLOOD WITH IRON, which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of PALE, WEAK AND ANEMIC WOMEN AND CHILDREN.

The Trade says: H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says: Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use. I consider it the best CREAM or EMULSION offered to the public, it being scientifically prepared, it remains permanent and unchanged.

For sale by all Druggists. Price 50 cents. -ASK FOR-
