

At the residence of Matthew Allison, Windsor, March 11th, after a lingering illness, Stella M. Brown, aged 25 years.

On Monday, March 21st, at the residence of W. D. McCallum, Truro, Mrs. Sarah A. McKenzie, widow of the late Alex. McKenzie, of Pugwash, N. S., aged 69 years.

At Isaac's Harbor, March 16th, aged 32 years, Olivia, beloved wife of Capt. Robt. D. Giffin. Sister Giffin was a sufferer for years, and has several times passed very near to the valley and shadow of death. But the "like precious faith" has enabled her to say, "I fear no evil," "For me to die is gain." The messenger came unexpectedly at last, but found her watching, ready to depart and be with Christ. Her quiet, consistent influence lives after her. She died during the absence of her husband, and leaves two sorrowing little girls to be cared for by the Great Shepherd.

At Isaac's Harbor, March 14, aged one year and five months, Helen O. Giffin, youngest daughter of Capt. Whitman and Elizabeth Giffin. "Suffer little children to come unto me, and forbid them not, for of such is the kingdom of heaven."

DEAR SIR,—I have great pleasure in informing you that the Ointment made by you, and used by myself, according to your directions, has, in my case, proved completely effectual, and I firmly believe has worked a perfect cure. STAMMERING CERTIFICATE.

WE THE UNDERSIGNED, residents of North Sydney and vicinity in Cape Breton, having known Miss Lawlor when afflicted with, and often times pained to witness her struggling with the impediment of stammering, have now much pleasure in testifying through this medium that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas with a freedom of speech at once free, deliberate, and apparently without effort. We learn from her that she attended, last December, the Stammering Institute at Halifax, in charge of MR. R. B. MACKINTOSH, he having been empowered to use the method first known to, and practiced by Professor Sutherland of London, Ontario. We heartily recommend those similarly affected as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young.

PUTTNER'S EMULSION

COD LIVER OIL WITH Hypophosphites. CONSUMPTION CURED

REMARKABLE INCREASE OF Flesh and Weight. MY PHYSICIAN ORDERS ME Puttner's Emulsion

Steamship "Edgar Stuart," Halifax, N. S.
C. E. PUTTNER, PH. M.

My Dear Sir,—You are at perfect liberty to use my name in connection with your excellent and valuable compound, as I consider, by the aid of Providence and your Emulsion, that it has been the means of saving my life. Some time ago I was suffering from the first stages of Consumption, as stated by my physician, completely run down with a severe cough, no rest at night, appetite completely gone, my whole system prostrated, and emaciated, and daily losing flesh and weight. MY PHYSICIAN ORDERED ME YOUR EMULSION, and the effect has been most wonderful; from January 15th to March 1st, I gained 38 pounds of flesh under your medicine, and am today in good health, and my lungs are as sound as ever. I found it very agreeable to take, and my appetite came back, and gave me great relief at night when the cough came on, and can cheerfully recommend your Emulsion to those suffering as I have before using it.

I am, yours truly,
JAMES ROOD,
1st Officer S. S. "Edgar Stuart."

THE BEST REMEDY FOR Diseases of the Throat and Lungs.

AYER'S CHERRY PECTORAL.

In diseases of the pulmonary organs a safe and reliable remedy is invaluable. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, of such power as to insure the greatest possible efficiency and uniformity of results. It strikes at the foundation of all pulmonary diseases, affording prompt relief and rapid cures, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it readily. In ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

Low prices are inducements to try some of the many mixtures, or syrups, made of cheap and ineffective ingredients, now offered, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.

EAGAR'S PHOSPHOLEINE; OR, Cod Liver Oil Cream with Hypophosphites

FOR THE CURE OF Consumption, Paralysis, Bronchitis, Asthma, Dyspepsia, Scrofula, Salt Rheum, and other Skin and Blood Diseases, Rickets, Anemia, Loss of Flesh, Wasting both in Adults and Child, Nervous Prostration.

Invaluable as a Tonic to brace up the system when it is in that state known as BELOW PAR, brought on by Mental Anxiety, Over Brain Work, Overnursing of Mothers, and other Excesses which, if not relieved, end in DIPHTHERIA, LOW FORM OF FEVER, CONSUMPTION, &c.

PERFECT PLEASANT PURE COMBINATION, TO THE TASTE, INGREDIENTS.

Many persons who have not used Eagar's Cream confound it with the many Emulsions which are so freely offered for sale. To such Mr. Eagar begs to say that EAGAR'S CREAM is ENTIRELY DIFFERENT FROM ANY PREPARATION on the market, and unlike the ordinary combinations of Cod Liver Oil, it produces NO ERUCTION nor sense of nausea after taking; in fact, Patients find it so pleasant and effective that they like the taste and look for it even after they are well.

