

GIVE HEED TO A COUGH.—If we except those tremendous epidemics which sometimes often half depopulate the regions of country where they prevail, no diseases are so destructive as those which affect the breathing organs. Unfortunately also, there are few maladies which at the outset are so frequently disregarded as trivial. No warning is fraught with graver meaning than this—Give heed to a cough! To neglect it, is simple madness. So rapidly does lung irritation spread and deepen that often in a few short weeks a simply cough culminates in tubercular consumption, that terrible enemy to human life.

The best pulmonary remedy which medical science has developed, and which seems peculiarly adapted to the suppression of a cough or cold, Asthma, Spitting of blood, Bronchitis, or other throat or lung complaint, is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Experience has shown that the oil obtained from the Cod's liver exercises a powerful control over pulmonary diseases. In the above preparation, not only is this main ingredient especially pure, but its efficacy is greatly increased by addition to it of these hypophosphites which are among the most powerful invigorating and blood fertilizers known to MATRINA MEDICINA. While the lungs are soothed and healed by the Cod Liver Oil, the rapid physical decay attending lung diseases is stayed and the system built up and fortified by the hypophosphites. Ample evidence proves this. Ask for Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda.

Deaths.

At Kingston, Ont., Oct. 3rd, John C. King, aged 61 years. He joined the Baptist Church at Upper Wilmot, N. S., nearly forty years ago. He loved the people of God, and in His sanctuary often gave words of solemn warning of kind admonition and encouragement. He was sound in doctrine, pure in practice, benevolent and sympathetic. He leaves a widow, six children and numerous friends to mourn their loss, which to him is eternal gain. May God comfort the mourners.—R. S. MORTON.

He was baptized in 1873, and united with the Baptist Church at Pine Grove, Annapolis Co., where he then resided. He afterward removed to Cornwallis, and united with the 1st Baptist Church there. His meekness, sincerity, prayerfulness, and consistent conduct, endeared him, to all who knew him. He is much missed from the prayer and conference meetings of the Church. It was his habit, though very diffident, to worship God daily, in his family. "The memory of the just is blessed."

ST. JOHNS, Oct. 20, 1881.
To DR. BENNETT, Holman Pad Company, Halifax.

DEAR SIR, I am happy to say I am, after 12 years of suffering, quite well, and enjoying good health. Before I came to you I was given up by the doctors who attended me, all of whom knew my case well, and did their best for me, which had no effect on my disease. I believe mine is one of the first cases of Bright's Disease of the Kidneys ever known to have been cured. Your treatment was recommended to many other sufferers who had tried it with good effect.

The action of my heart, which was terrific, and which was said to be organic disease, but which you denied, is perfectly right now. Indeed, everything in my case turned out exactly as you said it would.

I remain,
Yours very truly,
W. S. WILSON,

IT VIGORATES THE GENERAL HEALTH.

From the Rev. Ralph Brecken, Pastor Brunswick Wesleyan Church, Halifax—
C. E. PUTTNER, Ph. M.,
DEAR SIR.—Having been induced to try your Emulsion Cod Liver Oil, as a remedy for influenza, with Cough, Cold, &c., I have much pleasure in testifying to its beneficial results as compared with any remedy ever previously used. Unlike most Cough remedies, it neither nauseates nor weakens, but pleasantly invigorates the general health.

PUTTNER'S EMULSION AS A FAMILY MEDICINE.
Mr. Theakston, Secretary Y. M. C. A. says:
MR. C. E. PUTTNER, Ph. M.,
DEAR SIR.—I have used your Emulsion in my family for the simple cough, as well as for the more obstinate kind, also for general debility. In every case it has given the utmost satisfaction. I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER
It will be found to exceed the many medicines now offered, as it supplies the **BLOOD WITH IRON,** which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of **PALE, WEAK AND ANEMIC WOMEN AND CHILDREN.**

The Trade says:
H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says:
Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use. I consider it the best **CREAM OR EMULSION** offered to the public, it being scientifically prepared, it remains permanent and unchanged.

CONSUMPTION
IS CURABLE BY THE USE OF
GATES' LIFE OF MAN BITTERS
—AND—
Invigorating Syrup.
Messrs. C. Gates, Son & Co.:
This is to certify that I have been troubled for four years with a bad cough, costiveness, and a great deal of the time unable to work by coughing and raising. Consulted several doctors and they pronounced me in the last stage of consumption, having pain and soreness of the lungs. I have tried several doctors, but with no success until I fell in with a friend, who advised me to try your medicine. After I had taken a few bottles of your
No 1 Bitters and No. 2 Syrup,
my cough stopped, appetite returned, bowels became regular, and now I feel quite well, and would recommend it to every person suffering, as I feel that it is by your medicine and the blessing of God that I am now alive.
Respectfully yours,
P. B. DAWSON.
