

THE MEDICAL FACULTY were among the first to recognize the value of Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda as a remedy for throat and lung affections, premature decline and general debility. Physicians not only recommend it for incipient consumption, bronchitis, asthma, and minor pulmonary and bronchial troubles, but speak in the highest terms of it as a means of enriching the blood and counteracting a hereditary tendency to consumption. In every part of the Dominion and throughout the United States it has attained a popularity as wide-spread as it is deserved, and the evidence attesting its efficacy is voluminous and convincing. The Cod Liver Oil, which is its pulmonic constituent, is absolutely pure, and does not nauseate the stomach; while the Hypophosphites, superadded to it, and chemically blended with this ingredient, possesses invigorating properties which render it most desirable in diseases involving such a tremendous waste of tissue and loss of bodily substance as incipient consumption, which it checks with a promptitude truly marvellous. In addition to its pulmonic effects, it imparts tone to the whole system, and being a fine blood depurant counteracts a tendency to scrofula. Moreover, it is sold at a reasonable price, the cost of the smaller bottles (the contents of one often sufficing to break up a bad cold) being 50 cents, and of the larger, \$1.00. ARM RESTORED

AFTER BEING **USELESS FOR SIX MONTHS.**

CALEB GATES & Co.—Dear Sirs:—For the benefit of all concerned, I make the following statement:

About three years ago I was seized with a severe pain in my arm, which lasted several days, and then settled in my wrist leaving my arm entirely useless for at least six months; during this time I was under the doctor's treatment, but all to no purpose. And strange as it may appear I dreamed that your agent in Wallace had medicine in his store that would cure my arm. I asked my husband to go and see. He went and brought one bottle of **Gates' Life of Man Bitters,**

No. 2, and one of **Gates' Acadian Liniment,**

with immediate results. Two bottles of each made a perfect cure. During my trouble with my arm my general health was much impaired, appetite gone, and notwithstanding all the prejudice against patent medicines, I must not only praise it, but recommend it to an afflicted public. For I consider it providential that I found such medicine.

MRS. STEPHEN CANFIELD.

The above statement was sworn to before me at Wallace, this 13th day of Oct., 1876. **W. B. HUESTIS, J. P.** Sold by Druggists and dealers. July 27.

MECHANICAL ORGUINETTE.

AN AUTOMATIC REED ORGAN.

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music.—TORONTO GLOBE."

"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ with as strong and melodious a tone as a Cabinet Organ. It surpasses the Cabinet Organ for the reason that the ignorant in music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism and consequently not liable to get out of order."—MONTREAL GAZETTE.

"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."—MONTREAL STAR.

Are daily recorded in favor of

PUTTNER'S EMULSION.

IT VIGORATES THE GENERAL HEALTH.

From the Rev. Ralph Brecken, Pastor Brunswick Wesleyan Church, Halifax—**C. E. PUTTNER, Ph. M.,**

DEAR SIR,—Having been induced to try your Emulsion Cod Liver Oil, as a remedy for Influenza, with Cough, Cold, &c., I have much pleasure in testifying to its beneficial results as compared with any remedy ever previously used. Unlike most Cough remedies, it neither nauseates nor weakens, but pleasantly invigorates the general health.

AS A TONIC FOR CONVALESCENTS, recovering from Diphtheria, Fever, and all exhausting diseases where the whole system is run down and requires building up, great benefit will be found by the use of

PUTTNER'S EMULSION AS A FAMILY MEDICINE.

Mr. Theakston, Secretary Y. M. C. A., says: **MR. C. E. PUTTNER, Ph. M.,**

DEAR SIR,—I have used your Emulsion in my family for the simple cough, as well as for the more obstinate kind, also for general debility. In every case it has given the utmost satisfaction. I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER

It will be found to exceed the many medicines now offered, as it supplies the

BLOOD WITH IRON,

which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of

PALE, WEAK AND ANEMIC WOMEN AND CHILDREN.

The Trade says:

H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says:

Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use. I consider it the best CREAM or EMULSION offered to the public, it being scientifically prepared, it remains permanent and unchanged.