As a proof of its being different from other preparations, it has EFFECTED CURES AFTER OTHERS HAVE FAILED. For one of the many such cures see certificate of Mr. Archibald below.

In order to avoid having this Cream classed with Emulsions, Mr. Eagar will in future call this Cream PHOSPHOLEINE.

Below are the names of LEADING MEN IN THE PROFESSION who have tried Eagar's Cream; and if you are not satisfied that it is the BEST MEDICINE IN USE for Wasting Diseases go and ask any one of them.

Hon. W. S. ALMON, M. D., Senator.

R. ADLINGTON, M. D., Edinburgh, M. R. C. Surg., Eng., Mem. Col. Phy. and Surg., Ontario, etc.
E. A. TEFPTS, M. D., Toronto Health Institute.
C. O'REILLY, M. D., C. M., General Superintendent Toronto General Hospital.

The following certificates are from gentlemen who have learned the exact state of their cases from the physicians who attended them during their illness, and know beyond a doubt that they were cured by the joint efforts of a carefully directed dietary treatment, and Eagar's Cream as medicine—their certificates are therefore valuable.

Attention is particularly called to the case of Mr. Harrington. His physician says that the case was an UNMISTAKEABLE CASE OF TUBERCULOUS DEGENERATION OF THE LUNG OR INCIPIENT CONSUMPTION, and that his is one of the FEW CASES THAT HAS EVER BEEN CURED.

In Mr. Dimock's case the physician who attended says the patient was very delicate; the certificate is bona fide.

Read the certificates and letters of Dr. E. A. Tefts, of the Medical Therapeutic Institute, of Toronto, and both the statements contained therein and the quantity used will prove conclusively the value of Eagar's Cream, or Phospholeine.

Read the certificate of Dr. O'Reilly, of that celebrated and extensive institution the TORONTO GENERAL HOSPITAL, where EAGAR'S CREAM was tested in wasting and other diseases during a period extending over five months, and after such evidence in its favor the most sceptical will be satisfied that EAGAR'S CREAM is superior to all others in the cases for which it is recommended.

ASHDALE, HANTS Co., Nov. 12th, 1880.

MR. M. F. EAGAR, Halifax, N. S.
DEAR SIR,—Last winter my son, aged six years, caught the whooping cough. The disease settled on his lungs, and for sometime we almost despaired of his life. Our doctor advised me to give him your Cod Liver Oil Cream with Hypophosphites, and under its use he completely recovered.

Yours truly,
LEWIS DIMOCK.

DEAR SIR,—Last summer I was troubled with a Cough, and my physician says, unmistakable symptoms of Consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Cod Liver Oil Cream with Hypophosphites, and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December, without suffering from it in the least.

I am, dear sir, yours faithfully,
E. R. HARRINGTON.

HALIFAX, May 10th, 1880.

Mrs. CHIPMAN, Willow Park, Halifax, begs to add her testimony in favor of Eagar's Cod Liver Oil Cream. Having suffered from an affection of the lungs for several years past, together with most distressing attacks of Phthisis, and having tried almost every known remedy, many of which more or less relieved the cough and depression, was last autumn recommended to try Eagar's Cod Liver Oil Cream, which she did, with immediate and singular and beneficial results.

It reduced the cough, relieved the distress and depression, improved the appetite, and increased flesh and strength.

Mrs. Chipman considers Eagar's Cod Liver Oil Cream an invaluable medicine, and would recommend all Persons suffering from weak lungs or Phthisis to try its use, for if it has the same effect upon others as it is having upon her, there is no estimate to its advantages upon the health and spirits of the patient.

M. F. EAGAR, Esq., Halifax.

DEAR SIR,—During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lung. For the next two years I used many different preparations, including —'s Emulsion, —'s Emulsion, and also Churchill's Compound Syrup, from neither of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream, to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly afflicted, being convinced that the ingredients contained in your Cream are what is necessary for rebuilding of either weak or diseased lungs.

Yours, gratefully,
ISAAC ARCHIBALD.

Medical Electro-Therapeutic Institute, (Cor. Jarvis and Gerrard Sts.,) Toronto, Ontario, October 7th, 1880.

MR. M. F. EAGAR, Halifax, N. S.
DEAR SIR,—It is with pleasure that I can recommend your Cod Liver Oil Cream with Hypophosphites. In every case it has met my expectations, and is the best preparation of the kind that I have ever used; some of my patients come to like the taste, and none call it unpleasant, which is very greatly in its favor. Enclosed please find Post Office Order for \$36.65, to balance my account to date, and oblige me by sending another gross.

Yours very truly,
(Signed) E. A. TEFPT, M. D.
